School Description

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses, and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner associations. Bancroft Middle School is part of the San Leandro Unified School District.

District Vision Statement

The mission of the San Leandro Unified School District is to educate students to achieve academic excellence in order to become confident, collaborative, and engaged citizens in a community rich in heritage and diverse in culture, where we value our traditions and embrace innovation.

Mission Statement

Our mission at Bancroft Middle School to provide all students with the opportunity to develop academically, socially, and emotionally as they maneuver through the middle grades. Every student will have the opportunity to express and expand their talents, their interests, and their aspirations both in the classroom and through a wide range of extracurricular activities. Further, it is our mission to assure that every student is prepared for a successful transition to high school and college.

School Motto

Take Care of Yourself, Take Care of One Another, and Take Care of Bancroft.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 20, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

Bancroft Middle School was originally constructed in 1955 and is currently comprised of 33 permanent classrooms, a library, a staff lounge, a multipurpose/ cafeteria room, two playgrounds, and a gymnasium. Recent renovations to Bancroft Middle School include the installation of new exterior fencing and exterior paint, and connection to the city's fiber loop for high-speed internet access.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school is scheduled to receive new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs.

B. Pupil Outcomes

State Priority: Pupil Achievement
The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	15	19	26	25	38	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
Parents and the community are very supportive of the education program at Bancroft Middle School. Parents may participate in the School Site Council, the PTA, United Parents of Bancroft Group, School Smarts Academy, and the English Learner Advisory Committee (ELAC.)
There are also ample volunteer opportunities for parents to be involved with the athletics and music programs as well as with the school play and in the classroom. Parents also are able to volunteer their time with the supervision of students.
Parents who wish to participate in Bancroft Middle School's leadership teams, school committees, school activities, or become a volunteer may contact the Parent Facilitator at the main office at (510) 618-4380 ext. 3612.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):
- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern at Bancroft Middle School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety Plan is updated every year in the fall. The key elements of the School Site Safety Plan include communication, preparation and safety. Fire, earthquake, stay in place, and intruder drills are conducted on a monthly basis throughout the school year.

The School Site Safety Plan was last thoroughly reviewed in the 2018/2019 school year. The 2019/2020 Bancroft administration is in the process of revising the School Safety Plan for recommendation to the School Site Council for approval.

To ensure student safety, staff members supervise students at all times before and after school, and during all breaks. Any visitors to the campus are required to report to the school's office and wear the proper identification badge at all times.

Professional Development provided for Teachers

To work towards improving student achievement, Bancroft faculty members participate in professional development in the areas of Project-Based Learning Practices, Restorative Justice Practices, Empathy, grade-level meetings, and common instructional practices training, twice a month for each. Department meetings and additional staff meetings also provide many opportunities for professional development. Ton ensure relevance, some professional development is teacher-led.

Teachers may also receive assistance through the California Teacher Induction Program (A program designed to support teachers to diversify their skills in order to obtain their clear credential) & Site Instructional Coaches.

The district supports staff development through three professional growth days each year.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description

Principal's Message

Garfield is a community of learners who are committed to ensuring that every child who comes into our school receives an equitable education within a nurturing and safe environment. The strength of our school lies with the staff who are knowledgeable, thoughtful and caring, and who share the belief that all students can learn and embrace the skills that will make them lifelong learners. Our teaching faculty of highly qualified, fully credentialed teachers is dedicated to teaching students a rigorous core academic curriculum based on the Common Core Standards and Next Generation Science Standards. They collaborate and analyze data regularly to produce deeper learning opportunities for our students including an analysis of academic performance and language development to determine English Learners (EL) program needs as well as other student group needs.

Garfield School is made up of a diverse student body. The school serves students in grades Transitional Kindergarten to 5th grade. Additional resources are allocated to serve students in need of Reading and Math Intervention, English Language Development instruction, Speech, and Language support, Special Education Resource services, Adaptive Physical Education, Occupational Therapy, and Counseling. Students also participate in Music, Art, Physical Education classes taught by Specialists.

The Garfield staff is committed to providing an educational program in which the school's resources and services are effectively coordinated to meet the needs of students. Our teachers strive to provide students with explicit direct instruction lessons and project-based learning (PBL) opportunities that are combined with blended learning opportunities in our digital learning environments. It is always our goal to provide academic programs that are culturally responsive, rigorous, personalized and appropriately challenging for all students.

