Measure B is a $109 million school facilities bond approved by San Leandro voters in 2006, and Measure M is the $50.1 million school facilities bond approved in 2010.

Safety and Fencing Project

Scope of work to cover **up to nine school sites** to be evaluated for fencing design to:

- enhance the frontage appearance
- provide the ability of site staff to "close down" site access in case of threat or emergency

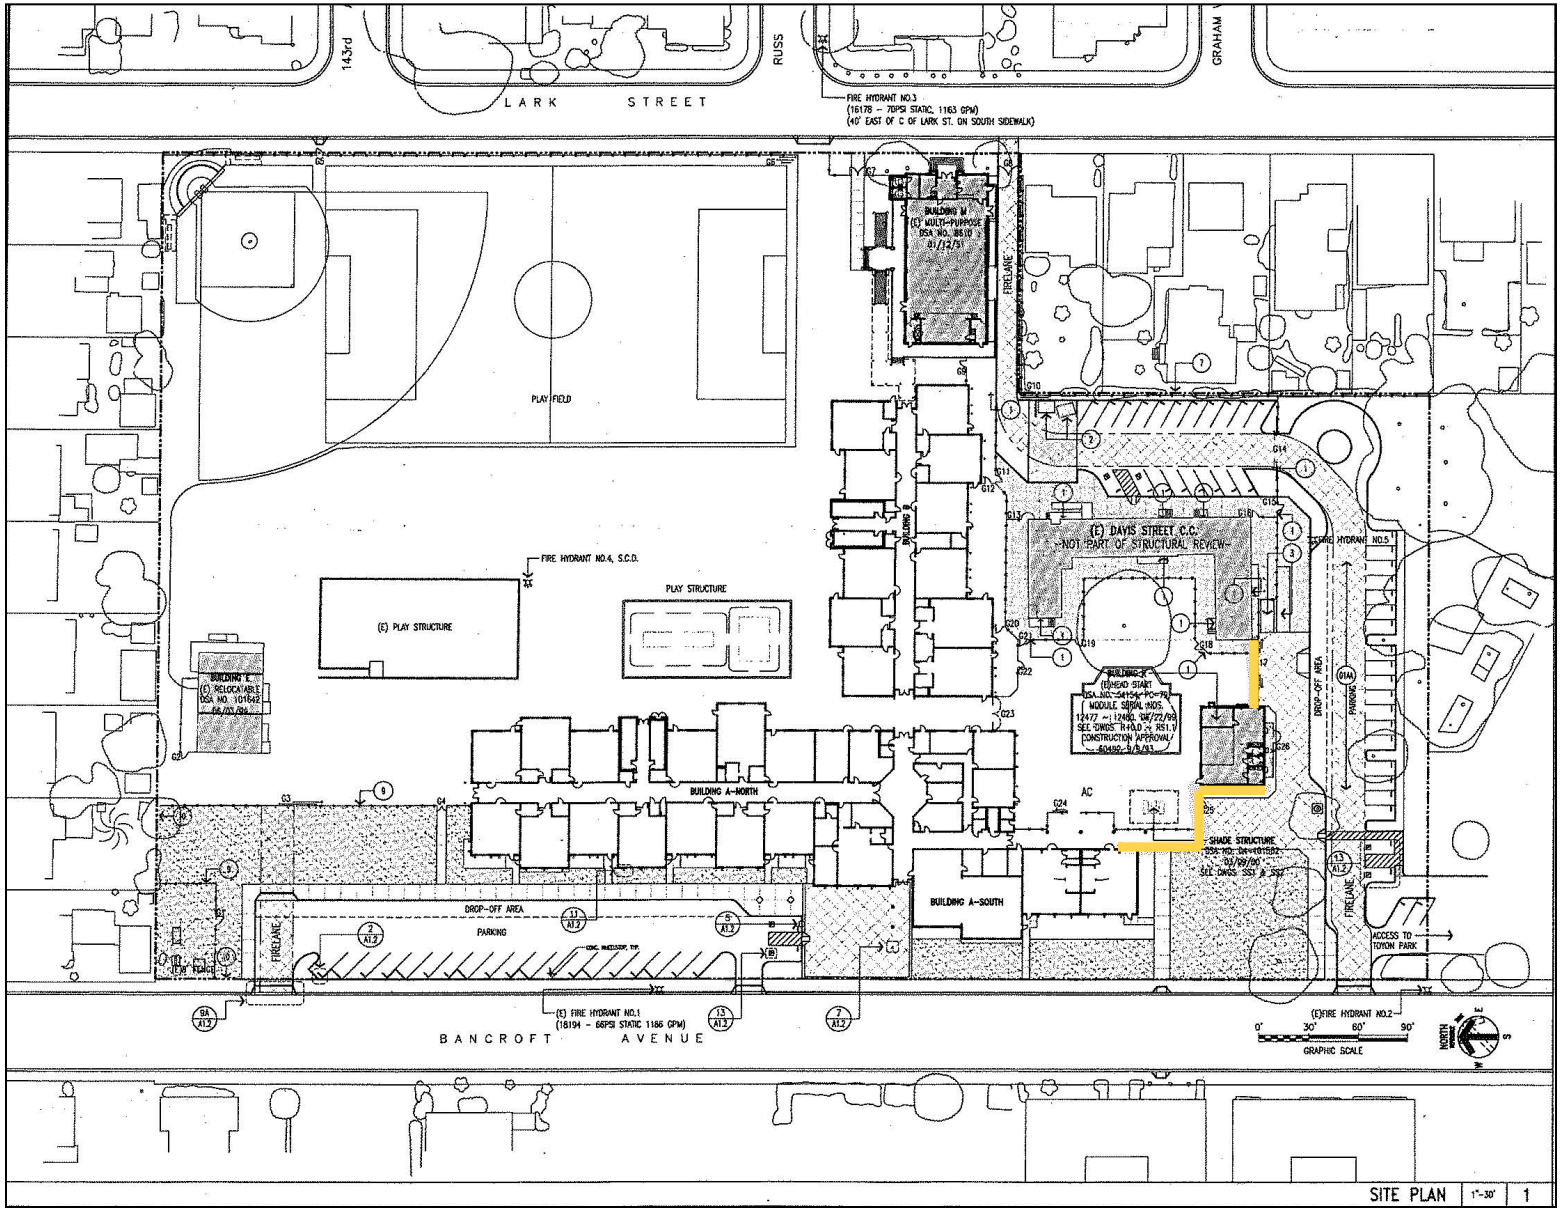

These designs will also require administrative services for processing through Division of the State Architect (DSA).

Color code:

