SAN LEANDRO UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION

BOARDSMANSHIP

To meet its goal, the Board of Education will adopt the following California School Boards Association "Professional Governance Standards:"

To be effective, an individual trustee:

- Keeps learning and achievement for all students as the primary focus.
- Values, supports and advocates for public education.
- Recognizes and respects differences of perspective and style on the board and among staff, students, parents and the community.
- Acts with dignity, and understands the implications of demeanor and behavior.
- Keeps confidential matters confidential.
- Participates in professional development and commits the time and energy necessary to be an informed and effective leader.
- Understands the distinctions between board and staff roles, and refrains from performing management functions that are the responsibility of the superintendent and staff.
- Understands that authority rests with the board as a whole and not with individuals.

To operate effectively, the board must have a unity of purpose and:

- Keep the district focused on learning and achievement for all students.
- Communicate a common vision.
- Operate openly, with trust and integrity.
- Govern in a dignified and professional manner, treating everyone with civility and respect.
- Govern within board-adopted policies and procedures.
- Take collective responsibility for the board's performance.
- Periodically evaluate its own effectiveness.
- Ensure opportunities for the diverse range of views in the community to inform board deliberations.

Effective boards:

- Involve the community, parents, students and staff in developing a common vision for the district focused on learning and achievement and responsive to the needs of all students.
- Adopt, evaluate and update policies consistent with the law and the district's vision and goals.
- Maintain accountability for student learning by adopting the district curriculum and monitoring student progress.
- Hire and support the superintendent so that the vision, goals and policies of the district can be implemented.
- Conduct regular and timely evaluations of the superintendent based on the vision, goals and performance of the district, and ensure that the superintendent holds district personnel accountable.
- Adopt a fiscally responsible budget based on the district's vision and goals, and regularly monitor the fiscal health of the district.
- Ensure that a safe and appropriate educational environment is provided to all students.
- Establish a framework for the district's collective bargaining process and adopt responsible agreements.
- Provide community leadership on educational issues and advocate on behalf of students and public education at the local, state and federal levels.
