This Pricing Schedule for the service(s) identified below ("Service") is part of the Agreement referenced above. Customer requests that its identity be kept confidential and not be publicly disclosed by AT&T or by any regulatory commission, unless required by law.

Customer acknowledges and certifies that the interstate traffic (including Internet and international traffic) constitutes **ten percent (10%) or less** of the total traffic on any Service.

If Customer is purchasing new Service hereunder, Customer confirms receipt of the AT&T customer building / site preparation document describing the installation requirements at the Site(s).

AT&T California currently provides billing and collections services to third parties, which may place charges that Customer authorizes on Customer's bill for intrastate Services. To the extent that AT&T California makes blocking of such charges available, Customer may block third-party charges from its bill at no cost.

On the Effective Date, this Pricing Schedule will supersede and replace the following document(s) with respect to Services included in this Pricing Schedule: 20150305-8718 last signed on March, 10, 2015.

AT&T DEDICATED ETHERNET(Intrastate Access/Private Line)
Pricing Schedule Pursuant to Standard Service Publication Rates and Terms

This Pricing Schedule signed by AT&T first, is effective upon Customer signature provided that such fully signed Pricing Schedule is returned to AT&T not more than forty-five (45) days after AT&T's signature date. Any change made to this document renders the Pricing Schedule null and void.