yellow = ornamental fencing

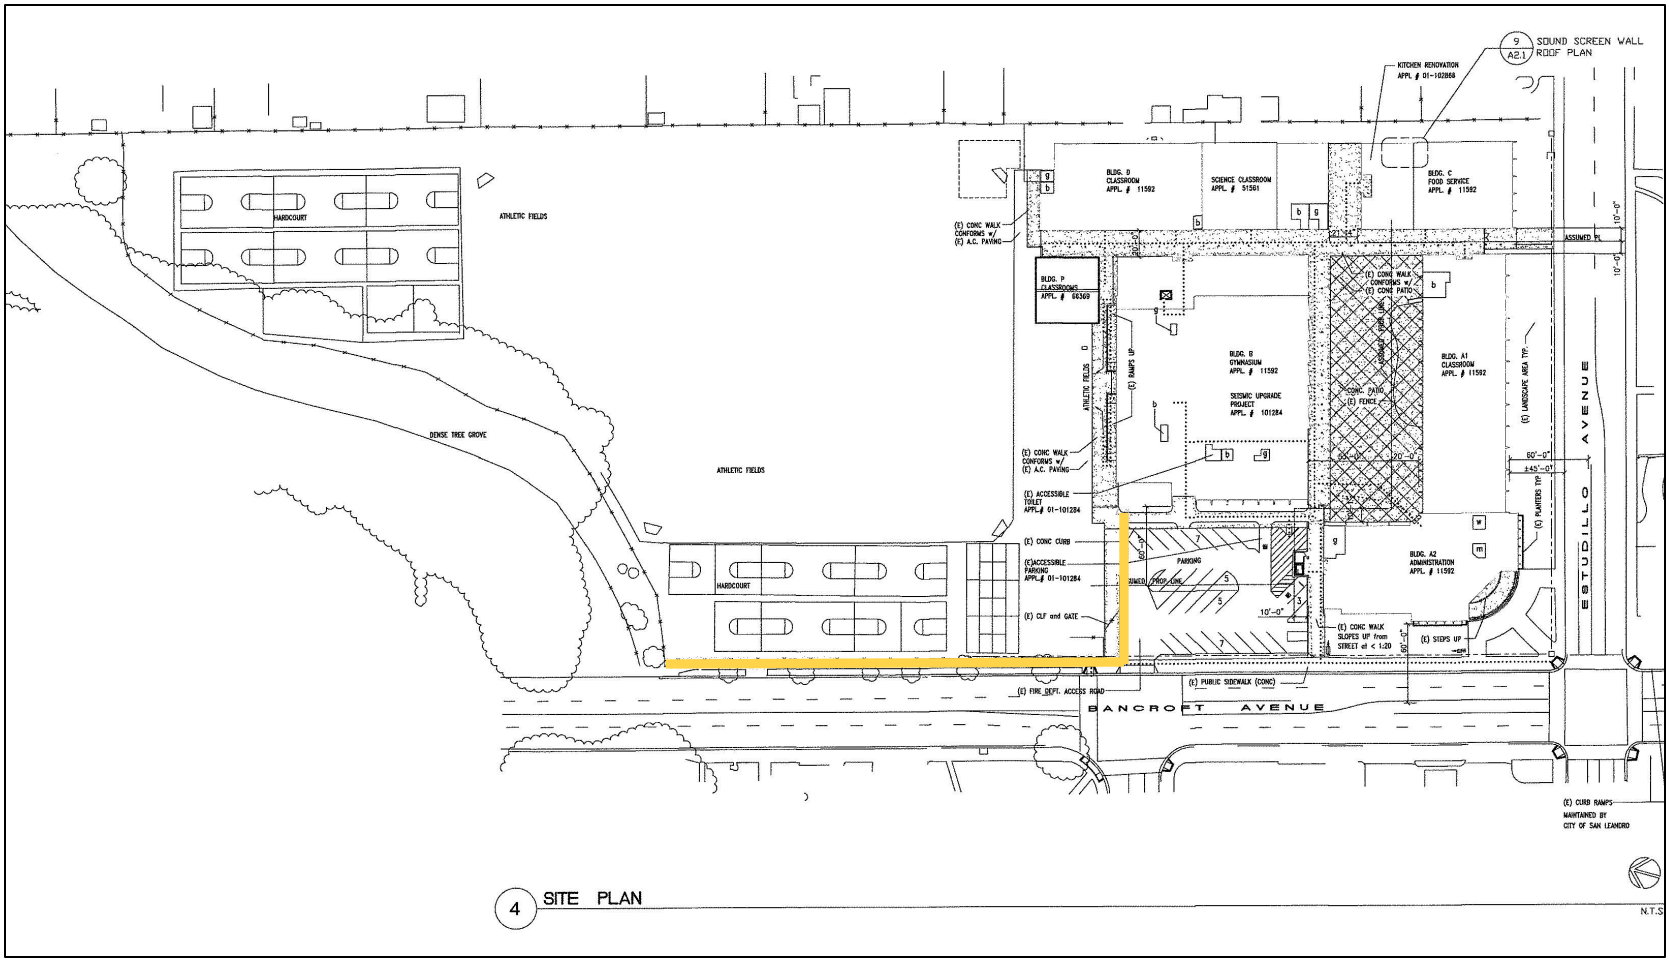

green = chain link fencing

Measure B is a $109 million school facilities bond approved by San Leandro voters in 2006, and Measure M is the $50.1 million school facilities bond approved in 2010.

Fencing Project: Curbside Appeal *and* Safety Community Outreach Plan (in Development)

Goals & Objectives:

- Robust and inclusive, engaging all stakeholders
- Generate excitement about the project
- Address concerns and mitigate any community complaints
- Celebrate our successes and reinforce the importance of continued investment in our schools