Instruction is focused on the Common Core and Next Generation Science Standards and all students are making progress towards mastery. Garfield teachers differentiate their instruction by regularly assessing and grouping students within and/or outside of the classroom for instruction in a variety of core academic content areas. Through this process, teachers can work together to meet the needs of all students by sharing resources and best instructional practices. These practices align activities to reach school goals to improve the academic performance of multilingual learners and students who require additional intervention to support their learning needs. Recognizing the need to focus on the whole child, our teachers also provide learning experiences which foster social/emotional growth as well as develop students' communication and collaboration skills.

District Vision Statement

The mission of the San Leandro Unified School District is to educate students to achieve and demonstrate academic excellence and become confident, collaborative and competitive in a global society, by utilizing state-of-the-art technologies and innovative teaching strategies within a well-maintained, secure learning environment, in a region rich in heritage and diverse in culture, where we value our traditions while welcoming change.

School Mission Statement

Working together, all members of the Garfield School community will do whatever it takes to get everyone to the same place while fostering high academic achievement and social standards for ALL students. We will provide a safe, supportive and accessible school environment so that all students and adults are valued and respected for their unique qualities, strengths, and contributions.

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses, and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner associations.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 20, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

Garfield Elementary School was originally constructed in 1948 and is currently comprised of 21 permanent classrooms, a library, a staff lounge, a multi-purpose/cafeteria room, and two playgrounds. Recent renovations include the installation of new exterior fencing, exterior paint, and connection to the city's fiber loop for high-speed internet access. The library was renovated in the 2017-18 school year.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school is scheduled to receive new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs. Aging portables are being replaced with newer classroom structures.

B. Pupil Outcomes

State Priority: Pupil Achievement
The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
Parents and the community are very supportive of the education program at Garfield Elementary School. Parents may participate in the Gatorville Parent Teacher Organization (PTO), English Language Advisory Committee (ELAC), School Site Council (SSC), and volunteer within the classroom and for various school events and field trips. The PTO and ELAC groups sponsor a variety of fundraising and community-building activities throughout the school year. Their fundraisers also sponsor field trips for every student. Each year, parents are invited to attend our six-session School Smarts Academy. The curriculum for the academy is designed by the National PTA. It helps parents understand how to navigate the school system and advocate for their children.

Garfield Elementary School has several partnerships with local community organizations and businesses, such as Davis Street Community Center, City of San Leandro Safe Routes to School, the San Leandro Rotary, and the San Leandro Education, Sports, and Music Foundations.

Contact Information
Parents who wish to participate in Garfield Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (510) 618-4300.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):
- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern at Garfield Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is updated annually by the School Site Council and staff. The key element of the School Site Safety Plan encompasses student safety and evacuation procedures, if necessary. Fire, earthquake, and lockdown drills are conducted on a regular basis throughout the school year, and intruder drills are conducted twice a year. Emergency parent information is outlined in the Parent/Student Handbook and provided each year to families.

To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. Any visitors to the campus are required to check-in at the school's office and wear the proper identification badge at all times. The designated areas for student drop off and pick up are at the front of the school and are supervised by staff. The Safe School Plan was last reviewed in January 2020 by the School Site Council and staff.

Professional Development provided for Teachers

Teachers may receive assistance through the Peer Assistance and Review (PAR) Program. The PAR program uses exemplary teachers to assist permanent and beginning teachers in the areas of subject matter knowledge and teaching strategies.

Staff development is supported for classroom implementation through Induction Support Providers and by Site and District Instructional Coaches. The district supports staff development through three Professional Growth Days each year.

