Philosophy, Goals, Objectives, and Comprehensive Plans BP 0100(a)

PHILOSOPHY

In order to establish and support a guiding vision for the district, the Governing Board shall develop, articulate, and regularly review an overarching set of fundamental principles which describe the district's core beliefs, values, and tenets. The Board and district staff shall incorporate these principles into all programs, activities, and operations of the district.

(cf. 0000 - Vision)
(cf. 0200 - Goals for the School District)
(cf. 0460 - Local Control and Accountability Plan)
(cf. 9000 - Role of the Board)

It is the philosophy of the district that:

1. All students can learn and succeed.

2. Every student should have an opportunity to receive a quality education regardless of his/her social, cultural, or economic background.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

3. Every student in the district has a right to be free from discrimination, harassment, intimidation, and bullying, as prohibited by law or district policy.

4. The future of our nation and community depends on students possessing the skills to be lifelong learners, collaborative and creative problem solvers, and effective, contributing members of a global and technologically advanced society.

5. Highly skilled and dedicated teachers and educational support staff have the capacity to guide students toward individual achievement and growth, and have a direct and powerful influence on student learning and life experiences.

6. A safe, nurturing environment and positive school climate are necessary for learning, academic achievement, and student development.

(cf. 5131.2 - Bullying)
(cf. 5137 - Positive School Climate)

7. Parents/guardians have a right and an obligation to be engaged in their child's education and to be involved in the intellectual, physical, emotional, and social development and well-being of their child.

(cf. 6020 - Parent Involvement)

8. The needs of the whole child must be addressed, as the ability of children to learn is affected by social, health, and economic conditions and other factors outside the classroom.

9. Early identification of learning and behavioral difficulties and timely and appropriate support and intervention contribute to student success.

10. Students and staff are encouraged and motivated by high expectations and recognition for their accomplishments.

11. School improvement is a dynamic process requiring flexibility and innovation to meet the needs of students in a changing world.

12. Professional development for the Board and district staff is essential for the growth and success of the district and its students.

(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)
(cf. 9240 - Board Training)

13. The diversity of the student body and school staff enriches the learning experience, promotes cultural awareness and acceptance, and serves as a model for citizenship in a global society.

14. A common set of norms and protocols is crucial to effective governance.

15. Communication, trust, respect, collaboration, and teamwork strengthen the relationship among Board members and between the Board and Superintendent, and contribute to the effectiveness of the governance team.

16. The community and district are inextricably connected partners, wherein the community's engagement in issues that impact the schools enhances the district's programs and student learning.

(cf. 1000 - Concepts and Roles)

17. Two-way communication with all stakeholders is essential for establishing continuity, support, and shared goals both within the district and with the surrounding community.

18. The Board has a responsibility to advocate on behalf all students, keep current on legislative issues affecting education, and build positive relationships with local, state, and federal representatives.

PHILOSOPHY (continued)

19. A fiscally sound budget which is reflective of the district's vision is imperative to the financial stability of the district and to the attainment of its goals.

BP 0100(c)

20. Responsibility for district programs and operations is shared by the entire educational community, with ultimate accountability resting with the Board as the basic embodiment of representative government.

LOCAL CONTROL AND ACCOUNTABILITY PLAN

The Governing Board desires to ensure the most effective use of available funding to improve outcomes for all students. A community-based, comprehensive, data-driven planning process shall be used to identify annual goals and specific actions and to facilitate continuous improvement of district practices.

(cf. 0000 - Vision)
(cf. 0200 - Goals for the School District)

The Board shall adopt a districtwide local control and accountability plan (LCAP), following the template provided in 5 CCR 15497.5, that addresses the state priorities in Education Code 52060 and any local priorities adopted by the Board. The LCAP shall be updated on or before July 1 of each year and, like the district budget, shall cover the next fiscal year and subsequent two fiscal years. (Education Code 52060; 5 CCR 15497.5)

(cf. 3100 - Budget)

The LCAP shall focus on improving outcomes for all students, particularly those who are "unduplicated students" and other underperforming students.

Unduplicated students include students who are eligible for free or reduced-price meals, English learners, and foster youth and are counted only once for purposes of the local control funding formula. (Education Code 42238.02)

(cf. 6173.1 - Education for Foster Youth)
(cf. 6174 - Education for English Language Learners)

The Superintendent or designee shall review the single plan for student achievement (SPSA) submitted by each district school pursuant to Education Code 64001 to ensure that the specific actions included in the LCAP are consistent with strategies included in the SPSA. (Education Code 52062)

(cf. 0420 - School Plans/Site Councils)

The LCAP shall also be aligned with other district and school plans to the extent possible in order to minimize duplication of effort and provide clear direction for program implementation.

