LOCAL CONTROL AND ACCOUNTABILITY PLAN

The Governing Board desires to ensure the most effective use of available funding to improve outcomes for all students. (cf. 0000 - Vision)
(cf. 0200 - Goals for the School District)
(cf. 0415 - Equity)

The Board shall adopt a districtwide local control and accountability plan (LCAP), based on the template adopted by the State Board of Education (SBE), that addresses the state priorities in Education Code 52060 and any local priorities adopted by the Board. The LCAP shall be updated on or before July 1 of each year and, like the district budget, shall cover the next fiscal year and two subsequent fiscal years. (Education Code 52060, 52064; 5 CCR 15494-15497)

(cf. 3100 - Budget)

The LCAP shall focus on improving outcomes for all students, particularly those who are "unduplicated students" or are part of any numerically significant student subgroup that is at risk of or is underperforming.

Unduplicated students include students who are eligible for free or reduced-price meals, English learners, and foster youth, as defined in Education Code 42238.01 for purposes of the local control funding formula (LCFF). (Education Code 42238.02)

(cf. 0440 - District Technology Plan)
(cf. 0450 - Comprehensive Safety Plan)
(cf. 5030 - Student Wellness)
(cf. 6171 - Title I Programs)
(cf. 7110 - Facilities Master Plan)

As part of the LCAP adoption and annual update to the LCAP, the Board shall separately adopt an LCFF budget overview for parents/guardians, based on the template developed by the SBE, which includes specified information relating to the district's budget. The budget overview shall be adopted, reviewed, and approved in the same manner as the LCAP and the annual update. (Education Code 52064.1)

Any complaint that the district has not complied with legal requirements pertaining to the LCAP may be filed pursuant to AR 1312.3 - Uniform Complaint Procedures. (Education Code 52075)

Whenever district enrollment includes at least 15 percent English learners, with at least 50 students who are English learners, the Board shall establish an English learner parent advisory committee composed of a majority of parents/guardians of English learners to review and comment on the LCAP. (Education Code 52063; 5 CCR 15495)

The Superintendent or designee shall present the LCAP to the committee(s) before it is submitted to the Board for adoption, and shall respond in writing to comments received from the committee(s). (Education Code 52062)

The Superintendent or designee shall notify members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP. (Education Code 305-306)

The Superintendent or designee shall consult with the administrator(s) of the special education local plan area of which the district is a member to ensure that specific actions for students with disabilities are included in the LCAP and are consistent with strategies included in the annual assurances support plan for the education of students with disabilities. (Education Code 52062)

(cf. 0430 - Comprehensive Local Plan for Special Education)

The Board shall hold at least one public hearing to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed

LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

Adoption of the Plan

The Board shall adopt the LCAP prior to adopting the district budget, but at the same public meeting. This meeting shall be held after the public hearing described above, but not on the same day as the hearing. (Education Code 52062)

The Board may adopt revisions to the LCAP at any time during the period in which the plan is in effect, provided the Board follows the process to adopt the LCAP pursuant to Education Code 52062 and the revisions are adopted in a public meeting. (Education Code 52062)

Submission of Plan to County Superintendent of Schools

Not later than five days after adoption of the LCAP, the district budget, and the budget overview for parents/guardians, the Board shall file the LCAP, the budget, and the budget overview with the County Superintendent of Schools. (Education Code 42127, 52064.1, 52070)

If the County Superintendent then submits recommendations for amendments to the LCAP within 15 days of receiving the Board's response, the Board shall consider those recommendations in a public meeting within 15 days of receiving the recommendations. (Education Code 52070)

If the County Superintendent does not approve the district's LCAP, the Board shall accept technical assistance from the County Superintendent focused on revising the plan so that it can be approved. (Education Code 52071)

Monitoring Progress

The Superintendent or designee shall report to the Board, at least annually in accordance with the timeline and indicators established by the Superintendent and the Board, regarding the district's progress toward attaining each goal identified in the LCAP. Evaluation shall include, but not be limited to, an assessment of district and school performance reported on the California School Dashboard. Evaluation data shall be used to recommend any necessary revisions to the LCAP.

(cf. 0500 - Accountability)

This notice shall be disseminated by mail, fax, or email to either or both of the following:

      (1) All contractors on a list of qualified contractors maintained by the district for the category of work being bid, unless the product or service is proprietary, at least 10 calendar days before bids are due

      (2) All construction trade journals identified pursuant to Public Contract Code 22036

   b. The district shall review the informal bids that were submitted and award the contract, except that:

      (1) If all bids received through the informal process are in excess of $200,000, the contract may be awarded to the lowest responsible bidder, provided that the Governing Board adopts a resolution with a four-fifths vote to award the contract at $212,500 or less and the Board determines the district's cost estimate is reasonable.

