Re: Student Teacher Agreement

Dear Superintendent:

A revised student teaching agreement between the Regents of the University of California, on behalf of its Graduate School of Education, at UC Berkeley, and your school district is enclosed. Because our current agreement with your district expires 7/31/2015 we're sending you this renewal, which is effective through 7/31/2020.

Upon review and signature on behalf of San Leandro Unified School District, please return a copy of the agreement to my attention (a faxed copy is acceptable). Once the agreement has been signed by our Business Contracts Office we will send you a copy of the fully-executed agreement for your records. Also, if you have a staff person responsible for processing school-university contracts please let us know. Space is provided below for your convenience.

If you have any questions, please contact me at (510) 642-3726 or paulc@berkeley.edu. Thank you.

Sincerely,

Paul Cunningham
Administrative Assistant

THIS AGREEMENT is made and entered into on 8/1/15 between The Regents of the University of California on behalf of its:

Graduate School of Education
University of California, Berkeley
1501 Tolman Hall #1670
Berkeley, CA 94720-1670

hereinafter referred to as the **"University"**; and

San Leandro Unified School District
835 E 14th Street
San Leandro, CA 94577
Attention: Mark Martinelli, Associate Superintendent
mmartinelli@slusd.us

hereinafter referred to as **"the District"**.

1. The term of this Agreement shall be from 8/1/2015 through 7/31/2016 and thereafter shall be automatically extended for a period of one year not to exceed a total of five (5) years, unless terminated by either party upon a minimum 60-day advance written notice to the other party.

2. The District shall provide teaching experience through student teaching in schools and classes of the District in terms of "semester units" for students of University possessing valid preliminary certificates and assigned by University to student teaching in schools or classes of the District.

3. Such student teaching shall be provided in such schools or classes of the District and under the direct supervision and instruction of such employees of the District, or as the District and University through their duly authorized representatives, may agree upon.

4. The District may, for good cause, refuse to accept any student of the University assigned to student teaching in the District, and upon request of the District, made for good cause, University shall terminate the assignment of its student to student teaching in the District.

5. **"Student teaching"** as used herein and elsewhere in this Agreement means active participation in the duties and functions of classroom teaching under the direct supervision and instruction of permanent or probationary employees of the District holding valid credentials issued by the State Board of Education of California or the California Commission on Teacher Credentialing, other than emergency permits or provisional credentials, authorizing them to serve as classroom teachers in the schools or classes in which the student teaching is provided.

6. The number of semester units of student teaching to be provided for each student of University assigned to student teaching under this Agreement shall be determined by University.

7. An assignment of a student of University to student teaching in schools or classes of the District shall be at the discretion of University, but a student may be given more than one assignment by University to student teach in such schools or classes.

8. The assignment of a student of University to student teaching in the District shall be deemed to be effective for the purpose of this Agreement as of the date the student presents to the proper authorities of the District the assignment card or other document given him or her by University effecting such assignment, but not earlier than the date of such assignment.

9. University shall pay the District for performance of the services required under this Agreement at the rate of $10.00 per semester unit of student teaching.

10. In the event the assignment of a student of University to student teaching is terminated by University for any reason, the District shall receive payment on account of such student as though there had been no termination of the assignment, except that if such assignment is terminated before one half of the term of the assignment has elapsed, the District shall receive payment for one half of the assignment only. If University assigns a student to another teacher of the District after an assignment has become effective; this shall be considered for payment purposes as an entirely new and separate assignment.

11. Absences of a student from assigned student teaching shall not be counted as absences in computing the semester units of student teaching provided the student by the District.

12. Within a reasonable time following the close of each semester of University, the District shall submit an invoice in triplicate to University for payment, at the rate stipulated in Provision 2 above, for all student teaching provided by the District under and in accordance with this Agreement during said semester. The District shall attach to the invoice a certificate in triplicate, executed by a duly authorized representative of the District certifying that the District expended or became obligated to expend in providing such student teaching an amount no less than the amount of the invoice. University will pay the amount of such invoices promptly upon receipt from the District.

13. Notwithstanding any other provisions of this Agreement, details, such as maximum number of students and units and the distribution of assignments of said students to training levels, shall be arranged by and between University and the District; it being understood that the District shall not be obligated to accept assignments of training students beyond the ability of the District within its established teacher training program, to effectively provide services pursuant to this Agreement, and further, that University shall not be obligated to pay the District any amount in excess of that provided for under the terms of this Agreement.

14. University's student shall be responsible for providing $1,000,000 in general liability insurance, to be in effect when the student is teaching at District's schools.

15. The District shall defend, indemnify, and hold harmless University, its officers, employees, and agents, from and against all losses, expenses (including attorneys' fees), damages, and liabilities of any kind resulting from or arising out of this Agreement and/or District's performance hereunder, provided such losses, expenses, damages and liabilities are due or claimed to be due to the negligent or willful acts or omissions of District, its officers, employees, agents, subcontractors, or anyone directly or indirectly employed by them, or any person or persons under District's direction and control.

16. The UC Grad School of Education (GSE) will create and provide an annual report for the district that focuses on describing GSE's local impact. To support the GSE's reporting, the district will provide a list of all of their current certificated administrators including their names, positions, and site locations. The list will be provided once per year when requested by GSE staff. In addition, the district consents to being named as a partner district in all GSE informational documents and reports.