(cf. 0400 - Comprehensive Plans)
(cf. 0440 - District Technology Plan)
(cf. 0450 - Comprehensive Safety Plan)
(cf. 5030 - Student Wellness)
(cf. 6171 - Title I Programs)
(cf. 7110 - Facilities Master Plan)

LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

Any complaint that the district has not complied with legal requirements pertaining to the LCAP may be filed pursuant to AR 1312.3 - Uniform Complaint Procedures. (Education Code 52075)

(cf. 1312.3 - Uniform Complaint Procedures)

Plan Development

The Superintendent or designee shall gather data and information needed for effective and meaningful plan development and present it to the Board and community. Such data and information shall include, but not be limited to, data regarding the number of students in student subgroups, disaggregated data on student achievement levels, and information about current programs and expenditures.

The Board shall consult with teachers, principals, administrators, other school personnel, employee bargaining units, parents/guardians, and students in developing the LCAP. Consultation with students shall enable unduplicated students and other numerically significant student subgroups to review and comment on LCAP development and may include surveys of students, student forums, student advisory committees, and/or meetings with student government bodies or other groups representing students. (Education Code 52060; 5 CCR 15495)

(cf. 1220 - Citizen Advisory Committees)
(cf. 4140/4240/4340 - Bargaining Units)
(cf. 6020 - Parent Involvement)

Public Review and Input

The Board shall establish a parent advisory committee to review and comment on the LCAP. The committee shall be composed of a majority of parents/guardians and shall include at least one parent/guardian of an unduplicated student as defined above. (Education Code 52063; 5 CCR 15495)

Whenever district enrollment includes at least 15 percent English learners, with at least 50 students who are English learners, the Board shall establish an English learner parent advisory committee composed of a majority of parents/guardians of English learners. (Education Code 52063; 5 CCR 15495)

The Superintendent or designee shall present the LCAP to the committee(s) before it is submitted to the Board for adoption, and shall respond in writing to comments received from the committee(s). (Education Code 52062)

LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

The Superintendent or designee shall notify members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP. The notification shall be provided using the most efficient method of notification possible, which may not necessarily include producing printed notices or sending notices by mail. All written notifications related to the LCAP shall be provided in the primary language of parents/guardians when required by Education Code 48985. (Education Code 52062)

(cf. 5145.6 - Parental Notifications)

As part of the parent and community engagement process, the district shall solicit input on effective and appropriate instructional methods, including, but not limited to, establishing language acquisition programs to enable all students, including English learners and native English speakers, to have access to the core academic content standards and to become proficient in English. (Education Code 305-306)

The Board shall hold at least one public hearing to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP. The public hearing shall be held at the same meeting as the budget hearing required pursuant to Education Code 42127 and AR 3100 - Budget. (Education Code 42127, 52062)

(cf. 9320 - Meetings and Notices)

Adoption of the Plan

The Board shall adopt the LCAP prior to adopting the district budget, but at the same public meeting. This meeting shall be held after the public hearing described above, but not on the same day as the hearing.

The Board may adopt revisions to the LCAP at any time during the period in which the plan is in effect, provided the Board follows the process to adopt the LCAP pursuant to Education Code 52062 and the revisions are adopted in a public meeting. (Education Code 52062)

Submission of Plan to County Superintendent of Schools

Not later than five days after adoption of the LCAP, the Board shall file the LCAP with the County Superintendent of Schools. (Education Code 52070)

If the County Superintendent sends, by August 15, a written request for clarification of the contents of the LCAP, the Board shall respond in writing within 15 days of the request. If the County Superintendent then submits recommendations for amendments to the LCAP

LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

within 15 days of receiving the Board's response, the Board shall consider those recommendations in a public meeting within 15 days of receiving the recommendations. (Education Code 52070)

Monitoring Progress

The Superintendent or designee shall report to the Board, at least annually in accordance with the timeline and indicators established by him/her and the Board, regarding the district's progress toward attaining each goal identified in the LCAP. Evaluation shall include, but not be limited to, an assessment of district and school performance based on evaluation rubrics adopted by the State Board of Education pursuant to Education Code 52064.5. Evaluation data shall be used to recommend any necessary revisions to the LCAP.

