D.1. Report on Closed Session Action

Minutes:
To approve a settlement agreement with a certificated employee and accept the resignation of the employee as part of the agreement by a 6-0 vote. The motion was moved by Trustee Gonzalez and seconded by Trustee Tate.

To approve payment of liability claim #527749 by a 6-0 vote. The motion was moved by Trustee Prola and seconded by Trustee Tate.

To reject payment of liability claim #530613 by a 6-0 vote. The motion was moved by Trustee Gonzalez and seconded by Trustee Sheridan.

To appoint Sally Lewis as interim principal at Wilson Elementary School by a 6-0 vote. The motion was moved by Trustee Gonzalez and seconded by Trustee Vo.

D.2. Pledge of Allegiance

Minutes:
Vice President James led the audience in the pledge of allegiance.

D.3. Approval of Agenda

Motion Passed: Passed with a motion by Monique Tate and a second by Evelyn Gonzalez.
Yes Evelyn Gonzalez
Yes Lance James
Yes Diana Prola
Yes Leo Sheridan
Yes Monique Tate
Yes Ashley Vo

E. LEGAL STATEMENT

F. PUBLIC TESTIMONY ON NON-AGENDA ITEMS

Minutes:
Mr. Jerry Heverly, is a first year 11th grade English Teacher at the high school. He commented that his junior students will take nine tests with a variety of

names throughout the school year and he has no input as to the timing and selection of these tests. These tests will occupy approximately 18 days, 10 percent of the school year. Each time he gives these tests he enters a moral dilemma. He could enter the scores into his grade book but since these tests are not part of his grading curriculum he cannot bring himself to enter these test scores. He informs his students that these test have no bearing on passing his class and they are not part of his teaching curriculum. Most students attempt to do well on these test but 10% do not participate. Mr. Heverly feels that these test undermine his relationship with his students. Students ask why are they taking these test and he is evasive in his answers. Jerry Heverly believes that there is a cost that the District pays for these tests. He also feels that by April when students are suppose to do well on these tests that they are so burnt out, so cynical and tired of testing that their performance will suffer. He stated that no one admires the Superintendent and Assistant Superintendent more than him, they turned this district into one of the best in the state. Jerry Heverly feels that he finds himself in a perverse system that tends to ignore him, his colleagues and his students. He can testify that the 11th grade English teachers at SLHS want to do the right thing but they feel this is not it.

G. RECREATION & PARKS COMMISSION REPORT

Minutes:
There was no Recreations & Parks Commission report.

H. PRESENTATIONS

H.1. California Interscholastic Federation (CIF) & Athletic Department Update

Minutes:
Jason Strickland, Athletic Director for San Leandro Unified School District, reported on the California Interscholastic Federation (CIF) and the current concussion prevention/treatment for the school district. He summarized procedures that he is implementing at San Leandro High School, Bancroft and John Muir Middle schools.

Jason began his presentation reporting on the CIF education efforts that are in place to prepare our coaches and to keep our students safe on the athletic fields. All coaches must complete fundamentals of coaching, signs and symptoms of concussions, sudden cardiac arrest, first aid CPR and AED training prior to starting.

Jason annually attends the athletic director's conference in April. Approximately 500 to 600 athletic directors throughout the state of California attend this conference. He takes classes such as leadership, sexual harassment, gender equity and hazing at this conference.

Free courses are available on our website for parents from the National Federation of High School Sports website. Examples of some of the courses available are information on concussions, sudden cardiac arrest and sportsmanship. This information is being promoted at all parent meetings.

Gender Equity and Title IX. Last year there were 356 females and 470 male athletes. 43% female to 57% male athletes, which includes 122 football players. Title IX requires that schools have a coordinator which is usually the athletic director and the administration who verify they are in compliance and currently we are in full compliance. There is a three prong test that states that whatever the overall population is you must be within five percent of the population. Our population for female students is at 48% and we are at 43% for female athletes, which makes us within five percent.

History and Continuing Practice. This year a freshman volleyball team was added for the first time. JV girl's tennis and golf have also been added. This spring Jason is trying to start a girls and boys lacrosse team. Girl's water polo has not been successful for the past two years and Jason will again attempt to start a team for next school year. The district continues to promote female sports.

A student interest survey is available on our website. This year Jason Strickland would like to add more information regarding equitable experience for students on the website.

Levels of Competition. Currently there are three boys basketball and soccer teams. If there are three boys teams you should also have three girls teams. Efforts have been made to have more girls basketball and soccer teams, unfortunately the numbers are not there. Recruiting efforts are in place to attract more girls to participate in sports.

Equivalence and Benefits. Athletic equipment, locker rooms, fields, fences, game and practice times and travel benefits are now the same for both boys and girls sports, including having the same bus transportation. Jason would like to see more women coaches. All classified coaches, male or female who coach any sport are now paid the same except for SLTA members.

