BANCROFT MIDDLE SCHOOL
BMS
BRONCOS

SLUSD Strategic Plan

- **Teach, Learn and Achieve**
- **Equity and Inclusion through College and Career Readiness**
- **Collaborative and Engaged District Culture**
- **Family and Community Engagement**
- **Facilities and Technology**

Teach Learn and Achieve

- Sylvan Learning
- Grading for Equity training
- Read A Thon
- Science Engineering Projects
- Teaching Strategies
- Peer Mediation program

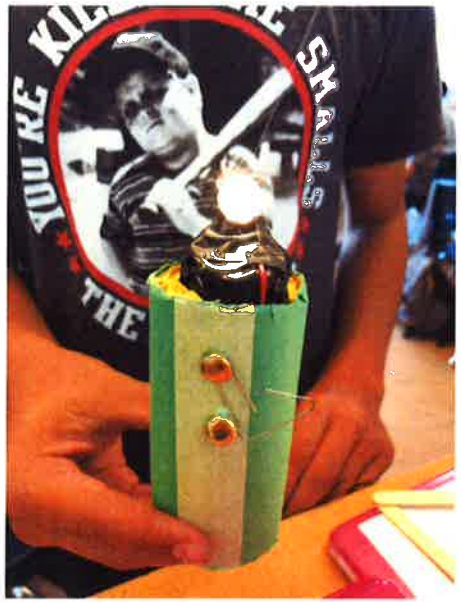

Read A Thon

- This year, we started the Read-A-Thon to challenge our students to read more books.
- We included staff to share why they read and posted it around our campus.

Science Engineering Projects

This year, our 7th Grade Science team started implementing PBL projects.
- Building a flashlight that utilizing only batteries, copper wire, paper clips, and a light bulb.

Teaching Strategies

At Bancroft we hire teachers who are innovative with their teaching practices!

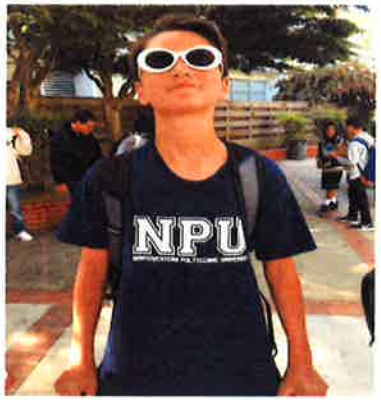

Equity and Inclusion Through College and Career Readiness

- College Field Trips
- Robotics
- Maker's Space
- Black History Month
- Peer Mediation program
- Women in Sports Field Trip

College Atmosphere

All 8th graders attend a college field trip and we promote college Mondays!

Robotics and Maker's Space

We started our Maker's Space

- Laser Cutter
- 3D Printer
- Vinyl Cutter
- Circuits
- Sewing

Women In Sports Field Trip

50 Women Athletes to a film festival that highlights the power of film to celebrate female athletes and filmmakers who bring their stories to the screen.

Family and Community Engagement

- Women's Festival field trip with SLED Support
- Mentoring Young Students
- No One Eats Alone
- Bronco Award Club - We Day
- Family Science Night
- Earthquake Emergency Preparedness PBL Project
- Black History Month Project

Girls Who Code Field Trip

Because of SLED, we were able to take our girls to Girls Who Code:

- Workshops
- Maker's Space
- Robotics
- Genetic Experiments

Family Science Night

Thursday, April 21

- Hosted our annual Family Science Night
- Over 70 families in attendance

Mentoring Students

Broncos have a partnership with Davis St. Preschool and Washington Elementary.

Black History Month Project

Ms. Hall assigned each student to represent a historical African American figure. Parents volunteered their time to come in a cook for our students.

Facilities and Technology

- **Earth Team and Campus beautification**
- **Murals**
- **Bancroft Bistro**
- **Entrance (Safety)**
- **College Signs for Teachers**

Earth Team

Our Earth Team planted beautiful flowers in our patio.

- Their sponsor, Mr. Love has taught them how to properly weed the garden as well.

Murals

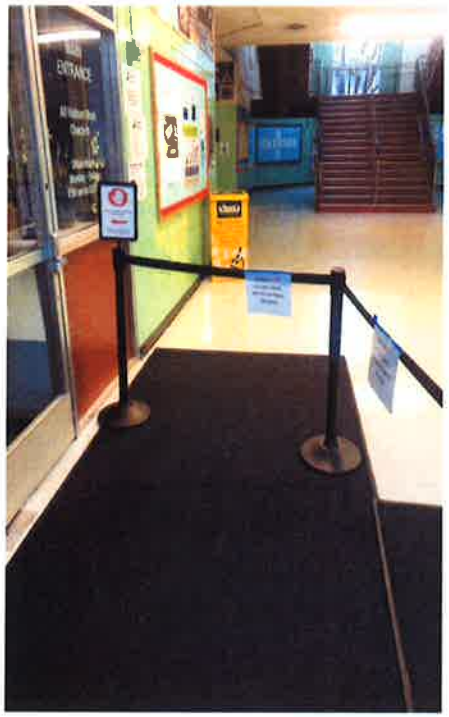

Through Season of Service we created murals to beautify our facilities.

Entrance / Safety

Bancroft has worked closely with Director of Safety and Emergency Services to enhance student and staff safety.

Teacher College Signs

We posted college signs outside of teacher's doors to inspire college mindsets and create a more welcoming environment.

Volunteers

Our wonderful volunteers have dedicated many hours to the success of our schools. We are so grateful for these wonderful volunteers.

Jill Stowe – PTA President

Richard Beckett – Music

Carol Love - Science

Take Care of Yourself. Take Care of One Another, and Take Care of Bancroft

Celebrating Our Schools

Thank you