      (2) If no bids are received through the informal bid procedure, the project may be performed by district employees by force account or negotiated contract.

3. Public projects of more than $200,000 shall, except as otherwise provided by law, be subject to formal bidding procedures, as follows: (Public Contract Code 22032, 22037, 22038)

(2) By mail and electronically, if available, by either fax or email, to all construction trade journals identified pursuant to Public Contract Code 22036. Such notice shall be sent at least 15 calendar days before the date that bids will be opened.

In addition to the notice required above, the district may give such other notice as it deems proper.

b. The district shall award the contract as follows:

(1) The contract shall be awarded to the lowest responsible bidder. If two or more bids are the same and the lowest, the district may accept the one it chooses.

(2) At its discretion, the district may reject all bids presented and declare that the project can be more economically performed by district employees, provided that the district notifies an apparent low bidder, in writing, of the district's intention to reject the bid. Such notice shall be mailed at least two business days prior to the hearing at which the district intends to reject the bid.

(3) If no bids are received through the formal bid procedure, the project may be performed by district employees by force account or negotiated contract.

(cf. 3311 - Bids)

TRANSPORTATION SAFETY AND EMERGENCIES

Cautionary Notice: Government Code 17581.5 relieves districts from the obligation to perform specified mandated activities when the Budget Act does not provide reimbursement during that fiscal year. The Budget Act of 2018 (SB 840, Ch. 29, Statutes of 2018) extends the suspension of these requirements through the 2018-19 fiscal year. As a result, certain provisions of the following administrative regulation related to transportation safety plans and safety instruction for students may be suspended.

Each day, prior to driving a school bus, each school bus driver shall inspect the bus to ensure that it is in safe operating condition and equipped as required by law and that all equipment is in good working order. At the completion of each day's work, the driver shall prepare and sign a written report of the condition of the equipment specified in 13 CCR 1215. The report shall indicate any defect or deficiency discovered by or reported to the driver which would affect safe operation or result in mechanical breakdown of the bus. If no defect or deficiency is discovered or reported, the driver shall so indicate on the report. Any defect or deficiency that would affect safe operation shall be repaired prior to operating the bus. (13 CCR 1215)

(cf. 3540 - Transportation)
(cf. 3541.1 - Transportation for School-Related Trips)
(cf. 3542 - School Bus Drivers)

Passenger Restraint Systems

The Superintendent or designee shall ensure that any school bus or student activity bus which is purchased or leased by the district is equipped with a combination pelvic and upper torso passenger restraint system at all designated seating positions if that bus: (Vehicle Code 27316, 27316.5; 13 CCR 1201)

1. Is a Type 1 school bus designed for carrying more than 16 passengers and the driver, and was manufactured on or after July 1, 2005

2. Is a Type 2 school bus or student activity bus designed for carrying 16 or fewer passengers and the driver, or for carrying 20 or fewer passengers and the driver if the bus has a manufacturer's vehicle weight rating of 10,000 pounds or less, and was manufactured on or after July 1, 2004

The Superintendent or designee shall prioritize the allocation of school buses purchased, leased, or contracted to ensure that elementary students receive first priority for new school buses equipped with passenger restraint systems whenever feasible.

When a school bus or student activity bus is equipped with a passenger restraint system, all passengers shall use the passenger restraint system. (5 CCR 14105)

Bus drivers shall be instructed regarding procedures to enforce the proper use of the passenger restraint system. Students who fail to follow instructions of the bus driver may be subject to discipline, including suspension of riding privileges, in accordance with Board policy and administrative regulations.

TRANSPORTATION SAFETY AND EMERGENCIES (continued)

(cf. 5131.1 - Bus Conduct)
(cf. 5144 - Discipline)

Fire Extinguishers

Each school bus shall be equipped with at least one fire extinguisher, located in the driver's compartment, which meets the standards specified in law. In addition, a wheelchair school bus shall have another fire extinguisher placed at the wheelchair loading door or emergency exit. All fire extinguishers shall be regularly inspected and serviced in accordance with regulations adopted by the State Fire Marshal. (Education Code 39838; 13 CCR 1242; 19 CCR 574-575.3)

Child Safety Alert System

In accordance with Vehicle Code 28160, each school bus or student activity bus shall be equipped with an operational child safety alert system at the interior rear of the bus that requires the driver to either manually contact or scan the device, thereby prompting the driver to inspect the entirety of the interior of the vehicle before exiting.

A student activity bus that does not have a child safety alert system may be used only if all of the following apply: (Vehicle Code 28160)

1. The student activity bus is not used exclusively to transport students.

2. When the student activity bus is used to transport students, the students are accompanied by at least one adult chaperone selected by a school official. If an adult chaperone is not a school employee, the chaperone shall meet the requirements for a school volunteer.