(cf. 0500 - Accountability)

Technical Assistance/Intervention

When it is in the best interest of the district, the Board may submit a request to the County Superintendent for technical assistance, including, but not limited to: (Education Code 52071)

1. Assistance in the identification of district strengths and weaknesses in regard to state priorities and review of effective, evidence-based programs that apply to the district's goals

2. Assistance from an academic expert, team of academic experts, or another district in the county in identifying and implementing effective programs to improve the outcomes for student subgroups

3. Advice and assistance from the California Collaborative for Educational Excellence established pursuant to Education Code 52074

In the event that the County Superintendent requires the district to receive technical assistance pursuant to Education Code 52071, the Board shall review all recommendations received from the County Superintendent or other advisor and shall consider revisions to the LCAP as appropriate in accordance with the process specified in Education Code 52062.

If the Superintendent of Public Instruction (SPI) identifies the district as needing intervention pursuant to Education Code 52072, the district shall cooperate with any action taken by the SPI or any academic advisor appointed by the SPI, which may include one or more of the following:

1. Revision of the district's LCAP

LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

2. Revision of the district's budget in accordance with changes in the LCAP

3. A determination to stay or rescind any district action that would prevent the district from improving outcomes for all student subgroups, provided that action is not required by a collective bargaining agreement

ADR such as mediation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. For any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep the identity of the complainant, and/or the subject of the complaint if he/she is different from the complainant, confidential when appropriate and as long as the integrity of the complaint process is maintained.

The district designates the individual(s) identified below as the employee(s) responsible for coordinating the district's response to complaints and for complying with state and federal civil rights laws. The individual(s) also serve as the compliance officer(s) specified in AR 5145.3 - Nondiscrimination/Harassment as the responsible employee(s) to handle complaints regarding unlawful discrimination (such as discriminatory harassment, intimidation, or bullying). The individual(s) shall receive and coordinate the investigation of complaints and shall ensure district compliance with law.

(cf. 5145.3 - Nondiscrimination/Harassment)
(cf. 5145.7 - Sexual Harassment)

(title or position)
835 E. 14th Street, Suite 200
(address)
510) 667-3522
(telephone number)
mmayfield@slusd.us
(email)

The compliance officer who receives a complaint may assign another compliance officer to investigate and resolve the complaint. The compliance officer shall promptly notify the complainant and respondent, if applicable, if another compliance officer is assigned to the complaint.

In no instance shall a compliance officer be assigned to a complaint in which he/she has a bias or conflict of interest that would prohibit him/her from fairly investigating or resolving the complaint. Any complaint against a compliance officer or that raises a concern about the compliance officer's ability to investigate the complaint fairly and without bias shall be filed with the Superintendent or designee who shall determine how the complaint will be investigated.

UNIFORM COMPLAINT PROCEDURES (continued)

The Superintendent or designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall cover current state and federal laws and regulations governing the program, applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), applicable standards for reaching decisions on complaints, and appropriate corrective measures. Assigned employees may have access to legal counsel as determined by the Superintendent or designee.

(cf. 4331 - Staff Development)
(cf. 9124 - Attorney)

The compliance officer or, if necessary, any appropriate administrator shall determine whether interim measures are necessary during and pending the result of an investigation. If interim measures are determined to be necessary, the compliance officer or the administrator shall consult with the Superintendent, the Superintendent's designee, or, if appropriate, the site principal to implement one or more interim measures. The interim measures shall remain in place until the compliance officer determines that they are no longer necessary or until the district issues its final written decision, whichever occurs first.

Notifications

The district's UCP policy and administrative regulation shall be posted in all district schools and offices, including staff lounges and student government meeting rooms. (Education Code 234.1)

The Superintendent or designee shall annually provide written notification of the district's UCP, including information regarding unlawful student fees, local control and accountability plan (LCAP) requirements, and requirements related to the educational rights of foster youth, homeless students, and former juvenile court school students to students, employees, parents/guardians, the district advisory committee, school advisory committees, appropriate private school officials or representatives, and other interested parties. (Education Code 262.3, 48853, 48853.5, 49013, 49069.5, 51225.1, 51225.2, 52075; 5 CCR 4622)

(cf. 6173 - Education for Homeless Children)

(cf. 6173.1 - Education for Foster Youth)
(cf. 6173.3 - Education for Juvenile Court School Students)

UNIFORM COMPLAINT PROCEDURES (continued)

The annual notification, complete contact information of the compliance officer(s), and information related to Title IX as required pursuant to Education Code 221.61 shall be posted on the district web site and may be provided through district-supported social media, if available.

