Proposal submitted to	San Leandro Unified School District/McKinley Elementary	Date	10/9/16
Street	13050 Aurora Drive	Phone Number	510-507-0926
City, State, Zip	San Leandro CA 94577	Email	gdyer@sanleandro.k12.ca.us
Contact Name	Greg Dyer	Job Location	Bancroft Middle School

We hereby submit specifications and estimates for the following work:	Item Cost
Grove of Blum Gum Eucalyptus and 1-Coast Live Oak, along west fence line, bordering the San Leandro Creek and School	
Prune to push back canopies and branches to behind fence line. Remove tree trunks and branches leaning on fence to	
be pruned back behind fence line. Prune to reduce end weight on trees with branches high above fence and black top area	
to prevent breakage. Prune trees for safety to prevent branches from cracking and breaking on to school play area.	
Prune ivy back to fence on far west fence line.	
Estimated cost, not to exceed:	$24,000.00
Please Note:	
Since its hard to determine how many trees are causing a potential safety risk, the work needs to be done in sections,	
where we prune the first layer of trees along the fence line and then evaluate if the next layer of trees inside the fence	
need to be pruned. We will bill the work out at a cost of $3000 per day and not to exceed the $24,000 estimated budget.	
All pruning and removal debris will be hauled away from the property.	
We propose to furnish all labor and material in accordance with the above specifications for the sum of:	**Total Cost** **$24,000.00**

All work is to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from specifications involving extra time will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon accidents or delays beyond our control. We assume the responsibility for personal liability, property damage and workers' compensation during the performance of this work.
