John Muir Middle School

San Leandro, CA 94577

Ms. Magers,

Currently, we have a contract with your school to conduct gang/anger management sessions/education with students 6 times a week. The program in place, at the present time, is offered during 5th and 6th periods on an every other week basis. In addition to the aforementioned, we meet with parents and school staff.

We are now aware of the fact that our services would be more effective if we were on campus more frequently than the days for which we are currently under contract. In light of this insight, I would like to increase our services to generate greater efficacy overall via a more in-depth program.

Scope of Services:

An increase our services, at John Muir Middle School, would include Monday through Friday groups/sessions. The following are the recommended services we would like to include and build upon:

1. Gang intervention sessions
2. 1:1 sessions with students
3. Identify and educate students who might be at risk of gang involvement and substance abuse.
4. Study hall for all 8th grade students that are failing 1 or more classes. Prepare them for graduation
5. Meeting with parents
6. meeting with teachers and other school officials

Screening Requirements:

1.1 Screening: Agents (Decisiones Family Services) will provide the DISTRICT with a list of employees that have cleared a fingerprint scan by the United States Department of Justice and the FBI. All pre-employment screening, including but not limited to NCLB testing, and tuberculosis testing for staff members will be conducted pursuant to the regulations already in use by the AGENT personal Policies and Practices. By execution of this MOU, the DISTRICT and AGENT acknowledge that Education Code Section 45125.1 applies to services under all school programs. Section 45125.1 requires that employees of entities providing such services to school districts must be fingerprinted by the California Department of Justice and the FBI for a criminal.

1.1.1 AGENT expressly acknowledges that:

1.1.1.1 AGENT and all of AGENT'S employees working on the school site must submit fingerprints in a manner authorized by the Department of Justice, together with the requisite fees as set forth in Education Code Section 45125.1;

1.1.1.2 AGENT shall not permit any employee or contractor to come in contact with students until the Department of Justice has ascertained that the employee or contactor has not been convicted of a serious or violent felony;

1.1.1.3 AGENT shall certify in writing to the DISTRICT that none of its employees or contractors who may come in contact with students have been convicted of a serious or violent felony;

1.1.1.4 AGENT shall provide to DISTRICT a list of its employees who may come in contact with students. The AGENT shall fulfill these requirements at its own expense.

Fee Agreement:

San Leandro Unified School District, John Muir Middle School agrees to pay Decisiones Family Services, DBA Victor E. Diaz the amount of $9,000.00 for services mentioned above. The amount will be due on the commencement of this contract extension..
