Building

Community

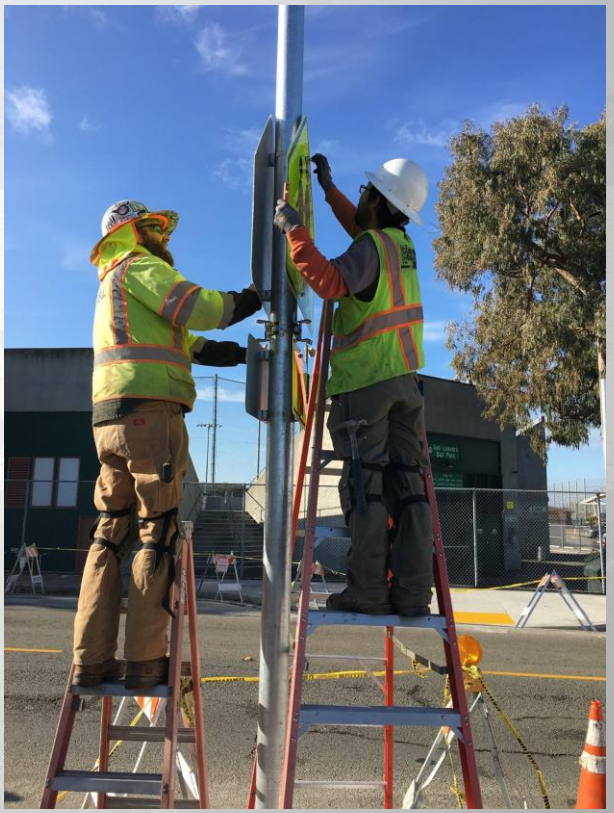

GOAL 5 - Facility and Tech Improvements

Improvements and Upgrades

- Camera System - Measure J
- Crosswalk

A Student's Perspective

- ZaeQuan Washington
- Alexis Belford
- Jason Lopez Garcia

Lincoln Volunteer of the Year

Phillip Abreu

Phil has helped Lincoln for over 4 years in lots of capacities. Our students refer to him as “Grandpa” since he has seen them grow up through the years. He generously comes in at a moment’s notice when we need extra support. Phil also helps during our school-wide events and is our advocate in the community. The students and staff have greatly benefitted from his passion and dedication.

Celebrating Our Schools

Thank you!