Publicity. Changes have been made in the sports schedule so that the athletic trainer can be at more sports events this school year. The pep squad now cheers at both boys and girls games and the band is also expected to play at both boys and girls sports.

Health and Safety. Concussion education has been an important topic these past few years. This year there have been many Senate and Assembly bills approved and the majority of the information has to do

with contact sports. Concussions can occur in many different types of sports. This winter Jason plans to pilot a program called Sudden Impact Testing. This program will start with the basketball and soccer teams. Players will start with a cognitive test that scores them at a base level. If a player were to have a concussion they could only return when they reach their starting base level. Many schools currently use this baseline testing. The CIF is considering requiring this type of testing for all schools.

Jason Strickland is working with the district to develop an emergency action plan for after school programs. Currently there are no emergency plans for any after school activities and he is working on implementing a plan this school year.

Hazing, bullying and social media have been hot topics. All athletes were given information on hazing and bullying. At the coaches preseason meeting all coaches were required to watch a hazing video. Athletes were also given information on the negative impact that social media can have on them.

H.2. Presentation on the elementary Two Way Bilingual Immersion (TWBI) Program for the 2017-2018 school year

Minutes:
Dr. Zarina Zanipatin, Assistant Director, Teaching, Learning and Educational Equity department gave an overview on the implementation on the Two-Way Bilingual Immersion (TWBI) plan. She began her presentation providing information on the history of bilingual programs. With the passage of proposition 58 districts in California now have the opportunity to start implementing more dual language immersion programs. San Leandro School District has a strong commitment to bilingual education. We offered and still offer bilingual alternative programs at Washington, Jefferson and Wilson Elementary schools. In July CDE will come out with guidelines for proposition 58 and districts will be able to erect and start promoting the implementation of more dual programs.

Two years ago the district started an EL Design work group and a master plan was developed for a two way immersion program. Dr. Zanipatin gave an overview on the Two-Way Bilingual Immersion program. She provided information on the 80/20 model Spanish/English program and the district is considering this model. Students who are enrolled in a dual language program out performed students that are participating in an English only program. The Late Exit Bilingual program is the second program that yields high academic scores. These two programs are currently used at our elementary schools.

Washington Elementary School has been selected for this program since it meets the criteria. The criteria that was looked at was: location, parents educated on the program, an administrator that is committed and can support the program, teachers that are properly credentialed and are also committed to the program and students that are excited to learn two languages. Another reason that Washington Elementary was selected was back in 2005 a group calling themselves "Friends of Washington" formed a dual immersion study group. This group did extensive research on a program that they wanted to start and a feasibility study was also conducted. Some of the next steps are to develop a teacher planning committee, educating the community on the program, determining goals and expectations, looking at selecting curriculum resources, training existing staff regarding the program and working closely with the district's central enrollment department. The anticipated date to launch this program is next school year and it will begin with kindergarten.

H.3. Federal and State Accountability Update Presentation

Minutes:
Rabinder Mangewala, Director, and Ruben Aurelio, Assistant Director, of the Technology, Assessment, Research and Evaluation Department presented the results of the administration of the 2015-2016 Smarter Balanced Assessment Consortium state accountability test for the San Leandro Unified School District. Director Rabinder Mangewala stated that No Child Left Behind has been replaced with Every Student Succeeds Act (ESSA). He went over the new indicators regarding accountability. There are 10 indicators to measure performance. Six state indicators and four local indicators. The six state indicators are: College and Career, Academics, Chronic Absenteeism, Graduation, English Learner and Suspension. The four local indicators are: Basic Conditions, Parent Engagement, Implementation of Academic Standards and School Climate. These indicators are referred as the LCFF Evaluation Rubrics. The county office will be working directly with districts to help determine how well they are doing with their LCAP. Systemic alignment is now the same across the state. Four of the six state indicators have been defined and are in place, but the four local indicators are a work in progress. It will take approximately two years for these indicators to be in place. Changes are currently taking place with CalPads.

Ruben Aurelio, Assistant Director went over the graduation status. Two years of information was presented; a base line year and a growth year.

Mr. Mangewala commented on the Dashboard that will be released by the State. There is no date as to when this information will be released. His department will work on predicating where they will fall when the Dashboard is released.

H.4. 2015-2016 Smarter Balanced Assessment Consortium Results Presentation

Minutes:
Rabinder Mangewala, Director, and Ruben Aurelio, Assistant Director, of the Technology, Assessment, Research and Evaluation Department presented results of the administration of the 2015-2016 Smarter Balanced Assessment Consortium state accountability test for the San Leandro Unified School District. Director Rabinder Mangewala began his presentation going over the data highlights and the areas where there has been positive improvement and areas where we need to continue to show growth. This is the first year where growth results are available. He went over the English Language Arts results. 75% of our Elementary and Secondary schools demonstrated positive growth, 50% of our Elementary schools demonstrated double-digit growth and third grade demonstrated double-digit growth. He went over the growth charts for each school, for grades third through eleventh, for the entire district and for each ethnic group.