(cf. 1113 - District and School Web Sites)
(cf. 1114 - District-Sponsored Social Media)

The Superintendent or designee shall ensure that all students and parents/guardians, including students and parents/guardians with limited English proficiency, have access to the relevant information provided in the district's policy, regulation, forms, and notices concerning the UCP.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning the UCP shall be translated into that language, in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

The notice shall:

1. Identify the person(s), position(s), or unit(s) responsible for receiving complaints

2. Advise the complainant of any civil law remedies that may be available to him/her under state or federal antidiscrimination laws, if applicable

3. Advise the complainant of the appeal process, including, if applicable, the complainant's right to take a complaint directly to the California Department of Education (CDE) or to pursue remedies before civil courts or other public agencies, such as the U.S. Department of Education's Office for Civil Rights (OCR) in cases involving unlawful discrimination (such as discriminatory harassment, intimidation, or bullying).

4. Include statements that:

    a. The district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs.

    b. The complaint review shall be completed within 60 calendar days from the date of receipt of the complaint unless the complainant agrees in writing to an extension of the timeline.

UNIFORM COMPLAINT PROCEDURES (continued)

c. A complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) must be filed not later than six months from the date it occurred, or six months from the date the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension.

d. Complaints should be filed in writing and signed by the complainant. If a complainant is unable to put his/her complaint in writing, for example, due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint.

e. If a complaint is not filed in writing but the district receives notice of any allegation that is subject to the UCP, the district shall take affirmative steps to investigate and address the allegations, in a manner appropriate to the particular circumstances.

If the allegation involves retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) and the investigation confirms that discrimination has occurred, the district will take steps to prevent recurrence of discrimination and correct its discriminatory effects on the complainant, and on others, if appropriate.

f. A student enrolled in a public school shall not be required to pay a fee for his/her participation in an educational activity that constitutes an integral fundamental part of the district's educational program, including curricular and extracurricular activities.

g. The Board is required to adopt and annually update the LCAP in a manner that includes meaningful engagement of parents/guardians, students, and other stakeholders in the development and/or review of the LCAP.

h. A foster youth shall receive information about educational rights related to his/her educational placement, enrollment in and checkout from school, as well as the responsibilities of the district liaison for foster youth to ensure and facilitate these requirements and to assist the student in ensuring proper transfer of his/her credits, records, and grades when he/she transfers between schools or between the district and another district.

i. A foster youth, homeless student, or former juvenile court school student who transfers into a district high school or between district high schools as applicable shall be notified of the district's responsibility to:

AR 1312.3(e)

UNIFORM COMPLAINT PROCEDURES (continued)

(1) Accept any coursework or part of the coursework that the student has satisfactorily completed in another public school, juvenile court school, or a nonpublic, nonsectarian school or agency, and to issue full or partial credit for the coursework completed

(2) Not require the student to retake any course or a portion of a course which he/she has satisfactorily completed in another public school, juvenile court school, or a nonpublic, nonsectarian school or agency

(3) If the student has completed his/her second year of high school before the transfer, provide the student information about district-adopted coursework and Board-imposed graduation requirements from which he/she may be exempted pursuant to Education Code 51225.1

j. The complainant has a right to appeal the district's decision to the CDE by filing a written appeal within 15 calendar days of receiving the district's decision.

In any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the respondent also shall have the right to file an appeal with the CDE in the same manner as the complainant, if he/she is dissatisfied with the district's decision.

k. The appeal to the CDE must include a copy of the complaint filed with the district and a copy of the district's decision.

l. Copies of the district's UCP are available free of charge.

District Responsibilities

All UCP-related complaints shall be investigated and resolved within 60 calendar days of the district's receipt of the complaint unless the complainant agrees in writing to an extension of the timeline. (5 CCR 4631)

For complaints alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall inform the respondent when the complainant agrees to an extension of the timeline for investigating and resolving the complaint.

The compliance officer shall maintain a record of each complaint and subsequent related actions, including steps taken during the investigation and all information required for compliance with 5 CCR 4631 and 4633.

