# District Approved Contracts Less than $10,000

## Board Meeting - October 8, 2019

| | Contractor / Consultant / Organization Name & Person Name | Description of Program, Materials and Location | Contract Amount & Hourly |
|---|---|---|---|
| 1 | Alex Refrigeration | A walk-in refrigeration unit currently exists at the warehouse at 1145 Aladdin Ave that does not function at this time. The SLUSD Board of Trustees has approved two separate contracts for companies to repair this unit, however, the contracts were never fulfilled because both companies backed out. It has been determined by a third company that the cost of repair would be higher than installing a new walk-in. The district proposes that the walk-in be demolished as surplus to make way for the installation of a new walk-in refrigeration unit. Cafeteria Fund 13. The freon gas will have to be captured and recycled. | $500 |