Ruben Aurelio, Assistant Director, presented information on Mathematics results. 75% of our elementary schools and secondary schools demonstrated positive growth, 50% of elementary schools exceeded state average for growth and third grade demonstrated double-digit growth. He also went over the growth charts for each school, for grades third through eleventh, for the entire district and for each ethnic group.

H.5. Certification of Appreciation

Minutes:
Vice President James presented Trustee Vo with a certificate of appreciation.

I. REPORTS

I.1. Correspondence

Minutes:
Trustee Sheridan read several correspondence documents sent to him through November 15, 2016.

I.2. Student Board Member Report

Minutes:
Student Board member Erica Dazo provided an update on activities and events that took place at the high school:

1. Several Interact volunteers helped run the Halloween carnivals at Jefferson, Madison and Washington Elementary schools.

2. Almost Maine, the fall production had their final performance this past weekend.

3. The marching band received a sizable donation at their last home game, Nov. 4, 2016.

4. The DECA club began hosting their annual Take a Can, collecting nonperishable cans to give to families for Thanksgiving.

5. The Business Academy student store is now opened before and after school.

6. Due to at the outcome of the presidential election three hundred students protested peacefully.

7. Latinos Unidos held their annual Dia De Los Muertos event.

8. Currently they are working on putting together a list of ways to recognize their fellow Pirates at their recognition assembly.

9. This week is their Thankfulness week. The BLC Health Education Action Team will be hosting lunch time activities focusing on mental health and stress relief.

I.3. Union Representative Reports

Minutes:
Jon Sherr, SLTA President, started his presentation stating that he wanted to highlight some of the successes that occurred throughout the district.

1. SLTA and District negotiations reopener were successfully concluded.
2. The passage of Proposition 55 and Measure J1.
3. Jon commented on the passage and the importance of Measure J1. He spoke regarding the infra structure problems in the classrooms. Unbearable heat during the summer and the cold temperature during the winter. He stated that this has been an ongoing problem over the years. There were opportunities to deal with these problems over the years, but there was no leadership to take the necessary steps. He thanked Superintendent Mike McLaughlin for his leadership and vision for having this happen; without Mike's leadership we would be waiting for another election.
4. SLTA is currently working on calendar surveys and the reopener for next year’s overall contract.

Again, he thanked Mike for his vision and leadership, the Board, the community, teachers and parents for making this happen.

There were no other union reports.

I.4. Cabinet Reports

Minutes:
All Cabinet members provided brief updates on recent events in their respective departments.

I.4.a. Superintendent

I.4.b. Deputy Superintendent, Educational Services

I.4.c. Assistant Superintendent, Human Resources

I.4.d. Assistant Superintendent, Business & Operations

J. BOARD COMMITTEE REPORTS

Minutes:
The Board of Trustees summarized various events taking place on their respective committees.

J.1. Communication/Advocacy

J.2. Curriculum/Policy

J.3. Facilities & Technology

J.4. Finance

J.5. Drug, Alcohol, Tobacco Education (DATE)

K. BOARD REPRESENTATIVE REPORTS

Minutes:
The Board Representatives summarized various events and activities affiliated with their designated associations.

K.1. Alameda County School Boards Association

K.2. Eden Area Regional Occupational Program

K.3. Mid-Alameda County Sp. Ed. Local Plan Area

K.4. City Disaster Preparedness Council

K.5. California School Boards Association

L. CONSENT AGENDA

Motion Passed: Passed with a motion by Evelyn Gonzalez and a second by Leo Sheridan.

Yes Evelyn Gonzalez
Yes Lance James
Yes Diana Prola
Yes Leo Sheridan
Yes Monique Tate
Yes Ashley Vo

L.1. General Services

L.1.a. Previously Approved Contracts for Amounts $10,000 or less for Fiscal Year 2016-2017

L.1.b. Board Meeting Minutes - October 11, 2016

L.1.c. Acceptance of Gifts and Donations

L.1.d. Resolution No. 16-48 to Declare Certain Equipment Surplus and/or Obsolete

L.2. Human Resources

L.2.a. Personnel Report

L.2.a.I. Certificated Personnel Report

L.2.a.II. Classified Personnel Report

L.2.b. Revised Teamster/Trades calendar for 2016-17 school year

L.2.c. Student Teaching agreement with California State University, East Bay

M. ACTION/DISCUSSION ITEMS

M.1. General Services

M.1.a. 2017 California School Boards Association (CSBA) Delegate Assembly Nominations

Minutes:
Trustee Prola was nominated for the California School Boards Association (CSBA) Delegate Assembly.

Motion Passed: To nominate a Board Trustee to the 2017 California School Boards Association Delegate Assembly. Passed with a motion by Leo Sheridan and a second by Evelyn Gonzalez.
Yes Evelyn Gonzalez
Yes Lance James
Yes Diana Prola
Yes Leo Sheridan
