RESOLUTION NO. 17-28

WHEREAS, Section 45132 of the California Education Code permits a Governing Board to establish four-consecutive-day work week where: 1) due to the work location and duties performed, the employees' services are not required for five consecutive days; and 2) the change in workweek has the concurrence of the concerned employees and/or class of employees.

WHEREAS, the Governing Board of the San Leandro Unified School District has determined that by reason of the work location and duties actually performed by the following classes of employees that, during the period June 16, 2017, through August 4, 2017, their services are not required for a workweek of five consecutive days:
