Re: Facility Use Fees for Pac 1 and Pac 2

As you know, the district has taken back responsibility for field maintenance and rental for Pac 1 and Pac 2. The city notified us that they were handing over the fields as of January 27.

Our district's current adopted fee schedule does not include field rental rates at Pac 1 and Pac 2. The district is proposing that we adopt the city's current fee schedule for both fields through June 30, 2017. The fee schedule would include using the city's group designations.

Continuing with the city's current fee structure will minimize disruption for current user groups and allow the district time to review all district fees. We anticipate bringing a comprehensive fee update to the Governing Board later this year.

Current hourly City of San Leandro fees for Pac 1 and Pac 2:

Field Rental	**Lights**	**User Group**
$ 5	$ 5	SL Youth Non-Profit
$20	$17	SL Non-Profit
$20	$26	Residents
$30	$26	Non-Residents
$30	$30	SL Businesses
$35	$30	Non-SL Businesses

All rates are hourly, with a two hour minimum. Any additional fraction of an hour is rounded up. The city currently offers a base rental and prep service for an additional fee. The district would not offer that service.

District fees for other services such as a Community Service Attendants and supplies would apply.

There would be no charge for district sponsored activities.
