STUDENT LEAVE OF ABSENCE

The Board of Trustees recognizes the importance of regular school attendance in promoting student achievement. However, the Board also recognizes that, in rare circumstances, it may be beneficial for a student to participate in opportunities outside the school which contribute to his/her educational experience.

The Superintendent or designee may grant student leaves of absence for the purpose of supervised travel, study, training, or work not available to the student under another educational option. Such leave may be granted to a student 15 years of age or older in the regular program and to a student age 16-18 in the continuation education program. (Education Code 48232, 48416)

(cf. 6184 - Continuation Education)

No more than one percent of the students enrolled and attending a school shall be granted a leave of absence during any school year. (Education Code 48232, 48416)

When feasible, students shall be encouraged to instead enroll in the district's independent study program to allow for greater contact and coordination with district staff.

STUDENT LEAVE OF ABSENCE

Upon request, the Superintendent or designee may grant a student a leave of absence from school for the purpose of supervised travel, study, training, or work. To be eligible for such leave, the student shall, at the time the leave of absence is to begin, be at least 15 years of age or, if he/she is enrolled in continuation education classes or exempted from continuation education classes pursuant to Education Code 48410, be 16-18 years of age. (Education Code 48232, 48416)

A written agreement shall be entered into that is signed by the student's parent/guardian, the principal or designee of the school which the student would otherwise attend, a classroom teacher familiar with the student's academic progress, and the district's supervisor of child welfare and attendance. In the case of a continuation education student, the student also shall sign the written agreement. The agreement shall include: (Education Code 48232, 48416)

1. The purpose of the leave

2. The length of the leave

3. Provision for a meeting or contact between the student and a designated school official at least once a month while the student is on leave

4. A statement that the leave is for the purpose of supervised travel, study, training, or work not available to the student under another educational option

The length of the leave may be up to one semester, or up to two semesters for a continuation education student. The leave may be extended for an additional semester upon approval of all parties to the written agreement and the local school attendance review board. No leave of absence may be taken that would continue past the end of the school year in which the leave is taken. (Education Code 48232, 48416)

(cf. 5113.1 - Chronic Absence and Truancy)

The student shall be permitted to return to school at any time and shall not be prevented from completing his/her academic requirements within a time period equal to that of his/her classmates who did not take leave, plus a period of time equal to the leave of absence. If the student reenrolls at a time other than the beginning of a semester, the school shall not be required to provide make-up sessions for classes missed. (Education Code 48232, 48416)

If the student does not contact the designated school official as required by the written agreement, the leave shall be nullified. The agreement also may be nullified for cause at any time by any party to the agreement. (Education Code 48232, 48416)

OPEN/CLOSED CAMPUS

Closed Campus

In order to keep students in a supervised, safe and orderly environment, the Board of Trustees establishes a closed campus at all district schools.

Students shall not leave the school grounds at any time during the school day without written permission of their parents/guardians and school authorities. Students who leave school without authorization shall be classified truant and subject to disciplinary action.

(cf. 5113 - Absences and Excuses)

Student handbooks shall fully explain all rules and disciplinary procedures involved in the maintenance of the closed campus.

At the beginning of each school year, the Superintendent or designee shall send a notification to the parents/guardians of all students, and to all students in grades 7-12, informing them that school authorities may excuse any student from school to obtain confidential medical services without the consent of the student's parent/guardian. (Education Code 46010.1)

(cf. 5145.6 - Parental Notifications)

CHRONIC ABSENCE AND TRUANCY

a. A student who is habitually truant, irregular in school attendance, or habitually insubordinate or disorderly during attendance at school may be referred to, and required to attend, a school attendance review board (SARB) program, a truancy mediation program established by the district attorney or the probation officer, or a comparable program deemed acceptable by the district's attendance supervisor.    b. If a chronically truant student is at least age 6 years and is in any of grades K-8, the attendance supervisor shall notify the student's parents/guardians that failure to reasonably supervise and encourage the student's school attendance may result in the parent/guardian being found guilty of a misdemeanor pursuant to Penal Code 270.1.

Records

The Superintendent or designee shall maintain accurate attendance records for students identified as habitual or chronic truants. The Superintendent or designee also shall document all contacts with a student and his/her parent/guardian regarding the student's attendance, including a summary of all conversations and a record of all intervention efforts.

