RISE BROWN BAG

Learning Series

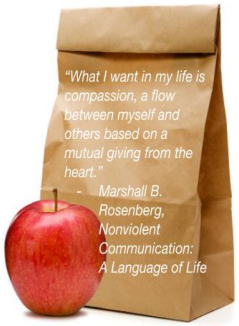

What is an Empathy Circle?
We will gather to experience one of our most valuable gifts we possess as humans — the ability to listen deeply to others, and to be heard and understood by others. This is what we call empathy- listening for understanding, without judgment, or trying to offer advice or fix anything. Empathy is a path to connection and understanding.

SEE OUR NEW STEAM LAB

GRAND OPENING

When: Thurs., October 4 at 8:15 am
Where: Garfield Elementary

Why: Our STEAM lab is a specialized facility for our teachers and students to experience integrated learning in **Science, Technology, Engineering, Arts and Math**. The lab is outfitted with new tools and engaging materials designed to help students learn by doing. We are fortunate to have newly trained staff dedicated to supporting teachers and students in the lab as part of our ongoing efforts to support collaboration

Our STEAM lab is the result of generous support from the San Leandro Educational Foundation. For more information about ways you can support their mission to inspire students, support schools, and strengthen community, visit their website at: www.sledfund.org.
