LOCAL CONTROL AND ACCOUNTABILITY PLAN

The Governing Board desires to ensure the most effective use of available funding to improve outcomes for all students. A comprehensive, data-driven planning process shall be used to identify annual goals and specific actions and to facilitate continuous improvement of district practices.

(cf. 0000 - Vision)
(cf. 0200 - Goals for the School District)

The Board shall adopt a districtwide local control and accountability plan (LCAP), based on the template adopted by the State Board of Education, that addresses the state priorities in Education Code 52060 and any local priorities adopted by the Board. The LCAP shall be updated on or before July 1 of each year and, like the district budget, shall cover the next fiscal year and subsequent two fiscal years. (Education Code 52060, 52064; 5 CCR 15494-15497)

(cf. 3100 - Budget)

The LCAP shall focus on improving outcomes for all students, particularly those who are "unduplicated students" or are part of any numerically significant student subgroup that is at risk of or is underperforming.

Unduplicated students include students who are eligible for free or reduced-price meals, English learners, and foster youth, as defined in Education Code 42238.01 for purposes of the local control funding formula. (Education Code 42238.02)

(cf. 3553 - Free and Reduced Price Meals)
(cf. 6173.1 - Education for Foster Youth)
(cf. 6174 - Education for English Learners)

Numerically significant student subgroups include ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, foster youth, and homeless students, when there are at least 30 students in the subgroup or at least 15 foster youth or homeless students, or as otherwise defined by the Superintendent of Public Instruction (SPI). (Education Code 52052)

(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)
(cf. 6173 - Education for Homeless Children)

The Superintendent or designee shall review the single plan for student achievement (SPSA) submitted by each district school pursuant to Education Code 64001 to ensure that the specific actions included in the LCAP are consistent with strategies included in the SPSA. (Education Code 52062)

(cf. 0420 - School Plans/Site Councils)

LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

The LCAP shall also be aligned with other district and school plans to the extent possible in order to minimize duplication of effort and provide clear direction for program implementation.

(cf. 0400 - Comprehensive Plans)
(cf. 0440 - District Technology Plan)
(cf. 0450 - Comprehensive Safety Plan)
(cf. 5030 - Student Wellness)
(cf. 6171 - Title I Programs)
(cf. 7110 - Facilities Master Plan)

Any complaint that the district has not complied with legal requirements pertaining to the LCAP may be filed pursuant to AR 1312.3 - Uniform Complaint Procedures. (Education Code 52075)

(cf. 1312.3 - Uniform Complaint Procedures)

Plan Development

The Superintendent or designee shall gather data and information needed for effective and meaningful plan development and present it to the Board and community. Such data and information shall include, but not be limited to, data regarding the number of students in student subgroups, disaggregated data on student achievement levels, and information about current programs and expenditures.

The Board shall consult with teachers, principals, administrators, other school personnel, employee bargaining units, parents/guardians, and students in developing the LCAP. Consultation with students shall enable unduplicated students and other numerically significant student subgroups to review and comment on LCAP development and may include surveys of students, student forums, student advisory committees, and/or meetings with student government bodies or other groups representing students. (Education Code 52060; 5 CCR 15495)

(cf. 1220 - Citizen Advisory Committees)
(cf. 4140/4240/4340 - Bargaining Units)
(cf. 6020 - Parent Involvement)

Public Review and Input

The Board shall establish a parent advisory committee to review and comment on the LCAP. The committee shall be composed of a majority of parents/guardians and shall include at least one parent/guardian of an unduplicated student as defined above. (Education Code 52063; 5 CCR 15495)

LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

Whenever district enrollment includes at least 15 percent English learners, with at least 50 students who are English learners, the Board shall establish an English learner parent advisory committee composed of a majority of parents/guardians of English learners. (Education Code 52063; 5 CCR 15495)

The Superintendent or designee shall present the LCAP to the committee(s) before it is submitted to the Board for adoption, and shall respond in writing to comments received from the committee(s). (Education Code 52062)

The Superintendent or designee shall notify members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP. The notification shall be provided using the most efficient method of notification possible, which may not necessarily include producing printed notices or sending notices by mail. All written notifications related to the LCAP shall be provided in the primary language of parents/guardians when required by Education Code 48985. (Education Code 52062)

(cf. 5145.6 - Parental Notifications)

As part of the parent and community engagement process, the district shall solicit input on effective and appropriate instructional methods, including, but not limited to, establishing language acquisition programs to enable all students, including English learners and native English speakers, to have access to the core academic content standards and to become proficient in English. (Education Code 305-306)

The Board shall hold at least one public hearing to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP. The public hearing shall be held at the same meeting as the budget hearing required pursuant to Education Code 42127 and AR 3100 - Budget. (Education Code 42127, 52062)

(cf. 9320 - Meetings and Notices)

Adoption of the Plan

The Board shall adopt the LCAP prior to adopting the district budget, but at the same public meeting. This meeting shall be held after the public hearing described above, but not on the same day as the hearing.

The Board may adopt revisions to the LCAP at any time during the period in which the plan is in effect, provided the Board follows the process to adopt the LCAP pursuant to Education Code 52062 and the revisions are adopted in a public meeting. (Education Code 52062)

LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

Submission of Plan to County Superintendent of Schools

Not later than five days after adoption of the LCAP, the Board shall file the LCAP with the County Superintendent of Schools. (Education Code 52070)

If the County Superintendent sends, by August 15, a written request for clarification of the contents of the LCAP, the Board shall respond in writing within 15 days of the request. If the County Superintendent then submits recommendations for amendments to the LCAP within 15 days of receiving the Board's response, the Board shall consider those recommendations in a public meeting within 15 days of receiving the recommendations. (Education Code 52070)

Monitoring Progress

The Superintendent or designee shall report to the Board, at least annually in accordance with the timeline and indicators established by him/her and the Board, regarding the district's progress toward attaining each goal identified in the LCAP. Evaluation shall include, but not be limited to, an assessment of district and school performance reported on the California School Dashboard. Evaluation data shall be used to recommend any necessary revisions to the LCAP.

