This MEMORANDUM OF UNDERSTANDING (MOU), dated as of _____2018 (Effective Date), is by and between the SAN LEANDRO UNIFIED SCHOOL DISTRICT (DISTRICT) and the SAN LEANDRO EDUCATION FOUNDATION (SLED).

RECITALS

A. The purpose of this MOU is to set forth the terms and conditions for SLED to partially fund the creation of the San Leandro Unified School District's S.T.E.A.M. Pilot program at Garfield Elementary and McKinley Elementary for 2018-2019 and 2019-2020

SHARED GOALS and OBJECTIVES

For the 2018–19 and 2019-20 school years the shared goals and objectives for this project:

- To increase access to hands-on science during the school day and STEAM enrichment programs after school.

DESCRIPTION of PARTNERSHIP

SAN LEANDRO EDUCATION FOUNDATION (SLED) will:

- Donate up to $100,000 per year to support the implementation of the San Leandro Unified School District's S.T.E.A.M. Pilot program at Garfield Elementary and McKinley Elementary for 2018-2019 and 2019-2020.
- Will commit to funding of STEAM pilot program for a minimum of two years at Garfield and McKinley as pilot sites.

THE DISTRICT will:

- Hire a Full-time, 10 month Program Coordinator position which will coordinate lab during the school day and implement after school enrichment program.
- Provide monetary and logistical support for instructional materials and other related costs that align with the district's strategic action plan goals and key initiatives.
- Provide a designated, single-use on-site classroom space for the STEAM Pilot program and all of the standard custodial services required.
- Allow donor recognition in the form of lab signage, school communications and as mutually agreed upon.

- Provide computer hardware and support for the program including: a Promethean Activboard, a MacBook laptop computer, and classroom cart with chromebooks for use during and after school.
- Identifying best practices for pilot program.
- Provide STEAM Pilot program staff with relevant professional development opportunities held by the District including NGSS, PBL and classroom management trainings.
- Monitor and report program data collection and evaluation to the board of education and SLED.

Conflict Resolution

Should a problem arise between the District and SLED regarding the "STEAM Pilot Program" philosophy, program delivery, organization, and expectations, it is expected that both organizations will work diligently together as partners to communicate and resolve the conflict.
