2013 Cafeteria Table replacement project

Phase 1---Spring Break 2013

The first phase of this project contemplates installation of new cafeteria tables for the following school sites during the April 1st-5th district spring break:

- Jefferson Elementary—12 single table wall units
- Monroe Elementary—6 single table and 5 double table wall units
- Washington Elementary—10 single table units
- Garfield Elementary—10 single table units
- McKinley Elementary—2 single table units and 4 double table units

Phase 2---Prior to Winter Recess 2013

The second phase of this project contemplates the installation of new cafeteria tables after Spring Break 2013 but prior to Winter Recess 2013 based on the availability of the following school sites during that period:

- Madison Elementary—6 single table units and 5 double table units
- Bancroft Middle School—17 single table units
- Muir Middle School—22 single table units

***This schedule may vary based on the availability and lead times of the manufacturer and will be dependent on when the orders are placed by the district. Every effort will be made to adhere to the above schedule but cannot be guaranteed.**