(cf. 1240 - Volunteer Assistance)

3. One adult chaperone has a list of every student and adult chaperone, including a school employee, who is on the student activity bus at the time of departure.

4. The driver has reviewed all safety and emergency procedures before the initial departure, and the driver and adult chaperone have signed a form, with the time and date, acknowledging that the safety plan and procedures were reviewed.

5. Immediately before departure from any location, the adult chaperone shall account for each student on the list of students, verify the number of students to the driver, and sign a form indicating that all students are present or accounted for.

TRANSPORTATION SAFETY AND EMERGENCIES (continued)

6. After students have exited a student activity bus, and before driving away, the driver shall check all areas of the bus, including, but not limited to, overhead compartments and bathrooms, to ensure that the bus is vacant.

7. The driver shall sign a form with the time and date verifying that all required procedures have been followed.

8. The information required to be recorded pursuant to items #4, 5, and 7 may be recorded on a single form and shall be retained by the district for a minimum of two years.

Electronic Communications Devices

A bus driver is prohibited from driving a school bus or student activity bus while using a wireless telephone or other electronic wireless communications device except for work-related or emergency purposes, including, but not limited to, contacting a law enforcement agency, health care provider, fire department, or other emergency service agency or entity. In any such permitted situation, the driver shall only use a wireless telephone or device that is specifically designed and configured to allow voice-operated and hands-free operation or a function that requires only a single swipe or tap of the driver's finger provided the device is mounted on the windshield, dashboard, or center console of the bus. (Vehicle Code 23123.5, 23125)

Safe Bus Operations

School buses and student activity buses shall not be operated whenever the number of passengers exceeds bus seating capacity, except when necessary in emergency situations which require that individuals be transported immediately to ensure their safety. (Education Code 39834)

(cf. 3516 - Emergencies and Disaster Preparedness Plan)

School bus operations shall be limited when atmospheric conditions reduce visibility on the roadway to 200 feet or less during regular home-to-school transportation service. Bus drivers for school activity trips may discontinue bus operation whenever they determine that it is unsafe to continue operation because of reduced visibility. (Vehicle Code 34501.6)

Unauthorized Entry

The Superintendent or designee may place a notice at bus entrances that warns against unauthorized entry. The driver or another school official may order any person to disembark if that person enters a bus without prior authorization. (Education Code 39842; 13 CCR 1256.5)

(cf. 5131 - Conduct)
(cf. 5131.1 - Bus Conduct)
(cf. 6159.4 - Behavioral Interventions for Special Education Students)

Definitions

Behavioral restraint includes mechanical restraint or physical restraint used as an intervention when a student presents an immediate danger to self or to others. Behavioral restraint does not include postural restraints or devices used to improve a student's mobility and independent functioning rather than to restrict movement. (Education Code 49005.1)

Mechanical restraint means the use of a device or equipment to restrict a student's freedom of movement. Mechanical restraint does not include the use of devices as prescribed by an appropriate medical or related services professional, including, but not limited to, adaptive devices or mechanical supports used to achieve proper body position, balance, or alignment; vehicle safety restraints during the transport of a student; restraints for medical immobilization; or orthopedically prescribed devices which permit a student to participate in activities without risk of harm. Mechanical restraint also does not include the use of devices by peace officers or security personnel for detention or for public safety purposes. (Education Code 49005.1)

(cf. 3515.3 - District Police/Security Department)

Physical restraint means a personal restriction that immobilizes or reduces the ability of a student to move the torso, arms, legs, or head freely. Physical restraint does not include a physical escort in which a staff member temporarily touches or holds the student's hand, wrist, arm, shoulder, or back for the purpose of inducing a student who is acting out to walk to a safe location. Physical restraint also does not include the use of force by peace officers or security personnel for detention or for public safety purposes. (Education Code 49005.1)

Prone restraint means the application of a behavioral restraint on a student in a facedown position. (Education Code 49005.1)

Seclusion means the involuntary confinement of a student alone in a room or an area from which the student is physically prevented from leaving. Seclusion does not include a timeout involving the monitored separation of the student in an unlocked setting, which is implemented for the purpose of calming the student. (Education Code 49005.1)

USE OF SECLUSION AND RESTRAINT (continued)

Prohibitions

Seclusion and behavioral restraint of students shall not be used in any form as a means of coercion, discipline, convenience, or retaliation. (Education Code 49005.8)

(cf. 5144 - Discipline)

In addition, staff shall not take any of the following actions: (Education Code 49005.2, 49005.8)

1. Administer a drug that is not a standard treatment for a student's medical or psychiatric condition in order to control the student's behavior or restrict the student's freedom of movement

2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use as a locked room

3. Use a physical restraint technique that obstructs a student's respiratory airway or impairs a student's breathing or respiratory capacity, including a technique in which a staff member places pressure on the student's back or places his/her body weight against the student's torso or back