(cf. 0500 - Accountability)

Technical Assistance/Intervention

When it is in the best interest of the district, the Board may submit a request to the County Superintendent for technical assistance, including, but not limited to: (Education Code 52071)

2. Assistance from an academic expert, team of academic experts, or another district in the county in identifying and implementing effective programs to improve the outcomes for student subgroups

3. Advice and assistance from the California Collaborative for Educational Excellence established pursuant to Education Code 52074

If the SPI identifies the district as needing intervention pursuant to Education Code 52072, the district shall cooperate with any action taken by the SPI or any academic advisor appointed by the SPI, which may include one or more of the following:

1. Revision of the district's LCAP

2. Revision of the district's budget in accordance with changes in the LCAP

3. A determination to stay or rescind any district action that would prevent the district from improving outcomes for all student subgroups, provided that action is not required by a collective bargaining agreement

DISTRICT AND SCHOOL WEB SITES

Design Standards

The Superintendent or designee shall develop design standards for district and school web sites that include, but are not limited to, guidelines to ensure the clear organization of the material, readability of the font type and size, and simplicity of the navigation structure linking the content on the web site. Such standards shall take into consideration the ease of use on a wide range of devices.

In accordance with the requirements of the Americans with Disabilities Act and Section 504 of the federal Rehabilitation Act of 1973, district and school web sites shall contain features that ensure accessibility for individuals with disabilities, which may include, but are not limited to, captions for videos and multimedia presentations, text alternatives to images, provision of sufficient time to use the content, avoidance of flashing images, adequate contrast in visual presentations, and/or other features that meet applicable standards for web site accessibility. The Superintendent or designee shall regularly review district and school web sites and modify them as needed to ensure legal compliance with accessibility standards.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Web Site Content

As applicable, district and school web sites shall provide current information regarding the district's mission and goals, district/school programs and operations, district/school news, agendas and minutes of Governing Board meetings, School Accountability Report Cards, school calendars, and links to educational resources.

(cf. 0440 - District Technology Plan)
(cf. 0510 - School Accountability Report Card)
(cf. 1100 - Communication with the Public)
(cf. 9322 - Agenda/Meeting Materials)

With approval of the principal, individual teachers may create web pages linked to the district or school web site to provide information pertaining to class assignments, expectations, and activities.

Student work may be published on district or school web sites provided that both the student and his/her parent/guardian provide written permission or the work is part of an existing publication such as a school newspaper.

Any copyrighted material to be posted on a district or school web site shall be submitted to the Superintendent or designee together with the permission of the copyright owner to reprint the material. Any copyrighted material submitted without the copyright owner's permission shall only be posted on a district or school web site if the Superintendent or designee determines that the material is in the public domain or that the intended use meets

DISTRICT AND SCHOOL WEB SITES (continued)

the criteria for fair use or another exception pursuant to 17 USC 107-122. When any copyrighted material is posted, the web site shall include a notice crediting the copyright owner and, as necessary, shall note that permission to reprint the material was granted.

(cf. 4132/4232/4332 - Publication or Creation of Materials)
(cf. 6162.6 - Use of Copyrighted Materials)

Whenever a district or school web site includes links to external web sites, it shall include a disclaimer that the district is not responsible for the content of external web sites.

Roles and Responsibilities

Any employee assigned as a district or school webmaster shall be responsible for the uploading of material to the web site(s) upon approval of the Superintendent or designee. He/she shall review district and school web sites to ensure consistency with district standards, regularly check links for accuracy and appropriateness, keep the web server free of outdated or unused files, and provide technical assistance as needed.

The Superintendent or designee may assign additional staff members to conduct editorial reviews of all materials submitted for publication on district or school web sites and to make corrections as needed in spelling, grammar, or accuracy of content.

The Superintendent or designee shall provide staff development opportunities related to district content guidelines, design standards, and accessibility laws and standards to district communications and technology staff, district and school webmasters, and/or other appropriate staff.

(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)

Security

The Superintendent or designee shall establish security procedures for the district's computer network to prevent unauthorized access and changes to district and school web sites. To the extent possible, the host computer(s) shall be in a lockable room with restricted access.

SALE OR LEASE OF DISTRICT-OWNED REAL PROPERTY

The Governing Board believes that district facilities and resources should be utilized in an economical and practical manner. The Superintendent or designee shall periodically study the current and projected use of all district facilities to ensure the efficient utilization of space for the effective delivery of instruction.

(cf. 1330 - Use of School Facilities)
(cf. 7110 - Facilities Master Plan)
(cf. 7111 - Evaluating Existing Buildings)
(cf. 7160 - Charter School Facilities)

The Board shall appoint a district advisory committee prior to the sale or lease of any surplus real property to advise the Board regarding the use or disposition of schools or school building space which is not needed for school purposes. Rentals of surplus property not exceeding 30 days are exempted from this requirement. When the sale, lease, or rental of surplus property is for the purpose of teacher or other employee housing or for the offering of summer school by a private educational institution, the Board may elect not to appoint a district advisory committee. (Education Code 17387-17391)

(cf. 1220 - Citizen Advisory Committees)

If the local planning agency has adopted a general plan that affects or includes the area where the surplus property is located, the Board shall submit a report to the local planning agency describing the location of the surplus property and the purpose and extent of the proposed sale or lease. (Government Code 65402)

The Board shall determine whether the sale or lease of the surplus property is subject to review under the California Environmental Quality Act. (Public Resources Code 21000-21177; 14 CCR 15061-15062)

When selling or leasing district real property, the Board shall comply with the priorities and procedures specified in applicable law. (Education Code 17230, 17464, 17485-17499; Government Code 54222)

(cf. 5148 - Child Care and Development)
(cf. 5148.2 - Before/After School Programs)
(cf. 5148.3 - Preschool/Early Childhood Education)

In addition, when selling real property purchased, constructed, or modernized with funds received within the past 10 years from a state school facilities funding program, the Board shall consider whether any of the proceeds from the sale will need to be returned to the State Allocation Board (SAB) pursuant to Education Code 17462.3.

