To provide services on a contractual basis for San Leandro USD based on the following terms and conditions:

Scope of Work: This is a five-day training for Critical Friends Group® Coaches for one facilitator and up to 15 participants. This training will focus on teaching participants how to increase student achievement through professional collaborative learning communities. By the end of the training, participants will have learned to improve student learning, create equity in the classroom, increase efficient, effective communication and enhance personal performance through the use of protocols and reflective practice. *Participants who complete the full training will become certified NSRF® CFG® Coaches equipped to start and lead Critical Friends Group meetings and to use NSRF protocols with others. They **will not** be certified to train others to become CFG coaches.*

Term of Contract: March 7-11, 2016

Rate of Pay: $12,512.50 to be paid to Harmony Education Center within 30 days upon completion of the training for San Leandro USD . (If agreed money has not been paid to Harmony Education Center after 60 days upon completion of training, San Leandro USD will be charged late fees of 1.5% per month.)
