LINCOLN ALTERNATIVE EDUCATION CENTER

Board Presentation

May 24th 2016

PROGRAMS

- 1. Academics
- 2. Career Pathways
- 3. Job Placement/Training Programs
- 4. Extra- Curricular Activities
- 5. Social and Emotional Support

OVERVIEW

- Approximately 140 students attend Lincoln High School
- Students must be 16 years old and credit deficient
- Students must have 200 credits to graduate, compared to 220 from San Leandro High School

BENEFITS

- Smaller school population
- Smaller staff to student ratio
- Students state that there is less drama
- Flexible schedule
- Differentiated Instruction based on students needs

GOALS FOR STUDENTS

- Graduate High School
- Work to bridge educational gaps
- Set students on a path to career success, not just a job
- Build relationships and positive interactions with adults
- Develop confidence

HIGHLIGHTS FROM THIS YEAR

- Field trip to Chabot College
- Field trip to Laney College
- Culinary course
- Universal Technical Institute (UTI) presentation
- Cosmetology School presentation
- Para-Professional course from San Leandro Adult School
- Basketball Team won the Fall Championship
- Soccer Team competing for championship
- Implemented more opportunities for credit recovery using online credit program
