All providers of services to the San Leandro Unified School District ("District") are required to comply with the terms and conditions of this Required Certifications Agreement ("Agreement"), which is incorporated into and made a material condition and provision of all agreements for services. Failure to comply with these terms and conditions constitutes grounds for immediate termination of any agreement for services between any Agency/Consultant/Contractor (hereafter referred to as "Consultant") and the District. The undersigned Consultant has the responsibility to make a reasonable determination of whether an employee/agent/volunteer/subconsultant and/or other authorized representative (each, a "Consultant provider") will have more than limited contact with pupils, and therefore requires a criminal background check. To make this determination, Consultant shall consider the totality of the circumstances, including factors such as the length of time the person will be on school grounds, whether the person will be in proximity with pupils, and whether the person will be alone on school grounds or will be constantly supervised by a person who has passed a criminal background check. As an example, note that any counselor, instructor or care provider in a group or individual setting will be considered to have "more than limited contact."

Criminal Background Clearance: Consultant shall, in connection with each Consultant provider comply with the provisions of Education Code §45125.1, including, but not limited to obtaining clearance from both the California Department of Justice (CDOJ) and the Federal Bureau of Investigation prior to providing Services to any District student. Consultant shall not permit any Consultant provider to have any direct contact with District pupils or families until after Consultant certifies in writing to the District that such Consultant provider has not been convicted of a violent or serious felony, as contemplated in the Education Code. Consultant shall also make a request for subsequent arrest service from the CDOJ as required by California Penal Code Section 11105.2.

Tuberculosis Clearance: Each Consultant provider must show evidence of negative tuberculosis (TB) test results, as described in, and within the timeline prescribed by, Education Code §49406, before having contact with District students or families. Consultant shall maintain on file the certificates from the examining physicians and surgeons showing that each Consultant provider was examined and found free from active tuberculosis. These forms must be maintained and updated by Consultant, and be available to the District or any designated agency upon request or audit.

Cost: Consultant shall be responsible for all costs related to fingerprinting and TB testing. Consultant shall provide the District with Certifications, in the form attached to this Agreement (Page 2), covering each and every Consultant provider.

Effective Date: This agreement shall be dated and in full force and effect on the date signed by the District, as indicated below.

No Other Changes; All provisions of this Agreement not specifically changed herein remain in full force and effect. This Agreement, constitutes the full agreement and understanding of the Parties with respect to the matters therein and herein contemplated.

Execution: The person(s) executing this Agreement on behalf of the Consultant warrants and represents that Consultant has vested authority on such person(s) to execute and deliver this Agreement and to perform the services contemplated hereunder and further agrees that this Agreement is a material condition of any and all agreements for services between Consultant and the District.
