NOTES: Quote is for informational purposes only. A completed contract for PD services is required to confirm all events. All dates are subject to availability.

Training fees listed here are inclusive of travel, printing, and participant materials. The session rate of $4,300 applies to an adjacent day of training for which additional travel is not required. These prices are subject to change due to trainer availability. Changes to the scheduled dates will require a contract amendment for which the full fee of $5,200 per day may apply.
