To make this determination, Consultant shall consider the totality of the circumstances, including factors such as the length of time the person will be on school grounds, whether the person will be in proximity with pupils, and whether the person will be alone on school grounds or will be constantly supervised by a person who has passed a criminal background check. Consultant shall not permit any Consultant provider to have any direct contact with District pupils or families until after Consultant certifies in writing to the District that such Consultant provider has not been convicted of a violent or serious felony, as contemplated in the Education Code. Consultant shall also make a request for subsequent arrest service from the CDOJ as required by California Penal Code Section 11105.2.

Tuberculosis Clearance: Each Consultant provider must show evidence of negative tuberculosis (TB) test results, as described in, and within the timeline prescribed by, Education Code §49406, before having contact with District students or families. Consultant shall maintain on file the certificates from the examining physicians and surgeons showing that each Consultant provider was examined and found free from active tuberculosis. These forms must be maintained and updated by Consultant, and be available to the District or any designated agency upon request or audit.

Cost: Consultant shall be responsible for all costs related to fingerprinting and TB testing. Consultant shall provide the District with Certifications, in the form attached to this Agreement (Page 2), covering each and every Consultant provider.

Effective Date: This agreement shall be dated and in full force and effect on the date signed by the District, as indicated below.