4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, the use of a pillow, blanket, carpet, mat, or other item to cover a student's face

5. Place a student in a facedown position with the student's hands held or restrained behind the student's back

6. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the student or others

Limited Use of Seclusion or Restraint

Staff shall avoid the use of seclusion and behavioral restraint of students whenever possible. Seclusion or behavioral restraint may be used only to control student behavior that poses a clear and present danger of serious physical harm to the student or others, which cannot be prevented by a response that is less restrictive. (Education Code 49005.4, 49005.6, 49005.8)

(cf. 5131.4 - Student Disturbances)
(cf. 5131.7 - Weapons and Dangerous Instruments)

If a student is put in seclusion, the student shall be under constant, direct observation of a staff member. Such observation may be through a window or another barrier through which

USE OF SECLUSION AND RESTRAINT (continued)

the staff member is able to make direct eye contact with the student, but shall not be made through indirect means such as a security camera or closed-circuit television. (Education Code 49005.8)

If a student is restrained, staff shall afford the student the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the student and others. (Education Code 49005.8)

If a prone restraint technique is used on a student, a staff member shall observe the student for any signs of physical distress throughout the use of the restraint. Whenever possible, the staff member monitoring the student shall not be involved in restraining the student. (Education Code 49005.8)

Reports

The Superintendent or designee shall annually collect data on the number of times that seclusion, mechanical restraint, and physical restraint were used on students and the number of students subjected to such techniques. The data shall be disaggregated by race/ethnicity and gender, and reported for students with a Section 504 plan, students with an individualized education program, and all other students. This report shall be submitted to the California Department of Education no later than three months after the end of each school year, and shall be available as a public record pursuant to Government Code 6250-6270. In developing measures and strategies for use by the district, the Superintendent or designee may consult with school health professionals, school counselors, school psychologists, school social workers, administrators, other staff, parents/guardians, students, suicide prevention experts, local health agencies, mental health professionals, and community organizations.

(cf. 1220 - Citizen Advisory Committees)
(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

SUICIDE PREVENTION (continued)

5. Encouragement for students to notify appropriate school personnel or other adults when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions

6. Crisis intervention procedures for addressing suicide threats or attempts

7. Counseling and other postvention strategies for helping students, staff, and others cope in the aftermath of a student's suicide

As appropriate, these measures and strategies shall specifically address the needs of students who are at high risk of suicide, including, but not limited to, students who are bereaved by suicide; students with disabilities, mental illness, or substance use disorders; students who are experiencing homelessness or who are in out-of-home settings such as foster care; and students who are lesbian, gay, bisexual, transgender, or questioning youth. Suicide prevention instruction shall be incorporated into the health education curriculum at appropriate secondary grades and shall be designed to help students:

1. Identify and analyze signs of depression and self-destructive behaviors and understand how feelings of depression, loss, isolation, inadequacy, and anxiety can lead to thoughts of suicide

2. Develop coping and resiliency skills and self-esteem

3. Learn to listen, be honest, share feelings, and get help when communicating with friends who show signs of suicidal intent

4. Identify trusted adults, school resources, and/or community crisis intervention resources where youth can get help and recognize that there is no stigma associated with seeking services for mental health, substance abuse, and/or suicide prevention

(cf. 6142.8 - Comprehensive Health Education)

Students shall be encouraged to notify a teacher, principal, counselor, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions.

SUICIDE PREVENTION (continued)

Every statement regarding suicidal intent shall be taken seriously. Whenever a staff member suspects or has knowledge of a student's suicidal intentions based on the student's verbalizations or act of self-harm, the staff member shall promptly notify the principal or school counselor, who shall implement district intervention protocols as appropriate.

Although any personal information that a student discloses to a school counselor shall generally not be revealed, released, referenced, or discussed with third parties, the counselor may report to the principal or student's parents/guardians when there is reasonable cause to believe that disclosure is necessary to avert a clear and present danger to the health, safety, or welfare of the student or others within the school community. In addition, the counselor may disclose information of a personal nature to psychotherapists, other health care providers, or the school nurse for the sole purpose of referring the student for treatment. (Education Code 49602)

(cf. 5141 - Health Care and Emergencies)

School employees shall act only within the authorization and scope of their credential or license. An employee is not authorized to diagnose or treat mental illness unless specifically licensed and employed to do so. (Education Code 215)

(cf. 5138 - Conflict Resolution/Peer Mediation)

When a suicide attempt or threat is reported, the principal or designee shall ensure student safety by taking the following actions:

1. Immediately securing medical treatment and/or mental health services as necessary

2. Notifying law enforcement and/or other emergency assistance if a suicidal act is being actively threatened

3. Keeping the student under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene

4. Removing other students from the immediate area as soon as possible

(cf. 0450 - Comprehensive Safety Plan)
(cf. 5141 - Health Care and Emergencies)