SALE OR LEASE OF DISTRICT-OWNED REAL PROPERTY (continued)

Resolution of Intention to Sell or Lease

Before ordering the sale or lease of any real property, the Board shall adopt a resolution by a two-thirds vote of all of its members at a regularly scheduled open meeting. The resolution shall describe the property proposed to be sold or leased in such a manner as to identify it, specify the minimum price or rent, describe the terms upon which it will be sold or leased, and specify the commission or rate, if any, which the Board will pay to a licensed real estate broker out of the minimum price or rent. The resolution shall fix a time, not less than three weeks thereafter, for a public meeting, held at the Board's regular meeting place, at which sealed proposals to purchase or lease will be received and considered. (Education Code 17466)

(cf. 9320 - Meetings and Notices)
(cf. 9323.2 - Actions by the Board)

The Superintendent or designee shall provide notice of the adoption of the resolution and of the time and place of the meeting that will be held to consider bids by posting copies of the resolution, signed by the Board, in three public places not less than 15 days before the date of the meeting. In addition, the notice shall be published at least once a week for three successive weeks before the meeting, in a newspaper of general circulation published in the county in which the district is located, if such a newspaper exists. (Education Code 17469)

In accordance with Education Code 17470, the Superintendent or designee shall take reasonable steps to provide notification to the former owners of the property of the district's intent to sell it.

Acceptance/Rejection of Bids

At the public meeting specified in the resolution of intention to sell or lease property, the Board shall open, examine, and declare all sealed bids. Before accepting a written proposal, the Board shall call for oral bids in accordance with law. (Education Code 17472, 17473)

The Board may reject any and all bids, either written or oral, and withdraw the properties from sale when the Board determines that rejection is in the best public interest. If no proposals are submitted or the submitted proposals do not conform to all the terms and conditions specified in the resolution of intention to lease, the Board may lease the property in accordance with Education Code 17477. (Education Code 17476, 17477)

Of the proposals submitted by responsible bidders which conform to all terms and conditions specified in the resolution of intention to sell or lease, the Board shall finally accept the highest bid after deducting the commission, if any, to be paid to a licensed real estate broker, unless the Board accepts a higher oral bid or rejects all bids. (Education Code 17472)

SALE OR LEASE OF DISTRICT-OWNED REAL PROPERTY (continued)

The final acceptance of the bid may be made either at the same meeting specified in the resolution or at any adjourned/continued meeting held within 10 days. Upon acceptance of the bid, the Board may adopt a resolution of acceptance that directs the Board president, or any other Board member, to execute the deed or lease and to deliver the document upon performance and compliance by the successful bidder of all of the terms and conditions of the contract. (Education Code 17475-17478)

(cf. 1431 - Waivers)

Use of Proceeds

The Superintendent or designee shall ensure that the proceeds from the sale or lease with an option to purchase of surplus district property are used for one-time expenditures and not for ongoing expenditures such as salaries and general operating expenses. (Education Code 17462)

Proceeds from a sale of surplus district property shall be used for capital outlay or maintenance costs that the Board determines will not recur within a five-year period. (Education Code 17462)

Proceeds from a lease of district property with an option to purchase may be deposited into a restricted fund for the routine repair of district facilities, as defined by the SAB, for up to a five-year period. (Education Code 17462)

If the Board and SAB determine that the district has no anticipated need for additional sites or building construction for the next 10 years and no major deferred maintenance requirements, the proceeds from the sale or lease with an option to purchase may be deposited in a special reserve fund for the future maintenance and renovation of school sites or in the district's general fund. Proceeds from the sale or lease with option to purchase of district property may also be deposited in a special reserve fund for capital outlay or maintenance costs of district property that the Board determines will not recur within a five-year period. CRIMINAL BACKGROUND CHECKS FOR CONTRACTORS

When the employees of any entity contracting with the district to provide specified services will have contact with students, the entity shall certify in writing to the Superintendent or designee that none of those employees has been convicted of a violent or serious felony as defined in Education Code 45122.1. In the case of a sole proprietor, the Superintendent or designee shall prepare and submit the employee's fingerprints to the Department of Justice. If any contracting employee who may have contact with students has been convicted of a violent or serious felony as defined, a certificate of rehabilitation and a pardon as required pursuant to Education Code 45125.1 shall be submitted to the Superintendent or designee before the contracting employee is authorized to perform the work for the district. (Education Code 45125.1)

These requirements shall apply to a sole proprietor or entity contracting with the district to provide any of the following services: (Education Code 45125.1, 45125.2)

1. School and classroom janitorial services
2. School site administrative services
3. School site grounds and landscape maintenance services
4. Student transportation services
5. School site food-related services
6. Construction, reconstruction, rehabilitation, or repair of a school facility

(cf. 3540 - Transportation)
(cf. 3551 - Food Service Operations/Cafeteria Fund)
(cf. 3600 - Consultants)
(cf. 7140 - Architectural and Engineering Services)

On a case-by-case basis, the Superintendent or designee may require a contracting entity providing school site services other than those listed above to comply with these requirements. (Education Code 45125.1)

The Superintendent or designee may determine that criminal background checks will not be required if:

1. The contracting entity is providing services in an emergency or exceptional situation, such as when student health or safety is endangered or when repairs are needed to make school facilities safe and habitable. (Education Code 45125.1)
2. The employees of the contracting entity will have limited contact with students. In determining whether a contract employee has limited contact with students, the

CRIMINAL BACKGROUND CHECKS FOR CONTRACTORS (continued)

Superintendent or designee shall consider the totality of the circumstances, including factors such as the length of time the contractors will be on school grounds, whether students will be in proximity with the site where the contractors will be working, and whether the contractors will be working by themselves or with others. (Education Code 45125.1)

Upon a determination that an employee will have limited contact with students, the Superintendent or designee shall take appropriate steps to protect the safety of any students who may come in contact with this employee. (Education Code 45125.1)

These steps may include, but are not limited to, ensuring that the employee is working during nonschool hours, providing for regular patrols or supervision of the site from district security or personnel, ensuring that the employee is not working alone when students are present, limiting the employee's access to school grounds, and/or providing the employee with a visible means of identification.

(cf. 3515.3 - District Police/Security Department)

3. The contract is for the construction, reconstruction, rehabilitation, or repair of a school facility and either item #1 or #2 above applies or the district uses one or more of the following methods to ensure student safety: (Education Code 45125.2)

   a. The installation of a physical barrier at the worksite to limit contact with students

   b. Continual supervision and monitoring of all employees of the entity by an employee of the entity whom the Department of Justice has ascertained has not been convicted of a violent or serious felony

CHRONIC ABSENCE AND TRUANCY

The Governing Board believes that absenteeism, whatever the cause, may be an early warning sign of poor academic achievement and may put students at risk of dropping out of school. The Board desires to ensure that all students attend school in accordance with the state's compulsory education law and take full advantage of educational opportunities provided by the district.