(cf. 5125 - Student Records)

The Superintendent or designee shall gather and transmit to the County Superintendent of Schools the number and types of referrals made to the SARB and of requests for petitions made to the juvenile court. (Education Code 48273)

WORK PERMITS

The Board of Trustees recognized that part-time jobs can give students needed supplementary income, valuable work experience, and enhanced self-esteem. However, the Board also believes that outside employment should not interfere with students' educational progress nor impair their health. In accordance with the law, students must obtain work permits from school authorities before accepting employment.

The Superintendent or designee shall issue work permits only as allowed by law and only to the extent that outside employment does not significantly interfere with the student's school work. Students granted work permits must demonstrate and maintain satisfactory grades.

Students 16 or 17 years of age may be granted approval to work more than 20 hours a week only when justified by unusual circumstances which shall be stated on the work permit.

   To grant priority under these circumstances, the Superintendent or designee must have received either: (Education Code 35160.5)

6. Any sibling of a student already in attendance in that school.

7. Any student whose parent/guardian is assigned to that school as his/her primary place of employment.

INTRADISTRICT OPEN ENROLLMENT

Transfers for Victims of a Violent Criminal Offense

Within a reasonable amount of time, not to exceed 14 days, after it has been determined that a student has been the victim of a violent criminal offense while on school grounds, the student's parents/guardians shall be offered an option to transfer their child to an eligible school identified by the Superintendent or designee. In making the determination that a student has been a victim of a violent criminal offense, the Superintendent or designee shall consider the specific circumstances of the incident and consult with local law enforcement as appropriate. Examples of violent criminal offenses include, but are not limited to, attempted murder, battery with serious bodily injury, assault with a deadly weapon, rape, sexual battery, robbery, extortion, or hate crimes.

The Superintendent or designee shall consider the needs and preferences of the affected student and his/her parent/guardian in making the offer. If the parent/guardian elects to transfer his/her child, the transfer shall be completed as soon as practicable.

Transfers from a "Persistently Dangerous" School

Upon receipt of notification from the California Department of Education (CDE) that a district school has been designated as "persistently dangerous," the Superintendent or designee shall provide parents/guardians of students attending the school with the following notifications:

1. Within 10 days of receipt of the notification from CDE, notice of the school's designation

2. Within 20 days of receipt of the notification from CDE, notice of the option to transfer their child

(cf. 0450 - Comprehensive Safety Plan)

Parents/guardians who desire to transfer their child out of a "persistently dangerous" school shall provide a written request to the Superintendent or designee and shall rank-order their preferences from among all schools identified by the Superintendent or designee as eligible to receive transfer students. The Superintendent or designee may establish a reasonable timeline, not to exceed seven school days, for the submission of parent/guardian requests.

The Superintendent or designee shall consider the needs and preferences of students and parents/guardians before making an assignment, but is not obligated to accept the parent/guardian's preference if the assignment is not feasible due to space constraints or other considerations. For students whose parents/guardians accept the offer, the transfer shall generally be made within 30 school days of receiving the notice of the school's designation from the CDE. If parents/guardians decline the assigned school, the student may remain in his/her current school.

INTRADISTRICT OPEN ENROLLMENT (continued)

The transfer shall remain in effect as long as the student's school of origin is identified as "persistently dangerous." The Superintendent or designee may choose to make the transfer permanent based on the educational needs of the student, parent/guardian preferences, and other factors affecting the student's ability to succeed if returned to the school of origin.

The Superintendent or designee shall cooperate with neighboring districts to develop an interdistrict transfer program in the event that space is not available in a district school.

(cf. 5117 - Interdistrict Attendance)

Other Intradistrict Open Enrollment

Except for transfers for victims of a violent crime and from a "persistently dangerous school," the following procedures shall apply to intradistrict open enrollment:

1. The Superintendent or designee shall identify those schools which may have space available for additional students. A list of those schools and open enrollment applications shall be available at each school site, the district office, and on the district's web site.

2. After the enrollment priorities have been applied in accordance with Board policy, if there are more requests for a particular school than there are spaces available, a random drawing shall be held from the applicant pool. A waiting list shall be established to indicate the order in which applicants may be accepted if openings occur during the year. Late applicants shall not be added to the waiting list for the current year but shall instead wait for a subsequent lottery.

3. The Superintendent or designee shall provide written notification to applicants as to whether their applications have been approved, denied, or placed on a waiting list. If the application is denied, the reasons for denial shall be stated.