The focus of professional development for 2019-20 will be on collaboration on Eureka Math, PBIS and SEL, and Project-Based Learning relating to our school-wide project. The analysis of State and Local Assessment Plan data is also included.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description

Principal's Message

Thomas Jefferson Elementary School is a large (609 students) TK-5th grade school with an excellent reputation in our community. Our goal is to provide a college-going culture for all Jefferson students. Jefferson's strength is teacher leadership at each grade level. We are dedicated to promoting excellence in student achievement through deliberate and thoughtful instructional programs based on Common Core Standards and Next Generation Science Standards geared to meet the needs of our diverse student population. We are proud of our work to ensure students have a quality education that represents and celebrates the diverse cultures in the school (62% Latino, 15% African American, 10% Asian, 4% White, 4% Filipino). We are also actively engaged in staff development focused on Project Based Learning (PBL), Blended Learning and technology integration and instructional coaching to help our English Language Learners become proficient readers and writers. Additional resources are allocated to support instruction for English Language Learners, reading and math intervention and Special Education programs. We are committed to excellence for all students and we continually improve our instruction, curriculum, and resources toward that end.

The parents and community play a crucial role at Jefferson. We welcome parents, family members, and the community to partner with us, including volunteering in our classrooms, in our library, in our office, or on the playground during recess and lunch. We encourage parent participation in the Parent and Teacher Association (PTA), the English Language Advisory Committee (ELAC), the School Site Council (SSC) and invite and encourage parent input into our school decisions. Connections between home and the school have included our parent engagement workshops, which include CA PTA School Smarts Academy, the monthly parent newsletter known as the Jefferson Journal, weekly announcements, and electronic messages through Parent Square and the PTA Facebook account. We are confident that by working collaboratively with our parent community we can achieve our goal of excellence for all students.

District Vision Statement

The mission of the San Leandro Unified School District is to educate students to achieve and demonstrate academic excellence and become confident, collaborative and competitive in a global society, by utilizing state-of-the-art technologies and innovative teaching strategies within a well-maintained, secure learning environment, in a region rich in heritage and diverse in culture. The Thomas Jefferson staff is dedicated and committed to supporting this vision. The staff is committed to creating responsive, personalized, learning pathways for Career and College Readiness.

School Mission Statement

At Thomas Jefferson Elementary School, we have an ethical responsibility to ensure readiness for college, career and responsible citizenship. All students will achieve or exceed the standards established by the district as a result of:

- All stakeholders accepting responsibility for student progress.
- Ongoing innovation in teacher practices and school culture.

In order to ensure that our students are able to reach their highest potential as learners, the Jefferson staff has committed to the following:

- Implementation of culturally responsive teaching and the use of AVID teaching and learning strategies to decrease the achievement gap through targeted staff development.
- Using arts integration as a vehicle for greater student engagement.
- Regularly utilizing curriculum guides, adopted materials and other resources.
- Integrating writing across the curriculum.
- Exploring and implementing ways to allow all students access to the curriculum.
- Regularly analyzing student work and planning curricula with other teachers of their grade level.

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses, and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner associations.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 20, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

Jefferson Elementary School was originally constructed in 2004 and is currently comprised of 22 permanent classrooms, two portable classrooms, three Special Day Classrooms, a library, two staff work and break rooms, a multi-purpose room (MPR), a science/art room, and two playgrounds. The library was renovated in 2017-18. Two aging portables were replaced with newer portables in 2017.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school is scheduled to receive new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	24	27	26	25	38	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
Parents are very supportive of the education program at Thomas Jefferson Elementary School. We have a number of parent groups families participate in Parent-Teacher Association (PTA), School Site Council (SSC), English Language Advisory Committee (ELAC), Parents and Teachers Advocating for African American Student Success, (PTAAASS) and of course, volunteering in the classroom. Jefferson has a growing PTA that advises the principal on all aspects of school governance and coordinates fundraising efforts to support the school through teacher grants, special projects, and assemblies. The PTA Board of Directors and the general assembly meet monthly and coordinate parent outreach and special events such as the Obstacle-A-Thon, Pancake Breakfast and other amazing events. The SSC and ELAC meet monthly to facilitate the development of the School Plan for Student Achievement (SPSA), and our new PATAAASS group is launching a poetry event this year.

Once a month, parents are invited to meet informally with the principal in the library for coffee and storytime. This provided casual conversation for families to share comments and ask questions about numerous topics. A parent newsletter is posted on Parent Square monthly in three languages. This newsletter provides families with a school calendar of upcoming events and information about school business. Additionally, the school website is kept up to date so parents can have the latest information about the school. Teachers utilize Class Dojo and Parent Square to communicate with families. Jefferson has a full-time parent liaison who is fluent in Spanish and who conducts further parent outreach and parent education programs such as School Smarts Academy, Positive Discipline, Understanding Assessments and Blended Learning.