UNIFORM COMPLAINT PROCEDURES (continued)

All parties involved in the allegations shall be notified when a complaint is filed and when a decision or ruling is made. However, the compliance officer shall keep all complaints or allegations of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) confidential except when disclosure is necessary to carry out the investigation, take subsequent corrective action, conduct ongoing monitoring, or maintain the integrity of the process. (5 CCR 4630, 4964)

Filing of Complaints

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs may be filed by any individual, public agency, or organization. (5 CCR 4630)

2. Any complaint alleging noncompliance with law regarding the prohibition against requiring students to pay student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred. (Education Code 49013, 52075; 5 CCR 4630)

3. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by a person who alleges that he/she personally

suffered the unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months from the date when the alleged unlawful discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)

AR 1312.3(g)

UNIFORM COMPLAINT PROCEDURES (continued)

4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.

5. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or the alleged victim, when he/she is not the complainant, requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after the compliance officer receives the complaint, he/she may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed to

through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

AR 1312.3(h)

UNIFORM COMPLAINT PROCEDURES (continued)

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or his/her representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or his/her representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. He/she shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a

finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

The compliance officer shall apply a "preponderance of the evidence" standard in determining the veracity of the factual allegations in a complaint. This standard is met if the allegation is more likely to be true than not.

UNIFORM COMPLAINT PROCEDURES (continued)

Report of Findings

OPTION 1:

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant, and respondent if there is one, a written report, as described in the section "Final Written Decision" below, within 60 calendar days of the district's receipt of the complaint. (5 CCR 4631)

OPTION 2:

Unless extended by written agreement with the complainant, a final decision shall be sent to the complainant within 60 calendar days of the district's receipt of the complaint. Within 30 calendar days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Final Written Decision" below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five business days, file his/her complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. When required by law, the matter shall be considered in closed session. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

In resolving any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent also shall be sent the district's decision and, in the same manner as the complainant, may file a complaint with the Board if dissatisfied with the decision.

Final Written Decision

The district's decision on how it will resolve the complaint shall be in writing and shall be sent to the complainant and respondent. (5 CCR 4631)

In consultation with district legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the

privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the district's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For all complaints, the decision shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:
    a. Statements made by any witnesses
    b. The relative credibility of the individuals involved
    c. How the complaining individual reacted to the incident
    d. Any documentary or other evidence relating to the alleged conduct
    e. Past instances of similar conduct by any alleged offenders
    f. Past false allegations made by the complainant
2. The conclusion(s) of law
3. Disposition of the complaint

4. Rationale for such disposition

For complaints of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

a. How the misconduct affected one or more students' education

AR 1312.3(k)

UNIFORM COMPLAINT PROCEDURES (continued)

b. The type, frequency, and duration of the misconduct

c. The relationship between the alleged victim(s) and offender(s)

d. The number of persons engaged in the conduct and at whom the conduct was directed

e. The size of the school, location of the incidents, and context in which they occurred

f. Other incidents at the school involving different individuals

5. Corrective action(s), including any actions that have been taken or will be taken to address the allegations in the complaint and including, with respect to a student fees complaint, a remedy that comports with Education Code 49013 and 5 CCR 4600

For complaints of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the decision may, as required by law, include:

a. The corrective actions imposed on the respondent

b. Individual remedies offered or provided to the complainant or another person who was the subject of the complaint, but this information should not be shared with the respondent.

c. Systemic measures the school has taken to eliminate a hostile environment and prevent recurrence

6. Notice of the complainant's and respondent's right to appeal the district's decision to the CDE within 15 calendar days, and procedures to be followed for initiating such an appeal

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

1. He/she may pursue available civil law remedies outside of the district's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with the CDE. (Education Code 262.3)

UNIFORM COMPLAINT PROCEDURES (continued)

2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)

3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling

2. Academic support

3. Health services

4. Assignment of an escort to allow the victim to move safely about campus

5. Information regarding available resources and how to report similar incidents or retaliation

6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim

7. Restorative justice

8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation

9. Determination of whether any past actions of the victim that resulted in discipline were related to the treatment the victim received and described in the complaint

UNIFORM COMPLAINT PROCEDURES (continued)

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate corrective actions that focus on a student offender may include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law

2. Parent/guardian conference

3. Education regarding the impact of the conduct on others

4. Positive behavior support

5. Referral to a student success team

6. Denial of participation in extracurricular or co-curricular activities or other privileges as permitted by law

7. Disciplinary action, such as suspension or expulsion, as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute

unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the district does not tolerate it, and how to report and respond to it.

