Working with the Youth Leadership Council

Keziah Moss
Director of Community & Employee Engagement

Sonal Patel
Assist. Superintendent, Educational Services

5 meetings: December-May

Assessed the Strategic Plan by conducting interview style discussions with District leaders and by collecting student voice

Youth Leadership Council

School Board Presentation

May 7, 2019

Trang Bach, Sophia Bansil, Alexandra Gil,
Alejandra Kleineidam, Angelina Pham, Amiri Taylor,
Elizabeth Thomas, Jessica Tsubamoto

Safety & Security

What's Working	Suggestions
• Students feel safe • Cameras • FTK/SLHS crossing improved	• More emergency training for teachers & students • Consistent drills across all campuses

Safety & Security

“I felt that the members of the Youth Leadership Council were very informed and engaging. Their questions about specific topics were not only contemporary but were also forward thinking as to how to make SLUSD a more inviting place to learn and grow.”

Rocky Medeiros
SLUSD Security Consultant

Facilities

What's Working

- Hydration stations
- New libraries
- SLHS Cafeteria

Suggestions

- Ongoing maintenance and custodial support
- Update outdoor areas

Facilities

“I am committed to finding new and innovative ways to improve learning environments for our students. My work is directly connected to their achievement.”

Aaron Kerrigan
Facilities Director

Prevention & Intervention

What's Working

- Student recognition
- Barbara Lee Center
- Muir Moments & Bronco Time

Suggestions

- PBIS incentives are inconsistent
- Emergency access to services
- Ongoing communication

Extension: What are your 3 peaceful solutions?

1. What *suggestions* could you make to *find a peaceful solution* ***to bullying and harassment at our school or off-campus?***
2. Speak up and write a list on the board.
3. Nominate and come to consensus as a class about the **3 most effective peaceful solutions** on the board and *put a star next to the top 3.*

Prevention & Intervention

“I walked away from this session driven to create more access in 2019-2020 for students to have high-quality programs that support their social, emotional, and physical health.”

Joanne Clark
Director of Prevention & Intervention

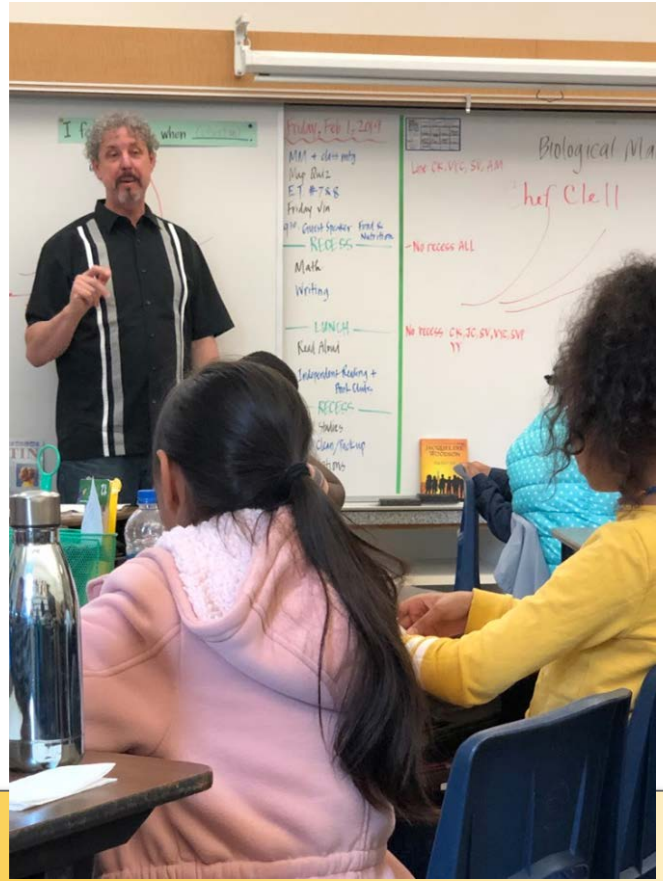

Food Services

What's Working	Suggestions
• Free breakfast • Quality of food • Reduced packaging • Increased access and variety	• Variable portion size • Dietary restriction options • Continued menu variety

Food Services

“Students want more variety and service points. I am committed to exploring new menu items through taste testing. We will also seek out new ways for students to access our meal programs.”

Clell Hoffman
Food Services Director

College & Career

What's Working

- Career exploration
- Internships
- College & Career Center staff & tours
- Articulation with Chabot
- 10 Year Plan

Suggestions

- Continue to focus on vocational options
- Expand more services to middle school
- More life skills
- Strengthen College & Career course
- Consistent counseling appointments

College & Career

“I heard how important it is to breathe life into our college and career connections to make their individual pathways more relevant.”

Lisa Jackson
Career Pathways Program Coordinator

Assessment

What's Working	Suggestions
• Multiple tests for multiple subjects • Assessments are offered at multiple times during the year • Computerized tests • Free PSAT/SAT testing	• Immediate feedback • Explain purpose • Increased parent communication • Different tests to increase interest (STAR)

Assessment

"Students want to know the results of their assessments and how they can use this to improve their learning. They don't mind being assessed if they understand the purpose and if they get feedback."

Dr. Michael Cubacub
Assist. Director of Assessment, Research & Evaluation

Thank you for your time!