Parents who wish to participate in Jefferson Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (510) 618-4310. We are always looking for new parents to partner with us in creating a safe and engaging learning environment for all our students and families.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern at Jefferson Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is updated every fall by the vice-principal and the School Safety Committee. The key element of the School Site Safety Plan entails emergency evacuation procedures. Fire, earthquake, shelter in place, and intruder drills are conducted on a regular basis throughout the school year. During these monthly drills, staff goes over procedures with students and feedback is collected after each drill. The feedback is reviewed by our safety committee and adjustments are made if needed. To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. Jefferson is committed to restorative practices and family partnerships in all matters of student safety and discipline. All visitors to the campus are required to check-in at the school's office, wear the proper identification badge at all times, and check out of the office upon leaving.

Professional Development provided for Teachers

Professional development is a part of the Thomas Jefferson Site Plan for Student Achievement (SPSA) and a major component of instructional support to teachers. Jefferson is staffed with a full time Intervention Specialist and a .5 Bilingual Intervention Specialist that provide ongoing and onsite professional development to teachers for both academic and socio-emotional tiered supports . The district's professional development program provides opportunities for teachers to implement the district's core curriculum for all students (ELD standards and ELA/ELD Framework and Eureka Math Curriculum), subject area expertise, use data from assessments and online platforms to plan instructional improvement strategies and acquire new instructional strategies. Teachers may receive assistance throughout the school year through the District's Instructional Coaches.

Jefferson Staff and committee meetings are developed to supported classroom implementation of District initiatives including PBIS, Project Based Learning, Imagine Learning, AVID, biliteracy and the use of Chromebooks to support student learning. Staff members also have an opportunity to attend professional development opportunities through San Leandro Teachers' Association and the Alameda County Office of Education.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description

JOHN MUIR MIDDLE SCHOOL

John Muir Middle School is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. The city of San Leandro is a suburban community of approximately 90,000 residents. The city occupies 15 square miles between the cities of Oakland and Hayward and is bordered on the west by the San Francisco Bay and in the east by the East Bay Foothills. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses, and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner associations.

John Muir Middle School is an Advancement via Individual Determination (AVID) site. The AVID program promotes a college-going culture through an instructional framework that supports teachers in the implementation of Common Core State Standards and Next Generation Science Standards. The core academic program at John Muir includes English Language Arts, Mathematics, Science, History, Physical Education, and Electives. Students can choose from among the following electives: Art, Computers, Maker Space, Spanish, Leadership, AVID, ELD, Independent Work Education (IWE), Drama, Symphonic Band, Orchestra, and Choir. During the instructional day, John Muir Middle School has a full-service multimedia center including a 3-D printer and laser cutter. John Muir also has a thriving Athletic program that includes softball, track, and field, boys/girls basketball, boys/girls volleyball, flag football, wrestling, cross county, tennis, and golf. With a 1:1 computer ratio, John Muir is committed to providing all students with a learning environment that encourages higher-level thinking skills, creativity, meaning-centered learning, collaborative exploration, discovery, and independent reflective work. Our teaching faculty of highly qualified teachers are dedicated to teaching students a rigorous core academic program that will prepare students for the rigors of high school. The John Muir staff regularly analyzes data to inform their instruction. Analysis of data by the John Muir teaching staff includes the examination of STAR Renaissance data, CAASPP data, District Interim Assessment Data, California Healthy Kids Survey, and ELPAC data.

AVID (Advancement via Individual Determination)

John Muir is an Advancement via Individual Determination (AVID) site. A number of John Muir teachers have been trained in the AVID methodology. Through the AVID College Readiness System, the John Muir staff is committed to providing all students with a middle school experience that will support them in accessing college and career opportunities. In addition, through the instructional methodology of the AVID College Readiness System, all John Muir teachers receive ongoing professional development in WICOR (Writing, Inquiry, Collaboration, Organization, Reading) to support their delivery of instruction.