4. Approved applicants must confirm their enrollment within 10 school days.

Once enrolled, a student shall not be required to reapply for readmission. However, the student may be subject to displacement due to excessive enrollment.

Any complaints regarding the open enrollment process shall be submitted in accordance with the applicable complaint procedure.

(cf. 1312.3 - Uniform Complaint Procedures)

INTRADISTRICT OPEN ENROLLMENT (continued)

Notifications

Notifications shall be sent to parents/guardians at the beginning of each school year describing all current statutory attendance options and local attendance options available in the district. Such notification shall include: (Education Code 35160.5, 48980)

1. All options for meeting residency requirements for school attendance

(cf. 5111.1 - District Residency)
(cf. 5111.12 - Residency Based on Parent/Guardian Employment)
(cf. 5118 - Open Enrollment Act Transfers)

2. Program options offered within local attendance areas

3. A description of any special program options available on both an interdistrict and intradistrict basis

4. A description of the procedure for application for alternative attendance areas or programs and the appeals process available, if any, when a change of attendance is denied

5. A district application form for requesting a change of attendance

6. The explanation of attendance options under California law as provided by the CDE

(cf. 5145.6 - Parental Notifications)

INTERDISTRICT ATTENDANCE

The Board of Trustees recognizes that parents/guardians of students who reside in one district may, for a variety of reasons, choose to enroll their child in a school in another district.

(cf. 0520.3 - Title I Program Improvement Districts)
(cf. 5111.12 - Residency Based on Parent/Guardian Employment)
(cf. 5116.1 - Intradistrict Open Enrollment)
(cf. 5118 - Open Enrollment Act Transfers)

Interdistrict Attendance Permits

The Board may enter into an agreement with any other school district, for a term not to exceed one school year, for the interdistrict attendance of students who are residents of the districts. (Education Code 46600)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed to by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement.

Transportation

The district shall not provide transportation beyond any school attendance area.

Limits on Student Transfers Out of the District to a School District of Choice

The Superintendent or designee may limit the number of student transfers out of the district to a school district of choice based on the percentages of average daily attendance specified in Education Code 48307.

In addition, transfers out of the district may be limited during a fiscal year when the County Superintendent of Schools has given the district a negative budget certification or when the

County Superintendent has determined that the district will not meet the state's standards and criteria for fiscal stability in the subsequent fiscal year exclusively as a result of student transfers from this district to a school district of choice. (Education Code 48307)

(cf. 3100 - Budget)
(cf. 3460 - Financial Reports and Accountability)

INTERDISTRICT ATTENDANCE (continued)

The district may deny a transfer of a student out of the district to a school district of choice if the Board determines that the transfer would negatively impact a court-ordered or voluntary desegregation plan of the district. (Education Code 48301)

INTERDISTRICT ATTENDANCE

Interdistrict Attendance Permits

In accordance with an agreement between the Board of Trustees and the board of another district, a permit authorizing a student's attendance outside his/her district of residence may be issued upon approval of both the district of residence and the district of proposed attendance.

The Superintendent or designee may approve an interdistrict attendance permit for a student for any of the following reasons when stipulated in the agreement:

1. When the student has been determined by staff of either the district of residence or district of proposed attendance to be a victim of an act of bullying as defined in Education Code 48900(r). Such a student shall be given priority for interdistrict attendance under any existing interdistrict attendance agreement or, in the absence of an agreement, shall be given consideration for the creation of a new permit. (Education Code 46600)

(cf. 5131.2 - Bullying)

2. To meet the child care needs of the student. Such a student may be allowed to continue to attend district schools only as long as he/she continues to use a child care provider within district boundaries.

3. To meet the student's special mental or physical health needs as certified by a physician, school psychologist, or other appropriate school personnel.

(cf. 6159 - Individualized Education Program)

4. When the student has a sibling attending school in the receiving district, to avoid splitting the family's attendance.

5. To allow the student to complete a school year when his/her parents/guardians have moved out of the district during that year.

6. To allow the student to remain with a class graduating that year from an elementary, middle, or senior high school.

7. To allow a high school senior to attend the same school he/she attended as a junior, even if his/her family moved out of the district during the junior year.

8. When the parent/guardian provides written evidence that the family will be moving into the district in the immediate future and would like the student to start the year in the district.

