San Leandro Unified School District

Attn: Rob Mangewala

SUBJECT: Eureka Math Curriculum, K-12

San Leandro Team,

Thank you very much for allowing me to put together the proposal for San Leandro Unbified School District; as it relates to Office Depot providing the Eureka Math consumables for grades K-12. I have used the information you shared with me in our meeting to put together the proposal attached. Key elements and service components of the pricing schedule include:

- Assembly, labeling, and packing services are included in the quoted prices.
- Delivery to central warehouse or individual school sites at no additional charge.
- Government approved contract pricing through TCPN.
- All production through closed-door based printing centers.

• Student Materials - Total delivered cost including tax : $222,659.02

Attached you will find the details and student counts for this proposal.

Kind regards,

Leslie Howell

Instructional Materials Consultant