(cf. 5125 - Student Records)

The Superintendent or designee shall follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed. If the parent/guardian does not access treatment for the student, the Superintendent or designee may meet with the parent/guardian to identify barriers to treatment and assist the family in providing follow-up care for the student. If follow-up care is still not provided, the Superintendent or designee shall consider whether it is necessary, pursuant to laws for mandated reporters of child neglect, to refer the matter to the local child protective services agency.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

For any student returning to school after a mental health crisis, the principal or designee and/or school counselor may meet with the parents/guardians and, if appropriate, with the student to discuss re-entry and appropriate next steps to ensure the student's readiness for return to school and determine the need for ongoing support.

Postvention

In the event that a student dies by suicide, the Superintendent or designee shall communicate with the student's parents/guardians to offer condolences, assistance, and resources. In accordance with the laws governing confidentiality of student record information, the Superintendent or designee shall consult with the parents/guardians regarding facts that may be divulged to other students, parents/guardians, and staff.

The Superintendent or designee shall implement procedures to address students' and staff's grief and to minimize the risk of imitative suicide or suicide contagion. The Superintendent or designee shall provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. School staff may receive assistance from school counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

Any response to media inquiries shall be handled by the district-designated spokesperson who shall not divulge confidential information. The district's response shall not sensationalize suicide and shall focus on the district's postvention plan and available resources.

(cf. 1112- Media Relations)

SUICIDE PREVENTION (continued)

After any suicide or attempted suicide by a student, the Superintendent or designee shall provide an opportunity for all staff who responded to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

DISCIPLINE

The Governing Board is committed to providing a safe, supportive, and positive school environment which is conducive to student learning and achievement and desires to prepare students for responsible citizenship by fostering self-discipline and personal responsibility. The Board believes that high expectations for student behavior, use of effective school and classroom management strategies, provision of appropriate intervention and support, and parent/guardian involvement can minimize the need for disciplinary measures that exclude students from instruction as a means for correcting student misbehavior.

(cf. 5113.1 - Chronic Absence and Truancy)

The strategies shall focus on providing students with needed supports; communicating clear, appropriate, and consistent expectations and consequences for student conduct; and ensuring equity and continuous improvement in the implementation of district discipline policies and practices.

(cf. 5138 - Conflict Resolution/Peer Mediation)
(cf. 6164.2 - Guidance/Counseling Services)

In addition, the Superintendent or designee's strategies for correcting student misconduct shall reflect the Board's preference for the use of positive interventions and alternative disciplinary measures over exclusionary discipline measures.

Disciplinary measures that may result in loss of instructional time or cause students to be disengaged from school, such as detention, suspension, and expulsion, shall be imposed only when required or permitted by law or when other means of correction have been documented to have failed. The Superintendent or designee shall create a model discipline matrix that lists violations and the consequences for each as allowed by law.

When choosing between different disciplinary strategies, staff shall consider the effect of each option on the student's health, well-being, and opportunity to learn.

Staff shall enforce disciplinary rules fairly, consistently, and in accordance with the district's nondiscrimination policies.

(cf. 5125 - Student Records)

Recess Restriction

Teachers may restrict a student's recess time only when they believe that this action is the most effective way to bring about improved behavior. When recess restriction involves the withholding of physical activity from a student, teachers shall try other disciplinary measures before imposing the restriction. Recess restriction shall be subject to the following conditions:

1. The student shall be given adequate time to use the restroom and get a drink or eat lunch, as appropriate.

2. The student shall remain under a certificated employee's supervision during the period of restriction.

DISCIPLINE (continued)

Such service may include, but is not limited to, community or school outdoor beautification, community or campus betterment, and teacher, peer, or youth assistance programs. (Education Code 48900.6)

This community service option is not available for a student who has been suspended, pending expulsion, pursuant to Education Code 48915. 4. Annually notify all students and parents/guardians of the district's nondiscrimination policy, including its responsibility to provide a safe, nondiscriminatory school environment for all students, including transgender and gender-nonconforming students. The notice

shall inform students and parents/guardians that they may

NONDISCRIMINATION/HARASSMENT (continued)

request to meet with the compliance officer to determine how best to accommodate or resolve concerns that may arise from the district's implementation of its nondiscrimination policies. The notice shall also inform all students and parents/guardians that, to the extent possible, the district will address any individual student's interests and concerns in private.

(cf. 5145.6 - Parental Notifications)

5. The Superintendent or designee shall ensure that students and parents/guardians, including those with limited English proficiency, are notified of how to access the relevant information provided in the district's nondiscrimination policy and related complaint procedures, notices, and forms in a language they can understand.