INTERDISTRICT ATTENDANCE (continued)

9. When the student will be living out of the district for one year or less.

10. When recommended by the school attendance review board or by county child welfare, probation, or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence.

(cf. 5113.1 - Chronic Absence and Truancy)

11. When there is valid interest in a particular educational program not offered in the district of residence.

12. To provide a change in school environment for reasons of personal and social adjustment.

13. An interdistrict transfer permit may be granted if the student's parent/legal guardian resides in the "Gray Area", (Halsey Tract). Street Listing of Gray Area (Donald Avenue, Halsey Avenue, Lark Street to 150th Street (no numbers over 14999), Patton Avenue, Peters Street, Portofino Circle, and Rake Court.)

The Superintendent or designee may deny initial requests for interdistrict attendance permits due to limited district resources, overcrowding of school facilities at the relevant grade level, or other considerations that are not arbitrary. However, once a student is admitted, the district may not deny him/her continued attendance because of overcrowded facilities at the relevant grade level.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Within 30 days of a request for an interdistrict permit, the Superintendent or designee shall notify the parents/guardians of a student who is denied interdistrict attendance regarding the process for appeal to the County Board of Education as specified in Education Code 46601. (Education Code 46601)

(cf. 5145.6 - Parental Notifications)

Pending a decision by the two districts or an appeal by the County Board, the Superintendent or designee may provisionally admit a student who resides in another district for a period not to exceed two school months. (Education Code 46603)

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or decisions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

INTERDISTRICT ATTENDANCE (continued)

(cf. 5119 - Students Expelled from Other Districts)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

Once a student is admitted to a school on the basis of an interdistrict attendance permit, he/she shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school in which he/she is enrolled, unless reapplication standards are otherwise specified in the interdistrict attendance agreement. Existing interdistrict attendance permits shall not be rescinded for students entering grade 11 or 12 in the subsequent school year. (Education Code 46600)

OPEN ENROLLMENT ACT TRANSFERS

The Board of Trustees desires to offer enrollment options in order to provide children with opportunities for academic achievement that meet their diverse needs. Such options shall also be provided to children who reside within another district's boundaries in accordance with law, Board policy, and administrative regulation.

Whenever a student is attending a district school on the Open Enrollment List as identified by the Superintendent of Public Instruction, he/she may transfer to another school within or outside of the district, as long as the school to which he/she is transferring has a higher Academic Performance Index. (Education Code 48354, 48356)

A parent/guardian whose child is attending a district school on the Open Enrollment List and who wishes to have his/her child attend another school within the district shall apply for enrollment using BP/AR 5116.1 - Intradistrict Open Enrollment.

(cf. 5116.1 - Intradistrict Open Enrollment)
(cf. 5117 - Interdistrict Attendance)

In order to ensure that priorities for enrollment in district schools are implemented in accordance with law, the Board hereby waives the January 1 deadline in Education Code 48354 for all applications for transfer from nonresident parents/guardians of children attending a school on the Open Enrollment List in another district. Transfer applications shall be submitted by March 15 of the preceding school year for which the transfer is requested.

(cf. 5111.1 - District Residency)
(cf. 5111.12 - Residency Based on Parent/Guardian Employment)

The Board may deny a transfer out of or into the district upon a determination by the Board that the transfer would negatively impact a court-ordered or voluntary desegregation plan in accordance with Education Code 48355.

Standards for Rejection of Transfer Applications

Pursuant to Education Code 48356, the Board has adopted the following standards for acceptance and rejection of transfer applications submitted by a parent/guardian of a student attending a school in another district on the Open Enrollment List. The Superintendent or designee shall apply these standards in accordance with Board policy and administrative regulation and shall ensure that the standards are applied uniformly and consistently.

As applicable, the Superintendent or designee may deny a transfer application under any of the following circumstances:

1. Upon a determination that approval of the transfer application would negatively impact the capacity of a program, class, grade level, or school building, including:

OPEN ENROLLMENT ACT TRANSFERS (continued)

a. The class or grade level exceeding the district's limits pursuant to the state Class Size Reduction Program

b. The site, classroom, or program exceeding the maximum student-teacher ratio specified in the district's collective bargaining agreement

c. The site or classroom exceeding the physical capacity of the facility pursuant to the district's facilities master plan or other facility planning document

d. The class or grade level exceeding capacity pursuant items #a-#c above in subsequent years as the student advances to other grade levels at the school

(cf. 6151 - Class Size)
(cf. 7110 - Facilities Master Plan)