(cf. 5113 - Absences and Excuses)
(cf. 5113.11 - Attendance Supervision)

The Superintendent or designee shall establish a system to accurately track student attendance in order to identify individual students who are chronic absentees and truants, as defined in law and administrative regulation, and to identify patterns of absence throughout the district. He/she shall provide the Board with data on school attendance, chronic absence, and truancy rates districtwide, for each school, and disaggregated for each numerically significant student subgroup as defined in Education Code 52052. Such data shall be used in the development of annual goals and specific actions for student attendance and engagement to be included in the district's local control and accountability plan and other applicable school and district plans.

(cf. 0400 - Comprehensive Plans)
(cf. 0420 - School Plans/Site Councils)
(cf. 0450 - Comprehensive Safety Plan)
(cf. 0460 - Local Control and Accountability Plan)
(cf. 0500 - Accountability)

The Superintendent or designee shall develop strategies that focus on prevention of attendance problems, which may include, but are not limited to, efforts to provide a safe and positive school environment, relevant and engaging learning experiences, school activities that help develop students' feelings of connectedness with the school, school-based health services, and incentives and rewards to recognize students who achieve excellent attendance or demonstrate significant improvement in attendance. The Superintendent or designee also shall develop strategies that enable early outreach to students as soon as they show signs of poor attendance.

(cf. 5137 - Positive School Climate)
(cf. 5141.6 - School Health Services)
(cf. 5145.3 - Nondiscrimination/Harassment)

The Superintendent or designee shall consult with students, parents/guardians, school staff, and community agencies, as appropriate, to identify factors contributing to chronic absence and truancy.

CHRONIC ABSENCE AND TRUANCY (continued)

Interventions for students with serious attendance problems shall be designed to meet the specific needs of the student and may include, but are not limited to, health care referrals, transportation assistance, counseling for mental or emotional difficulties, academic supports, efforts to address school or community safety concerns, discussions with the student and parent/guardian about their attitudes regarding schooling, or other strategies to remove identified barriers to school attendance. The Superintendent or designee may collaborate with child welfare services, law enforcement, courts, public health care agencies, other government agencies, and/or medical, mental health, and oral health care providers to make alternative educational programs and support services available for students and families.

(cf. 6183 - Home and Hospital Instruction)

(cf. 6185 - Community Day School)

Students who are identified as truant shall be subject to the interventions specified in law and administrative regulation.

(cf. 5113.12 - District School Attendance Review Board)

A student's truancy, tardiness, or other absence from school shall not be the basis for his/her suspension or expulsion. Alternative strategies and positive reinforcement for attendance shall be used whenever possible.

(cf. 5144 - Discipline)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

The Superintendent or designee shall periodically report to the Board regarding the district's progress in improving student attendance rates for all students and for each numerically significant student population. Such information shall be used to evaluate the effectiveness of strategies implemented to reduce chronic absence and truancy and to make changes as needed. As appropriate, the Superintendent or designee shall engage school staff in program

CHRONIC ABSENCE AND TRUANCY

Definitions

Chronic absentee means a student who is absent for any reason on 10 percent or more of the school days in the school year, when the total number of days the student is absent is divided by the total number of days the student is enrolled and school was actually taught in the regular schools of the district, exclusive of Saturdays and Sundays. (Education Code 60901)

Truant means a student who is absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. (Education Code 48260)

Habitual truant means a student who has been reported as a truant three or more times within the same school year, provided the district has made a conscientious effort to hold at least one conference with the student and his/her parent/guardian after either of the two previous reports. (Education Code 48262, 48264.5)

Chronic truant means a student who has been absent from school without a valid excuse for 10 percent or more of the school days in one school year, from the date of enrollment to the current date, provided the district has met the requirements of Education Code 48260, 48260.5, 48261, 48262, 48263, and 48291. (Education Code 48263.6)

For purposes of classifying a student as a truant, *valid excuse* includes, but is not limited to, the reasons for which a student shall be excused from school pursuant to Education Code 48205 and 48225.5. A valid excuse may include other reasons that are within the discretion of school administrators and, based on the facts of the student's circumstances, are deemed to constitute a valid excuse. (Education Code 48260)

(cf. 5113 - Absences and Excuses)
(cf. 5113.2 - Work Permits)

Addressing Chronic Absence

When a student is identified as a chronic absentee, the Superintendent or designee shall communicate with the student and his/her parents/guardians to determine the reason(s) for the excessive absences, ensure the student and parents/guardians are aware of the adverse consequences of poor attendance, and jointly develop a plan for improving the student's school attendance.

(cf. 5113.11 - Attendance Supervision)
(cf. 6020 - Parent Involvement)

The student may be referred to a student success team or school-site attendance review team to assist in evaluating his/her needs and identifying strategies and programs to assist him/her.

The Superintendent or designee shall establish a comprehensive and integrated system for the early identification of attendance problems and shall implement strategies to encourage students' attendance. After other interventions have been exhausted, students with a pattern of unexcused absences may be referred to a school attendance review board (SARB), in accordance with applicable law, in order to receive intensive guidance and assistance.

DISTRICT SCHOOL ATTENDANCE REVIEW BOARD

Upon receiving a referral of a student with attendance and/or behavior problems, a designated member of the school attendance review board (SARB) shall review the case and may meet with school personnel to determine whether the school has provided sufficient information about the student's attendance record or behavior. If the referral is complete and is an appropriate matter for the SARB to consider, the SARB chairperson shall provide written notification to the student's parents/guardians stating the reasons a referral has been made, explaining the SARB process, advising whether additional information is needed, and describing school-level interventions that have previously been attempted.

The SARB shall meet with the student and his/her parents/guardians, give them an opportunity to present their understanding of the problem, and discuss the school and/or community resources appropriate for the student's circumstances.

Any SARB meeting to consider matters related to an individual student shall be held in closed session unless the parent/guardian requests, in writing, that the meeting be held in open session.

