6. PARKS & RECREATION COMMISSION REPORT - 7:05-7:15 p.m.

Evelyn Gonzalez, District representative to the Parks and Recreation Commission, provided the Board with an update, which included highlighting free programs available to families in San Leandro such as

- Family Movie Nights - Wednesdays, 8:00 p.m. (or when dark)
  - July 10, Halcyon Park, 1245 147th Avenue
  - July 24, Chabot Park, 1698 Estudillo Ave.
  - August 14, Washington Manor Park, 14900 Zelma Street
- "Save the Date" for the Second Annual Family Bike Party, Sunday, September 8,

1:00 p.m. (location to be determined)

Commissioner Gonzalez also reported on some complaints that she has received regarding the Bancroft Field and the Washington Elementary School baseball backstop, noting that the community is unsure of who (City or District) is responsible for those areas. In addition she spoke about wanting to improve the communications between the Commission and individual schools next year, noting that some prefer electronic communication and other distribute flyers.

She also noted that Peggy Combs recently retired as a Parks & Recreation Commissioner, and Mike Bolar, who is a San Leandro Unified parent, was appointed as the new commissioner.

Commission Gonzalez also reported that because she lives within 200 feet of Chabot park, during the East Bay MUD Chabot Dam upgrade project, she will be recusing herself from any decisions or voting taken by the Commission.

Piggybacking on Trustees López's comments regarding the condition of the Bancroft Middle School Field and the Washington Elementary School baseball backstop, Trustee Prola suggested that these issues be referred to the Facilities & Technology committee for possible solutions.

Mark Hamilton, San Leandro High School counselor, provided the Board with a glimpse of what the "new normal" looks like for counselors, related to counseling staffing ratios. Assistant Superintendent Wong thanked the Board for giving her the opportunity to have the "best job in the whole wide world". Looking back, she shared how her husband Mike and she came to San Leandro to raise their three children, "beginning at Monroe Elementary School, John Muir Middle School, and graduating from San Leandro High School." "Cindy and I began as teachers together," describing the parallel career path the Superintendent and she traveled. 9. PUBLIC HEARING - 7:35-7:40 p.m.

A public hearing was held regarding the 2013-2014 Adoption Budget which included Fiscal Years 2014-15 and 2015-16.

a. Conduct an Official and Public Hearing on 2013-2014 Adoption Budget Which Includes Fiscal Years 2014-2015 and 2015-2016

Education Code Section 42127 requires that a school district adopt its budget for the next fiscal year and two subsequent fiscal years by July 1. Once the district files its adopted budget with the County of Education (COE), the COE is required to verify that the budget complies with the criteria and standards adopted by the State Board of Education, per E.C. 33127, determine whether the district will be able to meet its financial obligations in the current and two subsequent fiscal years and notify the district by August 15 whether the COE has approved, conditionally approved, or disapproved the budget.

Assembly Bills (AB) 1200 and 2756 state that a district of the size of the San Leandro USD must maintain a minimum of 3% Reserve requirement. The District continues to maintain the 3% minimum reserve requirement in Fund 17, Special Reserve Fund for Other Than Capital Outlay Projects.

On a motion made by Trustee Toro and seconded by Trustee Rosato, the Board opened the Public Hearing regarding the 2013-2014 Adoption Budget which includes Fiscal Years 2014-2015 and 2015-2016 by a 6-0 vote. Trustee James was absent.

No comments were received from the audience.

On a motion made by Trustee Katz-Lacabe and seconded by Trustee Carey, the Board closed the Public Hearing regarding the 2013-2014 Adoption Budget which includes Fiscal Years 2014-2015 and 2015-2016 by a 6-0 vote. Trustee James was absent

10. PRESENTATIONS - 7:40-8:25 p.m.

a. 2013-2014 Adoption Budget Which Includes 2014-2015 and 2015-2016

Song Chin-Bendib, Assistant Superintendent of Business & Operations, provided a presentation on the 2013-2014 Adoption Budget, which includes fiscal years 2014-2015 and 2015-2016. Highlights of the presentation included:

- The 2013-2014 Adoption Budget reflects a positive gross fund balance of $3,217,100 (UGF and onetime money = $3,149,940, and Tier III - $67,160) in the Unrestricted General Fund which includes all Tier III Flexibility and appropriate sweeps of Tier II funds
- The District continues to maintain the 3% minimum reserve requirement in Fund 17, Special Reserve Fund for Other Than Capital Outlay Projects
- In order to project a positive fund balance for 2013-14 and two subsequent fiscal years, below are some major assumptions included in the 2013-14 Adoption Budget:
    - The Governor and the Legislature have agreed to change the funding formula for public schools.
    - The new version, known as Local Funding Formula (LCFF), incorporates the revenue limit, certain categorical grants and the addition of new "supplemental" and "concentration" grants. These new grants are based on the percentage of low income and English Learner students of

the District. The new formula is projected to generate approximately $2.8 million additional revenue to the general fund, of which $1,8 million is already included in this budget.

- Since we do not have the specific language of the new formula during the budget preparation, our Prosed Budget for 2013-14 is developed using the old "revenue limit funding" formula.
- The Revenue Limit formula is the current law unless and until the Governor signs the new LCFF, at which time we will revised the budget as soon as the necessary information becomes available.
- The revenue limit calculation assumed a Cost of Living Allowance (COLA) of 1.565% and a Deficit Factor of 18.997%.
- $771,000 per year of parcel tax revenue starting in 2013-2014.
- The budget includes a 3% salary increase for SLTA members and an agreement was signed between the District and SLTA on June 10, 2013.
- Additional one-time (2013-14 only) Special Education encroachment of $643,573.
- Resume Board-approved cuts in 2014-15 and ongoing (50% Instrumental Music, an independent study teacher, 2.0 Campus Supervisors, 2.66 library para-educators, 1.0 Middle and elementary school vice principal, 1.0 Custodian, and .25 AP Clerk).
- Contribution from Adult Education Fund of $450,000.
- The District anticipates that this proposed Budget for 2013-14, Alameda County Office of Education will issue a POSITIVE Certification for the District.

The Board raised clarifying questions, which were addressed by staff.
