UNDERGRADUATE LEVEL PROGRAMS

Liberal Studies Program
Child Development Program

Fieldwork Experiences

At the undergraduate level, the University seeks to place students in fieldwork experiences where each student can observe and interact with regularly certified or credentialed teachers.

These fieldwork experiences may or may not be observed by the University's instructors and may involve observations and small group instruction with limited whole class involvement.

These fieldwork experiences are totally different from the fieldwork experiences required for the graduate programs. These experiences are not graduate level supervised teaching assignments and undergraduate students do not have to meet the same requirements as the graduate students.

Each undergraduate student must hold a State of California Certificate of Clearance (Liberal Studies) or State of California Department of Justice Bureau of Criminal Information and Analysis (Child Development Program) allowing him/her to engage with children in a public or private school setting and a verification of negative TB screening.

Each undergraduate candidate will be issued a letter of introduction listing the requirements of the fieldwork experience to be presented to the school-site and/or the District to request fieldwork placement.

These undergraduate experiences are designated as "Field Study Candidates."

At the undergraduate level, the University seeks to place two classifications of field- work students: 1) Field Study Candidates and 2) Undergraduate Student Teaching Candidates.

Field Study Candidates

Field Study Candidates can observe and interact with regularly certified or credentialed teachers. At this level, students may or may not be supervised by the University's instructors and the experience may involve observations and small group instruction with limited whole class involvement.

Undergraduate Student Teaching Candidates

Undergraduate Student Teaching is a requirement of the Child Development Program. Requirements for this program are completely different from the supervised teaching assignments that must be completed at the graduate and credential level. At this level, students are supervised by the University on a weekly basis. The University works solely with the cooperating school or school district to request placement with a certified or credentialed school-site supervisor for each supervised student teacher.