(cf. 9321 - Closed Session Purposes and Agendas)

The SARB shall have access to relevant student records, but shall not provide access to others without written consent of the student's parent/guardian. (Education Code 49076)

(cf. 5125 - Student Records)

For the limited purpose of making a proper disposition of the referral of a student, the SARB may issue subpoenas pursuant to Code of Civil Procedure 1985-1997 or may request the juvenile court to issue subpoenas to require the attendance of the student, parents/guardians or other person having control of the student, the school authority referring the student, or any other person who has pertinent or material information concerning the matter. The SARB shall not issue any subpoena that includes a request for production of written materials, but may request a juvenile court to issue such subpoena for the production of written materials. (Education Code 48263, 48321.5)

The SARB shall issue written directives stating the responsibilities of all persons involved, detailed resource referrals, and follow-up dates for the school's reports on the student's progress. The written directives shall include an agreement that the student will attend school or improve classroom behavior as applicable, and shall be signed by the student, his/her parents/guardians, the SARB chairperson, and the Superintendent or designee.

When referred by the SARB, a student may be assigned to a community day school or a county community school. (Education Code 1981, 48662)

(cf. 6185 - Community Day School)

DISTRICT SCHOOL ATTENDANCE REVIEW BOARD (continued)

At any time it deems proper, the SARB may require the student or his/her parents/guardians to furnish satisfactory evidence of participation in any available community services that the student or parents/guardians have been directed to use. (Education Code 48263)

Based on progress reports submitted by the school, the SARB may terminate the agreement upon the successful completion of the terms of the agreement, extend the time for completion of the agreement, or schedule another meeting with the student and his/her parents/guardians.

If the student's attendance or behavior problems cannot be resolved by the SARB, or if the student and/or the student's parents/guardians continually and willfully fail to respond to SARB directives or the services provided, the student or parents/guardians shall be referred to the appropriate agency, including law enforcement agencies when necessary. (Education Code 48263, 48290-48291)

INTERDISTRICT ATTENDANCE

The Governing Board recognizes that parents/guardians of students who reside within the geographic boundaries of one district may, for a variety of reasons, desire to enroll their children in a school in another district.

(cf. 5111.1 - District Residency)
(cf. 5116.1 - Intradistrict Open Enrollment)
(cf. 5118 - Open Enrollment Act Transfers)

OPTION 1: Interdistrict Attendance Permits

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts. (Education Code 46600)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed to by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement.

OPTION 2: School District of Choice Program

The Board has designated the district as a "school district of choice" and shall accept students who reside in other California districts who wish to attend a district school.

Each year, the Superintendent or designee shall recommend to the Board the number of transfer students that the district will be able to accept and shall identify the schools, grade levels, and programs that will be able to accept these students.

The Board shall, by resolution, annually establish the number of students who will be accepted into the district through this program. Once established, the district shall accept all students who apply to transfer into the district until the district is at maximum capacity. (Education Code 48301)

The Board shall establish a selection process which ensures that students are admitted to district schools through an unbiased process that prohibits an inquiry into or evaluation or consideration of whether or not a student should be enrolled based upon his/her academic or athletic performance, physical condition, proficiency in English, any of the individual characteristics set forth in Education Code 200, or family income. (Education Code 48301)

INTERDISTRICT ATTENDANCE (continued)

If the number of transfer applications exceeds the number of transfers the Board has elected to accept, approval for transfer shall be determined by a random drawing held in public at a regularly scheduled Board meeting. (Education Code 48301)

Because the district admits students in accordance with the school district of choice program, the Superintendent or designee shall not admit students based on individual interdistrict attendance permits pursuant to Education Code 46600-46611 except under extraordinary circumstances.

The Superintendent or designee shall maintain a record of requests for admittance that includes, but is not limited to, all of the following: (Education Code 48313)

1. The number of requests granted, denied, or withdrawn and, for denied requests, the reason for the denial

2. The number of students transferred into and out of the district pursuant to this program

INTERDISTRICT ATTENDANCE

OPTION 1: Interdistrict Attendance Permits

In accordance with an agreement between the Governing Board and the board of another district, a permit authorizing a student's attendance outside his/her district of residence may be issued upon approval of both the district of residence and the district of proposed attendance.

The Superintendent or designee may approve an interdistrict attendance permit for a student for any of the following reasons when stipulated in the agreement:

1. When the student has been determined by staff of either the district of residence or district of proposed attendance to be a victim of an act of bullying as defined in Education Code 48900(r). Such a student shall be given priority for interdistrict attendance under any existing interdistrict attendance agreement or, in the absence of an agreement, shall be given consideration for the creation of a new permit. (Education Code 46600)

(cf. 5131.2 - Bullying)

2. To meet the child care needs of the student. Such a student may be allowed to continue to attend district schools only as long as he/she continues to use a child care provider within district boundaries.

(cf. 5148 - Child Care and Development)

3. To meet the student's special mental or physical health needs as certified by a physician, school psychologist, or other appropriate school personnel.

(cf. 6159 - Individualized Education Program)

4. When the student has a sibling attending school in the receiving district, to avoid splitting the family's attendance.

5. To allow the student to complete a school year when his/her parents/guardians have moved out of the district during that year.

6. To allow the student to remain with a class graduating that year from an elementary, middle, or senior high school.

7. To allow a high school senior to attend the same school he/she attended as a junior, even if his/her family moved out of the district during the junior year.

8. When the parent/guardian provides written evidence that the family will be moving into the district in the immediate future and would like the student to start the year in the district.

INTERDISTRICT ATTENDANCE (continued)

9. When the student will be living out of the district for one year or less.

10. When recommended by the school attendance review board or by county child welfare, probation, or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence.

(cf. 5113.1 - Chronic Absence and Truancy)
(cf. 5113.12 - District School Attendance Review Board)

11. When there is valid interest in a particular educational program not offered in the district of residence.

12. To provide a change in school environment for reasons of personal and social adjustment.

The Superintendent or designee may deny initial requests for interdistrict attendance permits due to limited district resources, overcrowding of school facilities at the relevant grade level, or other considerations that are not arbitrary. ~~However, once a student is admitted, the district may not deny him/her continued attendance because of overcrowded facilities at the relevant grade level.~~

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Within 30 calendar days of a request for an interdistrict permit, the Superintendent or designee shall notify the parents/guardians of a student who is denied interdistrict attendance regarding the process for appeal to the County Board of Education as specified in Education Code 46601. (Education Code 46601)

(cf. 5145.6 - Parental Notifications)

Pending a decision by the two districts or an appeal by the County Board, the Superintendent or designee may provisionally admit a student who resides in another district for a period not to exceed two school months. (Education Code 46603)

