**It's time to renew your COMPanion Software Subscriptions.** Your Software Subscription provides you with free updates, free upgrades and first class technical support at a predictable yearly rate. In addition, you can receive full credit for your existing software license when purchasing license upgrades. Our records indicate you are licensed for the products on the following page(s).

Please note that should your subscription expire, when it's time to renew, you'll have to renew from the current expiration date. With a software subscription you'll not only be sure you have the latest product with the newest features, but should you need help, our top rated technical support group will be there when you need them.

**For peace of mind, renew your subscription today.**

**YES**, I want to renew our software subscriptions.