PBL (Project Based Learning)
Most teachers at John Muir Middle School have been trained in Project-Based Learning. Project-Based Learning, or PBL, is a teaching method that engages students actively in learning by asking them to investigate an interesting and complex question, problem, or challenge, and then to create something in response. Projects can vary in length; some may take a week or two, others a month or more. Projects may be done individually, in teams, or by a whole class. There are exhibitions of PBL projects throughout the year and many of our students' projects are showcased at Open House during the spring.

ACADEMIC EXCELLENCE
John Muir is committed to providing our students with a variety of enrichment programs to promote academic excellence, college and career readiness, positive student behavior, and to promote a positive climate for learning. The John Muir staff is committed to providing an educational program in which the school's resources and services are effectively coordinated to meet the needs of every student. Our teachers strive to provide students with high-quality instruction through WICOR, Project-Based Learning (PBL), blended learning, and PBIS, leading to classroom environments that are culturally responsive to students. It is John Muir's goal to provide academic programs that are rigorous, personalized, culturally responsive, and appropriately challenging for all students.

COLLABORATION
A core value of John Muir is to foster a collaborative community where all stakeholders have a voice. John Muir Middle School is a school community that promotes shared decision-making, parent involvement, and community involvement. We believe that it is through the collaboration of students, families, staff, and the John Muir community where we will attain positive experiences and success for all John Muir students.

INSTRUCTION
During the 2018-2019 school year, the instructional periods at John Muir were seventy minutes long on Mondays, 90 minutes long on Tuesdays, and Wednesdays, and fifty-four minutes long on Thursdays and Fridays. On our Tuesday and Wednesday block days, the instructional day ended at 2:00 pm, and this early release time was used for teacher collaboration, parent communication, and professional development. The focus of staff collaboration is to align our instructional activities in order to improve the academic performance of all students, specifically English Learners (EL) and students who require additional intervention to support their learning needs. Recognizing the need to focus on the whole child, our teachers provide learning experiences that foster social/emotional growth through the development of students' communication and collaboration skills.

PROFESSIONAL DEVELOPMENT
During the 2018-2019 school year, John Muir teachers were provided with a number of opportunities to grow professionally and improve. At the site level, professional development occurs during a variety of meetings (faculty, departmental, grade level, admin updates). The John Muir administrators, AVID Site team, Department Chairs, and other members of the staff facilitate professional development sessions. In addition, all teachers participate in the district-wide professional development days in the fall and spring that support San Leandro Unified instructional vision of providing responsive, personalized learning pathways for college and career readiness. Classified staff also participates in a variety of training throughout the school year focused on Trauma-Informed Instruction.

CONFERENCES AND WORKSHOPS
John Muir teachers attend conferences and workshops throughout the year. Teachers focus their professional development in the areas of the Common Core Standards, Next Generation Science Standards, Project Based Learning, Eureka Math, Studysync, Integrated ELD, and Designated ELD. Many John Muir teachers have attended an Advancement via Individual Determination (AVID) Summer Institute. Our Science teachers have worked closely with the Alameda County Office of Education as they have transitioned to the Next Generation Science Standards. These conferences and workshops have supported the staff in implementing the Common Core Standards and Next Generation Science Standards. New teachers at John Muir are provided support through John Muir's monthly new teacher meetings and through the Center for Teacher Innovation.

LOCAL AND STATE ASSESSMENTS
John Muir administered the STAR Renaissance assessment three times throughout the 2018-2019 school year and a District interim assessment midyear. In addition, John Muir math teachers use Eureka end of Module assessments as a district benchmark assessment. John Muir administers the SBAC to all students as our end of year summative assessment. In combination, the above assessments are used to analyze our instructional program.

ENGLISH LEARNERS (EL)

During the 2018-2019 school year, John Muir had approximately 270 EL students. The majority of English Learners speak Spanish. The other languages spoken in the school are Tagalog, Vietnamese, Chinese, Arabic, and Japanese. A Designated ELD course provides the John Muir English Learners with 30 minutes a day of English Language Development instruction. In addition to the Designated ELD instruction, all content area teachers provide Integrated language supports for our English Learners. To support the teacher with the systematic language instruction of English, John Muir teachers participate in professional development training in Designated ELD and Integrated ELD.