If a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes for students in elementary schools, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51223, 52075)

For complaints alleging noncompliance with the laws regarding student fees, the district shall attempt in good faith, by engaging in reasonable efforts, to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

UNIFORM COMPLAINT PROCEDURES (continued)

Appeals to the California Department of Education

Any complainant who is dissatisfied with the district's final written decision may file an appeal in writing with the CDE within 15 calendar days of receiving the district's decision. (Education Code 222, 48853, 48853.5, 49013, 49069.5, 51223, 51225.1, 51225.2, 51228.3, 52075; 5 CCR 4632)

When a respondent in any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying) is dissatisfied with the district's final written decision, he/she, in the same manner as the complainant, may file an appeal with the CDE.

The complainant or respondent shall specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the district's decision. (5 CCR 4632)

Upon notification by the CDE that the complainant or respondent has appealed the district's decision, the Superintendent or designee shall forward the following documents to the CDE: (5 CCR 4633)

1. A copy of the original complaint

2. A copy of the written decision

3. A summary of the nature and extent of the investigation conducted by the district, if not covered by the decision

4. A copy of the investigation file including, but not limited to, all notes, interviews, and documents submitted by the parties and gathered by the investigator

5. A report of any action taken to resolve the complaint

6. A copy of the district's uniform complaint procedures

7. Other relevant information requested by the CDE

Regulation approved: CSBA MANUAL MAINTENANCE SERVICE May 2017

(cf. 1340 - Access to District Records)

An inventory of equipment shall be a continuing record and shall not be classified until the inventory is superseded or until the equipment is removed from district ownership. (5 CCR 16022)

(cf. 3440 - Inventories)

A student's cumulative record is a continuing record until the student ceases to be enrolled in the district. (5 CCR 16022)

(cf. 5125 - Student Records)

When an electronic or photographed copy of a Class 1 (Permanent) record has been made, the copy may be classified as Class 1 (Permanent) and the original classified as either Class 2 (Optional) or Class 3 (Disposable). However, no original record that is basic to any required audit may be destroyed prior to the second July 1st succeeding the completion of the audit. (Education Code 35254)

Class 1 - Permanent Records

Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

The Superintendent or designee may require verification whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever available evidence clearly indicates that an absence is not related to illness or injury.

PERSONAL ILLNESS/INJURY LEAVE (continued)

In addition, the Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Any district request for additional verification by an employee's physician or a district-selected physician shall be in writing and shall specify that the report to be submitted to the district should not contain the employee's genetic information.

Any genetic information received by the district on behalf of an employee shall be treated as a confidential medical record, maintained in a file separate from the employee's personnel file, and shall not be disclosed except in accordance with 29 CFR 1635.9.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return to duty and stipulating any necessary restrictions or limitations.

PERSONAL ILLNESS/INJURY LEAVE

Certificated employees employed five school days per week are entitled to 10 days' leave of absence with full pay for personal illness or injury (sick leave) per school year of service. Employees who work less than five school days per week (part-time employees) shall be granted sick leave in proportion to the time they work. However, any part-time employee who is entitled to less than three days of paid sick leave per year due to the amount of time worked shall be granted sick leave pursuant to Labor Code 246, if he/she is eligible. (Education Code 44978; Labor Code 245-249)

(cf. 4161/4261/4361 - Leaves)
(cf. 4161.9/4261.9/4361.9 - Catastrophic Leave Program)

Use of Sick Leave

Certificated employees may use sick leave for absences due to:

1. Accident or illness, whether or not the absence arises out of or in the course of employment; quarantine which results from contact with other persons having a contagious disease during the employee's performance of his/her duties; or temporary inability to perform assigned duties because of illness, accident, or quarantine (Education Code 44964)

(cf. 4157.1/4257.1/4357.1 - Work-Related Injuries)

2. Pregnancy, miscarriage, childbirth, and related recovery (Education Code 44965, 44978)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

3. Personal necessity (Education Code 44981)

(cf. 4161.2/4261.2/4361.2 - Personal Leaves)

4. Medical and dental appointments, in increments of not less than one hour

5. Industrial accidents or illnesses when leave granted specifically for that purpose has been exhausted (Education Code 44984)

(cf. 4161.11/4261.11/4361.11 - Industrial Accident/Illness Leave)

6. Need of the employee or his/her family member, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care (Labor Code 233, 246.5)

PERSONAL ILLNESS/INJURY LEAVE (continued)

7. Need of the employee to seek or obtain any relief or medical attention specified in Labor Code 230(c) and/or 230.1(a) for the health, safety, or welfare of the employee or his/her child, when the employee has been a victim of domestic violence, sexual assault, or stalking (Labor Code 233, 246.5)

For the purposes specified in items #6-7, an employee may use, in any calendar year, the amount of sick leave he/she would accrue during six months at his/her current rate of entitlement. (Labor Code 233)

An employee may take sick leave at any time during the school year, even if credit for sick leave has not yet been accrued. (Education Code 44978)

An employee shall reimburse the district for any unearned sick leave used as of the date of his/her termination.