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or decisions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

(cf. 5119 - Students Expelled from Other Districts)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

INTERDISTRICT ATTENDANCE (continued)

Once a student is admitted to a school on the basis of an interdistrict attendance permit, he/she shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school in which he/she is enrolled, unless reapplication standards are otherwise specified in the interdistrict attendance agreement except at transitional grades (5^{th}-6^{th}; 8^{th}-9^{th}) . Existing interdistrict attendance permits shall not be rescinded for students entering grade 11 or 12 in the subsequent school year. (Education Code 46600)

OPTION 2: School District of Choice Program

The Superintendent or designee shall communicate with parents/guardians regarding transfer opportunities under the school district of choice program. Communications sent to parents/guardians shall be available in all languages for which translations are required pursuant to Education Code 48985, shall be factually accurate, and shall not target particular neighborhoods or individual parents/guardians on the basis of a child's actual or perceived academic or athletic skill or any other personal characteristic. (Education Code 48301, 48980)

The Superintendent or designee shall also make public announcements regarding district schools, programs, policies, and procedures, including transportation options if applicable, during the enrollment period. (Education Code 48312)

The process for student transfers into the district under the school district of choice program, including, but not limited to, any applicable form, the timeline for a transfer, and an explanation of the selection process, shall be posted on the district's web site. (Education Code 48301)

(cf. 1113 - District and School Web Sites)

Parents/guardians shall submit applications for interdistrict attendance to the district office by January 1 of the school year preceding the school year for which the student may be transferred. The application deadline may be waived upon agreement between the district and the student's district of residence. (Education Code 48308)

The application deadline shall not apply to an application requesting a transfer if the parent/guardian with whom the student resides is enlisted in the military and was relocated by the military within 90 days prior to submitting the application. (Education Code 48308)

(cf. 6173.2 - Education of Children of Military Families)

Priority for transfer under the school district of choice program shall be granted as follows: (Education Code 48306)

INTERDISTRICT ATTENDANCE (continued)

2. Second priority shall be given to students eligible for free or reduced-price meals.

(cf. 3553 - Free and Reduced Price Meals)

3. Third priority shall be given to children of military personnel.

Any existing entrance criteria for specialized schools or programs shall be uniformly applied to all applicants. (Education Code 48305)

The district may deny a transfer into the district under the school district of choice program under either of the following circumstances:

1. The transfer into the district would require the district to create a new program to serve that student, except that the district shall not reject the transfer of a student with disabilities or an English learner. (Education Code 48303)

2. The Board determines that the transfer into the district would negatively impact any of the following: (Education Code 48307)

   a. A court-ordered desegregation plan

   b. A voluntary desegregation plan of the district, consistent with the California Constitution, Article 1, Section 31

   c. The racial and ethnic balance of the district, consistent with the California Constitution, Article 1, Section 31

Whenever the number of transfer applications exceeds the number of interdistrict transfers that may be accepted as annually determined by the Governing Board, students accepted for transfer shall be selected by a random drawing held in public at a regularly scheduled Board meeting. (Education Code 48301)

Between January 1 and February 15 of the school year preceding the school year for which the student is requesting to be transferred, the Superintendent or designee shall notify the parent/guardian in writing whether the application has been provisionally accepted or rejected or of the student's position on any waiting list. (Education Code 48308)

INTERDISTRICT ATTENDANCE (continued)

If a student's application for transfer is accepted, the Superintendent or designee shall so notify the student's district of residence no later than February 15 of the school year preceding the school year for which the student is requesting to be transferred. (Education Code 48308)

The number of students accepted for transfer into the district, by school and grade level, shall be reported to the district of residence on or before February 15. (Education Code 48308)

If a student's application is denied, the Superintendent or designee shall notify the student's parents/guardians that the number of students requesting to transfer exceeded the district's capacity and that the student was not selected during the random drawing. The determination shall be accurately recorded in the minutes of the Board meeting at which the determination was made. (Education Code 48308)

(cf. 9324 - Minutes and Recordings)

For a student whose parent/guardian was relocated by the military 90 days prior to the submission of the application, the district shall make a final decision to accept or reject the application within 90 days of its receipt. If the student's application has been submitted less than 90 days prior to the beginning of the school year, then the district shall accept or deny the application before the school year begins. Upon his/her acceptance, the student may immediately enroll in a district school. (Education Code 48308)

Vacancies may be filled from the waiting list until May 1 of the school year preceding the school year for which students are requesting to be transferred. (Education Code 48308)

The final number of students accepted for transfer into the district, by school and grade level, along with the names of the students, shall be reported to the district of residence on or before May 2. (Education Code 48308)

(cf. 5111.1 - District Residency)
(cf. 5116.1 - Intradistrict Open Enrollment)

Even if the district withdraws from participation in the program, students who attended or received a notice of acceptance into the district before the Board's resolution of withdrawal shall be

INTERDISTRICT ATTENDANCE (continued)

permitted to attend school in the district, and admitted high school students may continue attending school in the district until they graduate from high school. (Education Code 48307, 48308)

The district may accept any completed coursework, attendance, and other academic progress credited to an accepted student by any district(s) he/she has previously attended and may grant academic standing to the student based upon the district's evaluation of the student's academic progress. (Education Code 48309)

(cf. 6146.3 - Reciprocity of Academic Credit)

The district may revoke a student's enrollment if he/she is recommended for expulsion pursuant to Education Code 48918. (Education Code 48309)

Transfers Out of the District

A student whose parent/guardian is in active military duty shall not be prohibited from transferring out of the district, provided the school district of proposed enrollment approves the application for transfer. (Education Code 46600, 48307)

The district may limit transfers out of the district to a school district of choice under any of the following circumstances: (Education Code 48307)

1. The number of student transfers out of the district to a school district of choice has reached the limit specified in Education Code 48307 based on the district's average daily attendance.

2. The County Superintendent of Schools has given the district a negative budget certification or has determined that the district will not meet the state's standards and criteria for fiscal stability in the subsequent fiscal year exclusively as a result of student transfers from this district to a school district of choice.

