Medical Interpreting

NEW CLASS!

Workforce Readiness Program

Attention:

Bilingual English/Spanish Speakers!

This program prepares bilingual Spanish/English speaking students for the critical job of being a medical interpreter. Students will learn the vocabulary and technical language required to assist patients and doctors with communicating vital healthcare information thereby enabling all parties to make informed medical decisions. ***Course fees include all materials and certification.***

Learn more at OPEN HOUSE
December 13th at 6:00 pm. *(See Page 3)*

In Partnership with:
California School of Interpretation and Translation
For application information:

(209) 577-3161

Para Educator Test Preparation

Start your career in education!

Become a Para Educator!

Prepare to apply for a para educator position with San Leandro Unified School District. A paraprofessional educator, alternatively known as a para educator, para, instructional/educational assistant, or teacher's aide, supports teachers and students in elementary, middle school, and secondary school classrooms.

Workforce Readiness Program

NEW CLASS!