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 44978)

At the beginning of each school year, employees shall be notified of the amount of sick leave they have accumulated.

The district shall not require new employees to waive leave accumulated in a previous district. (Education Code 44979, 44980)

The Superintendent or designee shall notify any certificated employee who leaves the district after at least one school year of employment that if the employee accepts a certificated position in another district, county office of education, or community college district within one year, he/she may request that the district transfer his/her accumulated sick leave to the new employer. (Education Code 44979, 44980)

Additional Leave for Disabled Military Veterans

In addition to any other entitlement for sick leave with pay, a newly hired certificated employee who is a military veteran with a military service-connected disability rated at 30 percent or more by the U.S. Department of Veterans Affairs shall be entitled to sick leave with pay of up to 10 days for the purpose of undergoing medical treatment for his/her military service-connected disability. An eligible employee employed less than five days per week shall be entitled to such leave in proportion to the time he/she works. (Education Code 44978.2)

PERSONAL ILLNESS/INJURY LEAVE (continued)

The amount of leave shall be credited to the employee on the first day of employment and shall remain available for the following 12 months of employment. Leave not used during the 12-month period shall not be carried over and shall be forfeited. (Education Code 44978.2)

The Superintendent or designee may require verification, in accordance with the section "Verification Requirements" below, that the employee used the leave to obtain treatment of a military service-connected disability.

Notification of Absence

An employee shall notify the district of his/her need to be absent as soon as such need is known, so that substitute services may be secured. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than three o'clock in the afternoon of the day preceding the day on which he/she intends to return to work. If the employee fails to notify the district and the failure results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

(cf. 4121 - Temporary/Substitute Personnel)

Continued Absence After Available Sick Leave Is Exhausted/Differential Pay

OPTION 1:

During each school year, when a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or accident, continues to be absent from his/her duties for an additional period of up to five school months, the employee shall receive his/her regular salary minus the actual cost of a substitute to fill the position. If the district has made every reasonable effort to secure the services of a substitute and has been unable to do so, the amount that would have been paid to a substitute shall be deducted from the employee's salary. (Education Code 44977)

An employee shall not be provided more than one five-month period per illness or accident. However, if the school year ends before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. (Education Code 44977)

PERSONAL ILLNESS/INJURY LEAVE (continued)

OPTION 2:

After a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or accident, continues to be absent for an additional period of up to five months, he/she shall receive 50 percent of his/her regular salary during the additional period of absence. (Education Code 44983)

Absence Beyond Five-Month Period/Reemployment List

If a certificated employee is not medically able to resume his/her duties after the five-month period provided pursuant to Education Code 44977, the employee shall be placed either in another position or on a reemployment list. Placement on the reemployment list shall be for 24 months for probationary employees or 39 months for permanent employees and shall begin at the expiration of the five-month period. If during this time the employee becomes medically able, he/she shall be returned to employment in a position for which he/she is credentialed and qualified. (Education Code 44978.1)

(cf. 4116 - Probationary/Permanent Status)

Differential Pay for Parental Leave

During each school year, any certificated employee who has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of parental leave (baby bonding) pursuant to Government Code 12945.2 shall receive differential pay for up to 12 work weeks. The 12-week period shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of such parental leave. Such parental leave shall run concurrently with the parental leave taken pursuant to Government Code 12945.2 and the aggregate amount of parental leave shall not exceed 12 work weeks in a 12-month period. Eligibility for parental leave pursuant to Education Code 44977.5 shall not require 1,250 hours of service with the district during the previous 12 months. (Education Code 44977.5)

Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

The Superintendent or designee may require verification whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever available evidence clearly indicates that an absence is not related to illness or injury.

PERSONAL ILLNESS/INJURY LEAVE (continued)

In addition, the Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Any district request for additional verification by an employee's physician or a district-selected physician shall be in writing and shall specify that the report to be submitted to the district should not contain the employee's genetic information.

Any genetic information received by the district on behalf of an employee shall be treated as a confidential medical record, maintained in a file separate from the employee's personnel file, and shall not be disclosed except in accordance with 29 CFR 1635.9.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return to duty and stipulating any necessary restrictions or limitations.

