Memorandum of Undersanding
San Leandro Education Foundation
AND
San Leandro Unified School District

For
Memorandum of Understanding for C-STEM Girls in Robotics Leadership Camp and SLUSD Robotics Enrichment Camp.

June 15th, to July, 30th, 2015

I. Purpose

This Memorandum of Understanding (MOU) is entered into by and between San Leandro Unified School District and San Leandro Education Foundation to define the relationship between implementation of the C-STEM Girls in Robotics Leadership Camp and San Leandro Unified School District Robotics Enrichment Camp.

II. Background

San Leandro Education Foundation is an independent not-for-profit 501(c)(3) organization founded in 2008, which is dedicated to raising resources and improving the lives and education of children in the San Leandro Unified School District. SLED's supporters include parents, community members, elected officials, educators and business leaders who share the belief that strong public schools are essential to our quality of life and the future well-being of our city.

SLED's role is to serve as a bridge for those in the community who want to invest in our children and schools and the future of the San Leandro community by providing opportunities and mechanisms to leverage valuable resources where they are needed the most.

San Leandro Unified School District is offering enrichment summer school opportunities for middle school students. The Curriculum focuses on robotics, principles of engineering, programming in C, leadership skills, and teamwork. The camps will be for girls entering grades 7 and 8, and for students entering 6th, 7th, or 8th grade.

III. Statement of Work

A. Summary of Planned Activities
   1. This cooperative agreement will build the capacity of San Leandro Unified School District to develop and implement the UC Davis C-STEM Camp curriculum.

2. The Girls in Robotics Leadership camp is focused on motivating girls in middle school through peer mentoring to learn science, technology, engineering, and math (STEM) concepts through a fun and exciting robotics-based curriculum. The girls learn leadership skills and communication skills.
3. The SLUSD summer enrichment robotics camp will also use UC Davis STEM Camp Curriculum.

B. SLED will provide supporting funds: See Attached

C. SLUSD will

- Provide location, teachers and training for the Robotics Curriculum

IV. Term

The term of this MOU is from June 15th to July 30th, 2015.

V. GENERAL PROVISIONS

Either party may terminate this MOU by giving 30 days' written notice to the other party. The notice of termination should specify the effective date of termination.

This MOU is not effective until signed by both parties.
