Dear SLUSD Board of Education,

The following attachments are requests for your approval for the Middle School's in San Leandro. Over the last year we have worked with Maker experts around Alameda county, collaborated with SLUSD science and art teachers as well as attended a variety of Maker workshops to culminate this well researched list.

Here is the financial breakdown of the items we are requesting. The quotes and shopping carts for the vendors are attached.

Thank you for supporting our Maker Spaces,

Rachel England
