February 1, 2016

Dr. Reginald Richardson
Principal
San Leandro High School
2200 Bancroft Avenue
San Leandro, CA 94577

Dear Dr. Richardson:

The Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC) announces the action taken at the Winter 2016 Commission Meeting. The ACS WASC Commissioners have determined San Leandro High School meets the ACS WASC criteria for accreditation. This accreditation status is based on all of the information provided by the school, including the school's report, and the satisfactory completion of the on-site accreditation visit.

It is the decision of the Commission to grant three additional years of accreditation status through June 30, 2019. Your school's next self-study visit will take place in 2019.

Accreditation status is conditioned upon San Leandro High School's continued adherence with the ACS WASC policies, procedures, and criteria for accreditation. This includes a requirement that an accredited school annually contribute members to participate on visiting committees. Failure to maintain compliance with said policies, procedures, and standards is grounds for modification and/or withdrawal of the accreditation.

The Commission looks forward to San Leandro High School's anticipated success and continuing improvement in keeping with ACS WASC's pursuit of excellence in elementary, secondary, and adult education.

Sincerely,

Damon Kerby
Commission Chairperson