   If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning nondiscrimination shall be translated into that language in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

6. Provide to students, employees, volunteers, and parents/guardians age-appropriate training and information regarding the district's nondiscrimination policy; what constitutes prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them. Such training and information shall include details of guidelines the district may use to provide a discrimination-free environment for all district students, including transgender and gender-nonconforming students.

NONDISCRIMINATION/HARASSMENT (continued)

Enforcement of District Policy

The Superintendent or designee shall take appropriate actions to reinforce BP 5145.3 - Nondiscrimination/Harassment. As needed, these actions may include any of the following:

1. Removing vulgar or offending graffiti

(cf. 5131.5 - Vandalism and Graffiti)

2. Providing training to students, staff, and parents/guardians about how to recognize unlawful discrimination, how to report it or file a complaint, and how to respond

3. Disseminating and/or summarizing the district's policy and regulation regarding unlawful discrimination

4. Consistent with laws regarding the confidentiality of student and personnel records, communicating to students, parents/guardians, and the community the school's response plan to unlawful discrimination or harassment

(cf. 5125 - Student Records)

5. Taking appropriate disciplinary action against students, employees, and anyone determined to have engaged in wrongdoing in violation of district policy, including any student who is found to have filed a complaint of discrimination that he/she knew was not true

(cf. 4118 - Dismissal/Suspension/Disciplinary Action)
(cf. 4218 - Dismissal/Suspension/Disciplinary Action)
(cf. 5144 - Discipline)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

Process for Initiating and Responding to Complaints

Any student who feels that he/she has been subjected to unlawful discrimination described above or in district policy is strongly encouraged to immediately contact the compliance officer, principal, or any other staff member. In addition, any student who observes any such incident is

strongly encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

NONDISCRIMINATION/HARASSMENT (continued)

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall report the incident to the compliance officer or principal within a school day, whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When a verbal report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal or compliance officer, he/she shall make a note of the report and encourage the student or parent/guardian to file the complaint in writing, pursuant to the provisions in AR 1312.3 - Uniform Complaint Procedures. Once notified verbally or in writing, the principal or compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, compliance officer, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

Transgender and Gender-Nonconforming Students

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense of his/her gender, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

NONDISCRIMINATION/HARASSMENT (continued)

Transgender student means a student whose gender identity is different from the gender he/she was assigned at birth.

Regardless of whether they are sexual in nature, acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment are prohibited. Examples of the types of conduct which are prohibited in the district and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with his/her gender identity

2. Disciplining or disparaging a student or excluding him/her from participating in activities for behavior or appearance that is consistent with his/her gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable

3. Blocking a student's entry to the restroom that corresponds to his/her gender identity

4. Taunting a student because he/she participates in an athletic activity more typically favored by a student of the other sex

5. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent

6. Use of gender-specific slurs

7. Physical assault of a student motivated by hostility toward him/her because of his/her gender, gender identity, or gender expression

The district's uniform complaint procedures (AR 1312.3) shall be used to report and resolve complaints alleging discrimination against transgender and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list, as well as improper rejection by the district of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with the following guidelines:

NONDISCRIMINATION/HARASSMENT (continued)

1. Right to privacy: A student's transgender or gender-nonconforming status is his/her private information and the district shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the district shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the district pursuant to 34 CFR 99.31. Any district employee to whom a student's transgender or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a district employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless he/she is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the district's ability to meet the student's needs related to his/her status as a transgender or gender-nonconforming student. If the student permits the employee to notify the compliance officer, the employee shall do so within three school days.

   As appropriate given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's transgender or gender-nonconformity status or gender identity or gender expression to his/her parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The district shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

(cf. 1340 - Access to District Records)
(cf. 3580 - District Records)

2. Determining a Student's Gender Identity: The compliance officer shall accept the student's assertion of his/her gender identity and begin to treat the student consistent with his/her gender identity unless district personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose.

3. Addressing a Student's Transition Needs: The compliance officer shall arrange a meeting with the student and, if appropriate, his/her parents/guardians to identify and develop strategies for ensuring that the student's access to education programs and activities is maintained. The meeting shall discuss the transgender or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or

activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to his/her status as a transgender or gender-nonconforming individual, so that prompt action can be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are meeting his/her educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.

4. Accessibility to Sex-Segregated Facilities, Programs, and Activities: When the district maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the district shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, access to a staff member's office, or use of the locker room before or after the other students. However, the district shall not require a student to utilize these options because he/she is transgender or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with his/her gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with his/her gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.

(cf. 6145 - Extracurricular and Cocurricular Activities)
(cf. 6145.2 - Athletic Competition)
(cf. 6153 - School-Sponsored Trips)
(cf. 7110 - Facilities Master Plan)

5. Student Records: A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed with proper documentation. However, at the written request of a student or, if appropriate, his/her parents/guardians, the district shall use the student's preferred name and pronouns consistent with his/her gender identity on all other district-related documents. Such preferred name may be added to the student's record and official documents as permitted by law.