(cf. 3100 - Budget)

3. The Board determines that the transfer would negatively impact any of the following: (Education Code 48307)

   a. A court-ordered desegregation plan

   b. A voluntary desegregation plan of the district, consistent with the California Constitution, Article 1, Section 31

c. The racial and ethnic balance of the district, consistent with the California Constitution, Article 1, Section 31

EDUCATION FOR FOSTER YOUTH (continued)

a. The student has a right to attend a regular public school in the least restrictive environment.

b. The alternate education program is a special education program, if applicable.

c. The decision to unilaterally remove the student from the district school and to place him/her in an alternate education program may not be financed by the district.

d. If the student is transitioning between school grade levels, he/she shall be allowed to continue in the district of origin in the same attendance area to provide him/her the benefit of matriculating with his/her peers in accordance with the established feeder patterns of school districts. A student who is transitioning to a middle school or high school shall be allowed to enroll in the school designated for matriculation in another school district.

The district liaison may, in consultation with and with the agreement of the foster youth and the person holding the right to make educational decisions for the youth, recommend that the youth's right to attend the school of origin be waived and he/she be enrolled in any school that students living in the attendance area in which the foster youth resides are eligible to attend. All decisions shall be made in accordance with the foster youth's best interests. (Education Code 48853.5)

EDUCATION FOR FOSTER YOUTH (continued)

Prior to making any recommendation to move a foster youth from his/her school of origin, the liaison shall provide the youth and the person holding the right to make educational decisions for the youth with a written explanation of the basis for the recommendation and how the recommendation serves the youth's best interests. (Education Code 48853.5)

The role of the liaison shall be advisory with respect to placement decisions and determination of the school of origin. (Education Code 48853.5)

If the liaison, in consultation with the foster youth and the person holding the right to make educational decisions for the foster youth, agrees that the best interests of the youth would be served by his/her transfer to a school other than the school of origin, the principal or designee of the new school shall immediately enroll the foster youth. The foster youth shall be immediately enrolled even if he/she: (Education Code 48853.5)

1. Has outstanding fees, fines, textbooks, or other items or monies due to the school last attended

Within 30 calendar days of receipt of the Superintendent's decision, the parent/guardian or foster youth may appeal that decision to the Board. The Board shall consider the issue at its next regularly scheduled meeting. The Board's decision shall be final.

(cf. 9320 - Meetings and Notices)

If any dispute arises regarding the request of a foster youth to remain in the school of origin, the youth has the right to remain in the school of origin pending resolution of the dispute. (Education Code 48853.5)

EDUCATION FOR FOSTER YOUTH (continued)

Transportation

The Superintendent or designee shall collaborate with the local child welfare agency to determine how transportation will be provided, arranged, and funded in a cost-effective manner to enable foster youth to remain in their school of origin, for the duration of their time in foster care, when it is in their best interest to do so. Such transportation costs may be paid by either the child welfare agency or the district, or shared by both. (20 USC 6312)

(cf. 3540 - Transportation)
(cf. 3541 - Transportation Routes and Services)

Effect of Absences on Grades

The grades of a student in foster care shall not be lowered for any absence from school that is due to either of the following circumstances: (Education Code 49069.5)

1. A decision by a court or placement agency to change the student's placement, in which case the student's grades shall be calculated as of the date he/she left school

2. A verified court appearance or related court-ordered activity

(cf. 5121 - Grades/Evaluation of Student Achievement)

Transfer of Coursework and Credits

When a foster youth transfers into a district school, the district shall accept and issue full credit for any coursework that the foster youth has satisfactorily completed while attending another public school, a juvenile court school, or a nonpublic, nonsectarian school or agency and shall not require the foster youth to retake the course. (Education Code 51225.2)

If the foster youth did not complete the entire course, he/she shall be issued partial credit for the coursework completed and shall be required to take the portion of the course that he/she did not complete at his/her previous school. However, the district may require the foster youth to retake the portion of the course completed if, in consultation with the holder of educational rights for the foster youth, the district finds that the foster youth is reasonably able to complete the requirements in time to graduate from high school. Whenever partial credit is issued to a foster youth in any particular course, he/she shall be enrolled in the same or equivalent course, if applicable, so that he/she may continue and complete the entire course. (Education Code 51225.2)

Partial credits shall be awarded on the basis of 0.5 credits for every seven class periods attended per subject. If the school is on a block schedule, each block schedule class period

EDUCATION FOR FOSTER YOUTH (continued)

attended shall be equal to two regular class periods per subject. Partial credits and grades earned by a student shall be included on the student's official transcript within two business days of the district's notification of the student's transfer, as required under Education Code 49069.5.

In no event shall the district prevent a foster youth from taking or retaking a course to meet the eligibility requirements for admission to the California State University or the University of California. (Education Code 51225.2)

Applicability of Graduation Requirements

To obtain a high school diploma, a foster youth shall complete all courses required by Education Code 51225.3 and fulfill any additional graduation requirements prescribed by the Board.

(cf. 6146.1 - High School Graduation Requirements)

However, when a foster youth who has completed his/her second year of high school transfers into the district from another school district or transfers between high schools within the district, he/she shall be exempted from all district-adopted coursework and other district-established graduation requirements, unless the district makes a finding that the student is reasonably able to complete the additional requirements in time to graduate from high school by the end of his/her fourth year of high school. Within 30 calendar days of the foster youth's transfer, the Superintendent or designee shall notify the foster youth, the person holding the right to make educational decisions for him/her, and the foster youth's social worker of the availability of the exemption and whether the foster youth qualifies for it. If the Superintendent or designee fails to provide this notification, the student shall be eligible for the exemption once notified, even if the notification occurs after the student is no longer a foster youth. (Education Code 51225.1, 60851)

To determine whether a foster youth is in his/her third or fourth year of high school, the district shall use either the number of credits the foster youth has earned as of the date of the transfer or the length of his/her school enrollment, whichever qualifies him/her for the exemption. (Education Code 51225.1)

The Superintendent or designee shall notify any foster youth who is granted an exemption and the person holding the right to make educational decisions for him/her how any requirements that are waived will affect the foster youth's ability to gain admission to a postsecondary educational institution and shall provide information about transfer opportunities available through the California Community Colleges. (Education Code 51225.1)

EDUCATION FOR FOSTER YOUTH (continued)

The district shall not require or request a foster youth to transfer schools in order to qualify for an exemption and no request for a transfer solely to qualify for an exemption shall be made by a foster youth or any person acting on behalf of a foster youth. (Education Code 51225.1)