(cf. 3460 - Financial Reports and Accountability)

The Board may deliberate in the closed session of a regular meeting about the terms of an employment contract for a deputy, associate, or assistant superintendent; other certificated employee holding a position requiring a supervision or administration credential; or a senior manager of the classified service. Discussions regarding salary, salary schedule, or other compensation may occur in the closed session of a regular meeting only between the Board and its designated representative(s), as permitted under Government Code 54957.6 (the "labor exception") for the purpose of reviewing the Board's position and/or instructing the designated representative(s) prior to or during bona fide negotiations with the employee. During the term of the contract and with the consent of the employee involved, the Board may reelect or reemploy the employee starting on the next succeeding first day of July and based on terms and conditions mutually agreed upon by the Board and the employee. (Education Code 35031)

If the Board decides not to reelect or reemploy a deputy, associate, or assistant superintendent or a senior manager of the classified service upon the expiration of his/her term, it shall notify the employee in writing 45 calendar days prior to the expiration of the term of the contract. (Education Code 35031)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Termination of Contract

The Board may terminate an employment contract prior to its expiration date in accordance with the conditions and process specified in the contract.

(cf. 6173.1 - Education for Foster Youth)

A student's enrollment may be denied when the submitted documentation is insufficient to establish district residency. In any such case, the Superintendent or designee shall notify the parent/guardian in writing, including specific reasons for the denial.

Investigation of Residency

When the Superintendent or designee reasonably believes that a student's parent/guardian has provided false or unreliable evidence of residency, he/she may make reasonable efforts to determine that the student meets district residency requirements. An investigation may be initiated when the Superintendent or designee is able to identify specific, articulable facts supporting the belief that the parent/guardian has provided false or unreliable evidence of residency. (Education Code 48204.1, 48204.2)

The Superintendent or designee may assign a trained district employee to conduct the investigation. The investigation may include the examination of records, including public records, and/or interviews of persons who may have knowledge of the student's residency.

DISTRICT RESIDENCY (continued)

If necessary, the Superintendent or designee may employ the services of a private investigator to conduct the investigation. Before hiring a private investigator, the Superintendent or designee shall make other reasonable efforts to determine whether the student resides in the district. (Education Code 48204.2)

The investigation shall not include the surreptitious collection of photographic or videographic images of persons or places subject to the investigation. However, the use of technology is not prohibited if done in open and public view. (Education Code 48204.2)

Any employee or contractor engaged in the investigation shall truthfully identify himself/herself as an investigator to individuals contacted or interviewed during the course of the investigation. (Education Code 48204.2)

Appeal of Enrollment Denial

If the Superintendent or designee, upon investigation, determines that a student does not meet district residency requirements and denies the student's enrollment in the district, he/she shall provide the student's parent/guardian an opportunity to appeal that determination. (Education Code 48204.2)

The Superintendent or designee shall send the student's parent/guardian written notice specifying the basis for the district's determination. This notice shall also inform the parent/guardian that he/she may, within 10 school days, appeal the decision and provide new evidence of residency.

The burden shall be on the parent/guardian to show why the district's determination to deny enrollment should be overruled. (Education Code 48204.2)

A student who is currently enrolled in the district shall be allowed to remain in attendance at his/her school pending the results of the appeal. A student who is not currently enrolled in the district shall not be permitted to attend any district school unless his/her appeal is successful.

OPTION 1: In an appeal to the Superintendent or designee of a determination that district residency requirements were not met, the Superintendent or designee shall review any evidence provided by the parent/guardian or obtained during the district's investigation and shall make a decision within 10 school days of receipt of the parent/guardian's request for the appeal. The Superintendent's decision shall be final.

OPTION 2: In an appeal of the Superintendent's determination that district residency requirements were not met, the Board shall review any evidence provided by the parent/guardian or obtained during the district's investigation and shall make a decision at its next regularly scheduled meeting following the parent/guardian's request for the appeal. The Board's decision shall be final.

DISTRICT RESIDENCY (continued)

Enrollment Not Requiring District Residency

When approved by the Board and the appropriate agency, the district may enroll students from other countries who are in the United States on an F-1 visa or are participating in an international exchange program under the sponsorship of a government-approved agency.

(cf. 5111.2 - Nonresident Foreign Students)
(cf. 6145.6 - International Exchange)

The district may enroll a nonresident student living in an adjoining state or foreign country in accordance with Education Code 48050-48052.

District residency is not required for enrollment in a regional occupational center or program if there are openings in the program or class. (Education Code 52317)
