Continued Consortium Partnership

- New grant applications
  - Workforce Innovation Opportunity Act (WIOA) grant
  - CTE Incentive Grant Program
  - Strong Workforce Grant Application

Partnership Next Steps

- Continue to develop links and programs between community colleges, business and industry, and workforce development partners.
- Continue to build and offer programs and courses that align with post secondary education or apprenticeships with options for students to earn dual enrollment credit
- Institutionalize work based learning opportunities
- Create a sustained recruitment and outreach plan to connect students to the career oriented programs offered at SLUSD and Eden Area ROP
