a. Revised Salary Schedule and Employment Agreement between the San Leandro Unified School District and the Assistant Superintendent, Business and Operations *(V)*

PUBLIC COMMENT

- Garry Grotke, Madison Elementary School Principal, addressed the Board regarding increases in title and compensation for two administrators being considered tonight, stating that he felt everyone has worked very hard during these very difficult times and is deserving of appropriate increases. These are still uncertain times, and as we enter into a era of new leadership, Mr. Grotke urged that Board to make these compensations later, and if we are not restoring programs and personnel on an even basis, it's seems inappropriate to make compensation at this level. There is time for pay raises and compensation as the budget becomes more in clear in September and beyond.

Trustee Prola clarified that upon approval of the changes to both employee agreements, the Assistant Superintendent of Business and Operations and the Senior Director II, Human Resources, will be donate back the net amount of the salary increase and the fiscal impact to the District is cost neutral for 2013-2014 except for employee paid statutory costs.

Following the clarification, the Board approved the Revised Salary Schedule (to include the Associate Superintendent salary range) and approved the changes to the Employment Agreement between the San Leandro Unified School District and the Assistant Superintendent, Business and Operations.

28. ADDITIONAL SUGGESTIONS AND COMMENTS FROM BOARD MEMBERS-9:30 p.m.

Trustee Toro attended the Adult School Graduation, commenting that it was an impressive ceremony honoring these students who have worked very hard, noting that the keynote speaker also shared his amazing story.

Trustee Rosato attended the CTE California Education Conference in Los Angeles last Saturday as a state delegate. They discussed many of the details of the Governor's proposed budget, and positions, policies and legislation regarding teacher discipline as we prepare for the National Education Association representative assembly in Atlanta. He also said that he brought back "Celebrate Pride Month" stickers, inviting anyone

interested to pick one up at the conclusion of the meeting.

Trustee Katz-Lacabe hoped the concert last week performed by the Jefferson and Roosevelt Elementary School choirs, the Notables and high school choir becomes a tradition and that more schools will participate. In addition, he noted that due to cuts made, there is not an instrumental program at the middle schools, preventing elementary students flowing into a middle school program; similarly, he thought that choir was not offered at the middle school level. Trustee Katz-Lacabe asked for and received consensus to have the Superintendent look into what would need to be done to provide those students, who are interested in instrumental music and choir, a continuous flow from elementary, to middle, and then high school. He also announced that Eat Out for Education is tomorrow night, and Drakes fundraiser will be this Friday night.

Trustee James attended the Adult School graduation, which he felt demonstrated how important and necessary the Adult School is to our community and "what bridges and future it provides and builds for people." Trustee James reminded everyone that he will be out of town for the June 18 Board meeting and the 1st meeting in July. Responding to concerns raised by the community and employee groups this evening, he reassured them that "You are being heard, you are listened to, and the Board understands."

Trustee Carey attended the Adult School Graduation, acknowledging the students for their perseverance. While he will not be able to attend the Pride Parade this year in San Francisco on June 30, he hoped that some the Board members would have an opportunity to do so, noting that when he participated two years ago, he found it to be a very rewarding experience.

Student Board member Feliciano thanked the Board for giving her the privilege to be part of the School Board. "It has been a great year, and maybe in the future, I will be sitting where you are."

Trustee Prola commented that the she was happy that the Superintendent Search has been completed, and thanked the Board for their approach to the process. She also attended the Adult School Graduation, commenting that it was the largest graduating class (128 students) commending them for their success. She also attended Jefferson Elementary School's first Opera! Students in five different classes have been working with the San Francisco Opera all year. The students wrote a libretto, composed music, rehearsed their own opera and made their own set designs, costumes, and props, noting that they did a dynamic job. Students were also given an opportunity to go to San Francisco and see an opera. In addition, the second grade class also entertained the audience with a song related to their study about fish and anti-bullying.