2. Upon a determination that approval of the transfer application would have an adverse financial impact on the district, including:

a. The hiring of additional certificated or classified staff

b. The operation of additional classrooms or instructional facilities

c. Expenses incurred by the district that would not be covered by the apportionment of funds received from the state resulting in a reduction of the resources available to resident students

Appeal Process for Denials of Transfer Applications

A parent/guardian may appeal the district's denial of a transfer application to the Board by filing a written request of appeal with the Superintendent or designee within 10 days of the receipt of the written notification of denial. In addition, a parent/guardian who believes he/she has been subject to discrimination may file an appeal using the district's Uniform Complaint Procedures.

(cf. 1312.3 - Uniform Complaint Procedures)

The Board shall schedule an appeal hearing as soon as practicable at a regular or special meeting of the Board. At the hearing, the parent/guardian shall have the right to present oral or written evidence, rebut district evidence, and question any district witnesses. Unless the parent/guardian requests that the hearing be held in open session, the hearing shall be held in closed session in order to protect the privacy of students in accordance with law.

(cf. 9321 - Closed Session Purposes and Agendas)

OPEN ENROLLMENT ACT TRANSFERS (continued)

The Board shall make its decision by the next regularly scheduled meeting and shall send its decision to all concerned parties. The Board's decision shall be final.

Program Evaluation

The Superintendent or designee shall collect data regarding the number of students who transfer out of the district pursuant to the Open Enrollment Act. He/she also shall collect data regarding the number of students who apply to transfer into the district, the number of requests granted, denied, or withdrawn, and the district schools and programs receiving applications.

When the Superintendent or designee anticipates that a particular school will receive a large number of transfer applications, he/she shall study the enrollment pattern at that school in order to anticipate future resident enrollment at the school and at the district schools into which those students would normally matriculate.

The Superintendent or designee may regularly report to the Board regarding the implementation of this program.

(Education Code 48356)

Within 60 days of receiving the application, the Superintendent or designee shall provide written notification to the parent/guardian and the student's district of residence as to whether the application has been accepted or rejected. PARENTAL NOTIFICATION:
OPTION TO TRANSFER

[*Date*]

To the parents/guardians of students at _____ School:

The purpose of this letter is to inform you that our school has been identified by the California Department of Education (CDE) as an Open Enrollment school for the _____ school year.

Why is our school on the Open Enrollment List?

The Open Enrollment Act, which became law in the spring of 2010, requires the CDE to annually create a list of 1,000 schools ranked by their Academic Performance Index (API). A school's API is a number that ranges from 200 to 1,000 and is calculated using the results for each school's students on statewide tests. The state has set 800 as the API target for all schools to meet. Schools that fall short of 800 are required to meet annual growth targets until that goal is achieved. Annual API growth targets will vary for each school.

For more information about how the Open Enrollment List is created, please visit the CDE's web site: http://www.cde.ca.gov/sp/eo/op.

What right does a parent/guardian have to request a transfer?

All parents/guardians of students attending a school on the Open Enrollment List have the option to request a transfer of their child to another school in this district or in another California district. The school to which your child transfers must have a higher API than the school your child is leaving. Our school's API is _____.

The following district schools are available to accept transfers: [*List schools with space available and higher API scores*.]

_____
_____
_____

If you would like to transfer your child to one of the schools listed above, please contact that school for information about applying for intradistrict open enrollment. Information about the performance and academic achievement of each available school is enclosed.

If you would like to transfer your child to a school in another district, you must contact that school district for information regarding their application procedures and timelines. To find a school with a higher API, go to the CDE's website: http://api.cde.ca.gov/reports.

OPEN ENROLLMENT ACT TRANSFERS (continued)

Parents/guardians are responsible for providing transportation to and from the new school.

We will keep you updated and informed about opportunities to discuss plans for our school. If you have questions, need additional information on how you can get involved in our school improvement efforts, or would like to discuss the school's instructional program, please feel free to call me and/or visit the school.

(Education Code 48915.1)

If the Board finds that a student expelled for acts other than those specified in Education Code 48915(a) or (c) does not pose a continuing danger to students or staff, the student may be admitted or conditionally admitted during the term of expulsion. If the Board determines that the student does pose a continuing danger to students or staff, the student shall not be admitted. (Education Code 48915.1)

(cf. 5145.6 - Parental Notifications)