(cf. 5125 - Student Records)
(cf. 5125.1 - Release of Directory Information)

NONDISCRIMINATION/HARASSMENT (continued)

6. Names and Pronouns: If a student so chooses, district personnel shall be required to address the student by a name and the pronouns consistent with his/her gender identity, without the necessity of a court order or a change to his/her official district record. However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying district policy.

7. Uniforms/Dress Code: A student has the right to dress in a manner consistent with his/her gender identity, subject to any dress code adopted on a school site.

(cf. 5132 - Dress Code)

MARRIED/PREGNANT/PARENTING STUDENTS

The Governing Board recognizes that responsibilities related to marriage, pregnancy, or parenting and related responsibilities may disrupt a student's education and increase the chance of a student dropping out of school. The Board therefore desires to support married, pregnant, and parenting students to continue their education, attain strong academic and parenting skills, and promote the healthy development of their children.

(cf. 5113.1 - Chronic Absence and Truancy)
(cf. 5147 - Dropout Prevention)
(cf. 6011 - Academic Standards)
(cf. 6164.5 - Student Success Teams)

The district shall not exclude or deny any student from any educational program or activity, including any class or extracurricular activity, solely on the basis of the student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or related recovery. In addition, the district shall not adopt any rule concerning a student's actual or potential parental, family, or marital status that treats students differently on the basis of sex. (Education Code 221.51, 230; 5 CCR 4950; 34 CFR 106.40)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

The Superintendent or designee shall annually notify parents/guardians at the beginning of the school year of the rights and options available to pregnant and parenting students under the law. In addition, pregnant and parenting students shall be notified of the rights and options available to them under the law through annual school year welcome packets and through independent study packets. (Education Code 222.5, 48980)

Former students who were interned by order of the federal government during World War II or who are honorably discharged veterans of World War II, the Korean War, or the Vietnam War, provided that they were enrolled in a district school immediately preceding the internment or military service and did not receive a diploma because their education was interrupted due to the internment or military service in those wars. Deceased former students who satisfy these conditions may be granted a retroactive diploma to be received by their next of kin.

HOME AND HOSPITAL INSTRUCTION

A student with a temporary disability which makes school attendance impossible or inadvisable shall be entitled to receive individual instruction at home or in a hospital or other residential health facility, excluding state hospitals. (Education Code 48206.3)

(cf. 5112.2 - Exclusions from Attendance)

Temporary disability means a physical, mental, or emotional disability incurred while a student is enrolled in regular day classes or an alternative education program, and after which the student can reasonably be expected to return to regular day classes or the alternative education program in which the student is enrolled. *Temporary disability* does not include a disability that would qualify a student for special education pursuant to Education Code 56026. (Education Code 48206.3)

(cf. 5141.22 - Infectious Diseases)
(cf. 6158 - Independent Study)
(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)

At the beginning of the school year, the Superintendent or designee shall notify parents/guardians of district students regarding: (Education Code 48206.3, 48208, 48980)

1. The availability of individual instruction for any student with a temporary disability, including information regarding student eligibility for, and the duration of, individual instruction

2. The rights and responsibilities of parents/guardians of any student with a temporary disability pursuant to Education Code 48207 and 48208

(cf. 5145.6 - Parental Notifications)

Parents/guardians shall notify the principal or designee when their child is temporarily disabled and needs individual instruction at home or in a hospital or other residential health facility.

Determination of Student Eligibility

Not later than five working days after receiving notification from a parent/guardian that a student has a temporary disability, the Superintendent or designee shall determine whether the student will be able to receive individual instruction at home or in a hospital or residential health facility. (Education Code 48208)

The Superintendent or designee may require verification through any reasonable means that the student is temporarily disabled and needs individual instruction.

HOME AND HOSPITAL INSTRUCTION (continued)

Provision of Individual Instruction

Individual instruction at a student's home or in a hospital or other residential health facility shall begin no later than five working days after the Superintendent or designee makes the determination that the student is eligible to receive individual instruction. (Education Code 48207.5, 48208)

The district shall be responsible for providing individual instruction to any temporarily disabled student who is in a hospital or other residential health facility located within district boundaries, whether or not the student is enrolled in the district. If the student is enrolled in another district, the Superintendent or designee may enter into an agreement to have the student's district of residence provide the individual instruction. The Superintendent or designee may also enter into an agreement to provide individual instruction to a district student who is in a hospital or other residential health facility located within the boundaries of another district. (Education Code 48208)

(cf. 5111.1 - District Residency)

