WestEd

excellence in research, development, and service

Scope of Work

San Leandro Unified School District, San Leandro, CA

Services and Deliverables

Building Common Core Aligned Assessments

Objectives

ELA Unit Assessment Development

This training is for the curriculum committee that is in charge of developing assessments to evaluate student proficiency with the skills and knowledge addressed in the district Common Core ELA Units. The committee will develop assessment items and tasks that address the following key characteristics of effective assessments.

- Proper alignment to the standards in the unit
- Proper Depth of Knowledge (DOK)
- Accommodate diversity (culture, language, styles)
- Address appropriate academic vocabulary
- Includes appropriate text complexity

Note: The members of this committee will most likely need to continue to develop, refine, or edit additional assessments following these training sessions.

Days: 12

6 days for ELA K-5
6 days for ELA 6-12

Total Cost:
This is a fixed price contract for $36,000, including consulting services, materials, and travel.

Dates:
To be mutually agreed upon by WestEd and the District, with a goal to begin training in the summer of 2014 and continue into the fall of the 2014-2015 school year.
