WHEREAS, the State of California ("State") has agreed that local entities, including school districts, may purchase against California Multiple Award Schedules ("CMAS") and other contracts awarded by the State; and

WHEREAS, CMAS contracts fall under the same Public Contract Code that San Leandro Unified School District uses; and

WHEREAS, the contractual terms and conditions of the CMAS contracts made available to school districts comply with prevailing wage rates, contractor licensing and bonding provisions as set forth by the State; and

WHEREAS, the San Leandro Unified School District ("District") desires to contract with **Walker Telecomm, Inc.** for the installation of video surveillance network equipment, cabling, and to provide related warranties and services under CMAS Contract No. 3-18-70-2897J effective April 3, 2018 through September 15, 2019, and with **Advanced Systems Group, LLC** for the purchase of surveillance cameras and servers and related warranties and services under CMAS Contract No. 3-18-84-0069A effective January 2, 2018 through May 31, 2021; and

WHEREAS, the District finds that purchasing the required equipment, services, and consulting expertise from **I.T. WHEREAS, Public Contract Code Sections 10298 and 10299 authorize the State Department of General Services to assist local government entities such as school districts in procuring various goods and services under CMAS contracts without further competitive bidding.