Whenever the district provides individual instruction to a non-district student who is in a hospital or other residential health facility located within district boundaries, the Superintendent or designee shall, within five working days of the beginning of the individual instruction, provide written notification to the student's district of residence that, effective on the date on which individual instruction began, the district of residence may not count the student for purposes of computing that district's average daily attendance. (Education Code 48208)

A student receiving individual instruction in a hospital or residential health facility for a partial week shall be entitled to attend school or receive individual instruction at home on days in which the student is not receiving individual instruction in the hospital or other residential health facility, if the student is well enough to do so. (Education Code 48207.3)

Home or hospital instruction shall be provided only by teachers with valid California teaching credentials who consent to the assignment. (Education Code 44865)

(cf. 4112.2 - Certification)
(cf. 4113 - Assignment)

Insofar as possible, the teacher providing home or hospital instruction shall consult with the student's current classroom teacher(s) so as to provide a continuity of instruction that enables the student to stay abreast with the regular school program.

HOME AND HOSPITAL INSTRUCTION (continued)

The district's attendance supervisor shall ensure that the absences of any temporarily disabled student receiving individual instruction at home or in a hospital or other residential health facility are excused until the student is able to return to the regular school program. (Education Code 48240)

(cf. 5113 - Absences and Excuses)
(cf. 5113.11 - Attendance Supervision)

Return to School

A student receiving individual instruction who is well enough to return to school shall be allowed to return to the school that the student attended immediately before receiving individual instruction, if the return occurs during the school year in which the individual instruction was initiated. AGENDA/MEETING MATERIALS

Agenda Content

Governing Board meeting agendas shall reflect the district's vision and goals and the Board's focus on student learning.

(cf. 0000 - Vision)
(cf. 0200 - Goals for the School District)

Each agenda shall state the meeting time and place and shall briefly describe each business item to be transacted or discussed, including items to be discussed in closed session. (Government Code 54954.2)

(cf. 9320 - Meetings and Notices)
(cf. 9321- Closed Session Purposes and Agendas)

The agenda shall provide members of the public the opportunity to address the Board on any agenda item before or during the Board's consideration of the item. However, the agenda need not provide an opportunity for public comment when the agenda item has previously been considered at an open meeting of a committee comprised exclusively of Board members, provided that members of the public were afforded an opportunity to comment on the item at that meeting and that the item has not been substantially changed since the committee considered it. (Government Code 54954.3)

The agenda for a regular Board meeting shall also provide members of the public an opportunity to provide comment on matters which are not on the agenda but which are within the subject matter jurisdiction of the Board. (Education Code 35145.5; Government Code 54954.3)

(cf. 9323 - Meeting Conduct)

Each agenda for a regular meeting shall list the address designated by the Superintendent or designee for public inspection of documents related to an open session item that have been distributed to the Board less than 72 hours before the meeting. (Government Code 54957.5)

The agenda shall include information regarding how, when, and to whom a request should be made if an individual requires disability-related accommodations or modifications, including auxiliary aids and services, in order to participate in the Board meeting. (Government Code 54954.2)

Agenda Preparation

The Board president and the Superintendent, as secretary to the Board, shall work together to develop the agenda for each regular and special meeting.

(cf. 9121 - President)
(cf. 9122 - Secretary)

AGENDA/MEETING MATERIALS (continued)

Any Board member or member of the public may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting. The request shall be submitted in writing to the Superintendent or designee with supporting documents and information, if any, at least one week before the scheduled meeting date. Items submitted less than a week before the scheduled meeting date may be postponed to a later meeting in order to allow sufficient time for consideration and research of the issue.

The Board president and Superintendent shall decide whether a request from a member of the public is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, before placing the item on the agenda, the Board president and Superintendent shall determine if the item is merely a request for information or whether the issue is covered by an existing policy or administrative regulation.

If the Board president and Superintendent deny a request from a Board member to place an item on the agenda, the Board member may request the Board to take action to determine whether the item shall be placed on the agenda.

The Board president and Superintendent shall also decide whether an agenda item is appropriate for discussion in open or closed session, and whether the item should be an action item subject to Board vote or an information item that does not require immediate action.

In order to promote efficient meetings, the Board may bundle a number of items and act upon them together by a single vote through the use of a consent agenda. Consent items shall be items of a routine nature and items for which Board discussion is not anticipated and for which the Superintendent recommends approval. When any Board member requests the removal of an item from the consent agenda, the item shall be removed and given individual consideration for action as a regular agenda item.

The agenda shall provide an opportunity for members of the public to comment on any consent agenda item that has not been previously considered. (Government Code 54954.3)

Any Board action that involves borrowing $100,000 or more shall be discussed, considered, and deliberated upon as a separate item of business on the meeting agenda. (Government Code 53635.7)

(cf. 9323.2 - Actions by the Board)

All public communications with the Board are subject to requirements of relevant Board policies and administrative regulations.
