EXTRA CURRICULAR TRANSPORTATION NEEDS PROPOSAL

MyCoyotexpress Transportation is pleased to submit this proposal to **the San Leandro Unified School District** in consideration as a qualified School pupil Transportation provider.

MyCoyotexpress Transportation has provided safe and low cost transportation to the Unified School District of San Leandro since the beginning of our operations in 2008. We are a local Corporation owned and operated by parents and residents of the city of San Leandro.

Our Perspective

Why is our company the best option for The San Leandro Unified School District?
Our commitment to the community is to provide a safe and low cost charter and school Pupil bus transportation, we don't sublet our contract to other companies,our drivers are highly experience and are familiar with the operation of transportation for this school district.

Your results

Our goal is to present a realistic solution to your transportation needs; we will help the district in this task to make sure the pupils are safe and satisfied with our services.

Our prices

We agree to provide services to the San Leandro Unified School District base on the follow prices:

Small Charter Buses capacity up to 22 passengers (3 small Children per seat) The cost is $55.00 per hour, for field trips are minimum of five hour contract, with additional charges of $50 every extra hour thereafter.

Medium Size buses 52-65 passengers (3 small children per seat) cost $65.00 per hour. For field trips there is a 5 hour minimum contract with every extra hour at $55.00 per hour thereafter.

Large buses 78 passengers (3 small children per seat) the Cost is $75.00 per hour for field trips, minimum of 5 hours contract for field trips, every extra hour is charge at $65.00 per hour.

This field trips prices will include a 60 miles round trip, any additional miles will be charge according to the national average mileage sub-charge in affect at the time of booking, current average price is $2.60 per mile.