If a foster youth is exempted from local graduation requirements, the exemption shall continue to apply after the termination of the court's jurisdiction over the student while he/she is still enrolled in school or if he/she transfers to another school or school district. (Education Code 51225.1)

Upon making a finding that a foster youth is reasonably able to complete district graduation requirements within his/her fifth year of high school, the Superintendent or designee shall: (Education Code 51225.1)

1. Inform the foster youth and the person holding the right to make educational decisions for him/her of the foster youth's option to remain in school for a fifth year to complete the district's graduation requirements and how that will affect his/her ability to gain admission to a postsecondary educational institution

2. Provide information to the foster youth about transfer opportunities available through the California Community Colleges

3. Upon agreement with the foster youth or, if he/she is under 18 years of age, the person holding the right to make educational decisions for him/her, permit the foster youth to stay in school for a fifth year to complete the district's graduation requirements

Eligibility for Extracurricular Activities

A foster youth whose residence changes pursuant to a court order or decision of a child welfare worker shall be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities. (Education Code 48850)

(cf. 6145 - Extracurricular and Cocurricular Activities)
(cf. 6145.2 - Athletic Competition)

Notification and Complaints

Information regarding the educational rights of foster youth shall be included in the annual uniform complaint procedures notification distributed to students, parents/guardians, employees, and other interested parties pursuant to 5 CCR 4622. (Education Code 48853, 48853.5, 49069.5, 51225.1, 51225.2)

EDUCATION FOR FOSTER YOUTH (continued)

(cf. 5145.6 - Parental Notifications)

Any complaint alleging that the district has not complied with requirements regarding the education of foster youth may be filed in accordance with the district's procedures in AR 1312.3 - Uniform Complaint Procedures. If the district finds merit in a complaint, the district shall provide a remedy to the affected student. A complainant not satisfied with the district's decision may appeal the decision to the California Department of Education (CDE) and shall receive a written decision regarding the appeal within 60 days of CDE's receipt of the appeal. If the CDE finds merit in an appeal, the district shall provide a remedy to the affected student. (Education Code 48853, 48853.5, 49069.5, 51225.1, 51225.2)

(cf. 1312.3 - Uniform Complaint Procedures)

EDUCATION OF CHILDREN OF MILITARY FAMILIES

The Governing Board recognizes that children of military families face challenges to their academic success caused by the frequent moves or deployments of their parents/guardians in fulfillment of military service. The district shall provide such students with academic resources, services, and opportunities for extracurricular and enrichment activities that are available to all district students.

(cf. 6011 - Academic Standards)
(cf. 6145 - Extracurricular and Cocurricular Activities)
(cf. 6145.2 - Athletic Competition)

(cf. 5117 - Interdistrict Attendance)
(cf. 6146.1 - High School Graduation Requirements)

(Education Code 49701)

A child of a military family shall be deemed to meet district residency requirements if his/her parent/guardian, while on active military duty pursuant to an official military order, is transferred or is pending transfer to a military installation within the state. Upon request from the new district, the Superintendent or designee shall provide a copy of the student's record to the new district within 10 days. (Education Code 49701)

Placement

Whenever a student's parent/guardian is serving on active duty or has been discharged from military service within the last year and the student transfers to a new school as the direct result of the military transfer or discharge, the Superintendent or designee may, prior to the receipt of official transcript(s) or the arrival of the student, review the student's coursework to date, including any unofficial transcript(s), to determine the appropriate placement of the student in classes. The evaluation shall also include communication with school counselors and teachers at the former school by videoconferencing, email, and/or telephone calls. (Education Code 51251)

The Superintendent or designee shall initially honor the placement of any child of a military family in educational courses and programs based on the child's enrollment and/or assessment in his/her previous school. In addition, when the child of a military family transferring into the district is eligible for services under Section 504 of the federal Rehabilitation Act, the Superintendent or designee shall make reasonable accommodations and modifications to address the needs of the student subject to the student's existing Section 504 plan. The district may authorize subsequent evaluations of the student to ensure appropriate placement. (Education Code 49701)

EDUCATION OF CHILDREN OF MILITARY FAMILIES (continued)

(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)
(cf. 6164.6 - Identification and Education Under Section 504)

Transfer of Coursework and Credits

When a child of a military family transfers into a district school, the district shall accept and issue full credit for any coursework that the student has satisfactorily completed while attending another public school, a nonpublic, nonsectarian school or agency, or a juvenile court school and shall not require the student to retake the course. (Education Code 51225.2)

(cf. 6146.3 - Reciprocity of Academic Credit)
(cf. 6159.2 - Nonpublic, Nonsectarian School or Agency Services for Special Education)

EDUCATION OF CHILDREN OF MILITARY FAMILIES (continued)

Graduation Requirements

To obtain a high school diploma, a child of a military family shall complete all courses required by Education Code 51225.3 and fulfill any additional graduation requirements prescribed by the Governing Board.

(cf. 6146.1 - High School Graduation Requirements)

However, when a child of a military family who has completed his/her second year of high school transfers into the district from another school district or transfers between high schools within the district, he/she shall be exempted from all district-adopted coursework and other district-established graduation requirements, unless the district makes a finding that the student is reasonably able to complete the additional requirements in time to graduate from high school by the end of his/her fourth year of high school. If the Superintendent or designee fails to provide this notification, the student shall be eligible for the exemption once notified, even if the notification occurs after the student no longer meets the definition of a child of a military family pursuant to Education Code 49701. (Education Code 51225.1)

To determine whether a child of a military family is in his/her third or fourth year of high school, the district shall use either the number of credits he/she has earned as of the date of the transfer or the length of his/her school enrollment, whichever qualifies him/her for the exemption. (Education Code 51225.1)

The Superintendent or designee shall notify any child of a military family who is granted an exemption and his/her parent/guardian how any requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and shall provide information about transfer opportunities available through the California Community Colleges. (Education Code 51225.1)

The district shall not require or request a child of a military family to transfer schools in order to qualify for an exemption, and no child of a military family or his/her parent/guardian shall be permitted to request a transfer solely to qualify for an exemption. (Education Code 51225.1)

If a child of a military family is exempted from local graduation requirements, the exemption shall continue to apply after the student no longer meets the definition of a child of a military family or if he/she transfers to another school or school district. (Education Code 51225.1)

EDUCATION OF CHILDREN OF MILITARY FAMILIES (continued)