JOHN MUIR MISSION VISION AND SOCIAL VISION

John Muir Mission Statement - To prepare each student for academic, emotional, and social success.
John Muir Vision Statement - John Muir Middle School is a safe and inclusive community where everyone is actively engaged in learning.
John Muir Social Vision- Falcons Stand Up, Stand Strong, and Stand Together

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 20, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

John Muir Middle School was originally constructed in 1950 and is currently comprised of 58 permanent classrooms, a library, a staff lounge, a multipurpose/ cafeteria room, a gymnasium, and a playfield with soccer and baseball fields. Recent renovations include the installation of new exterior fencing, exterior paint, and connection to the city's fiber loop for high-speed internet access. The library was renovated in the 2017-18 school year.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school received new heating, ventilation, and air conditioning (HVAC) units in all classrooms in 2016. Additionally, the school's electrical system will be upgraded to accommodate future needs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
Parents and the community are very supportive of the education program at John Muir Middle School. Parents may participate in the Parent Teacher Student Organization (PTSO), School Site Council (SSC), Bi-weekly Principal Chats, and the English Language Advisory Committee (ELAC). Parents also volunteer to participate in a number of school-related events throughout the school year. Parents who wish to participate in John Muir Middle School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (510) 618-4400.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):
- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan
The safety of students and staff is a primary concern at John Muir Middle School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is updated annually by the John Muir Middle School Safe Schools Team. The key elements of the School Site Safety Plan entail disaster preparedness and assignment of responsibilities. Fire, earthquake, and intruder drills are conducted on a regular basis throughout the school year. To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. Any visitors to the campus are required to check-in and check out at the school's office and wear the proper identification badge at all times.
The designated area for student drop-off and pickup is at the front of the school.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

The goal of John Muir's Professional Development plan is to support the district vision of creating responsive, personalized, learning pathways for career and college readiness. John Muir Teachers participate in a variety of professional development opportunities to achieve this goal. As an AVID site, the John Muir staff receives continuous professional development in AVID WICOR strategies. A number of our John Muir teachers participate in ongoing training in Project Based Learning and Assessing Student Learning Accurately. Project Based Learning, or (PBL), is a teaching method that engages students actively in learning by asking them to investigate an interesting and complex question, problem, or challenge, and then to create something in response. Assessing Student Work Accurately or (ASLA), supports teachers in examining their grading practices and supports teachers in creating grading systems that provide equitable outcomes for all students. All John Muir teachers participate in our monthly staff development meetings, department meetings, grade level meetings and weekly Professional Learning Communities (PLC). Staff development for beginning teachers is supported through Center for Teacher Innovation (CTI) and all teachers have access to and may receive support from our district Instructional Coaches. San Leandro Unified School District supports staff development through two Staff Development days each year.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description

Principal's Message:
The purpose of Lincoln High School is to provide an alternative education setting for San Leandro Unified School District students to earn a diploma in ways markedly different than the traditional education setting in our district's comprehensive high school. Credit deficiency is the main reason students enroll in Lincoln Continuation High School. We recognize that students have different reasons for being behind in credits: family concerns, truancy, relocating, and more. We provide our students with a non-traditional way of earning credits towards graduation while maintaining relevance and rigor. The staff at Lincoln High School works with students individually as young adults to help them gain academic focus, planning toward graduating and preparing them for future academic and occupational aspirations. Throughout their time at Lincoln, our students examine "What's at Their C.O.R.E." and learn how to increase their social/emotional awareness along with their academic skills.

Lincoln High School is a credit recovery school for students 11th and 12th graders who are behind on credits and are willing to work hard to graduate on time. Lincoln offers a personalized learning environment with small classes and student choice about how to earn credits. Lincoln students can take up to six classes per day, taught from 9:10 a.m. to 2:30 p.m. The before/after-school program offers enrichment opportunities to expand our students' interests and abilities. Lincoln High School is accredited by the Western Association of Schools and Colleges and is a Model Continuation High School in California.

District Vision Statement:
The mission of the San Leandro Unified School District is to educate students to achieve and demonstrate academic excellence and become confident, collaborative and competitive in a global society, by utilizing state-of-the-art technologies and innovative teaching strategies within a well-maintained, secure learning environment, in a region rich in heritage and diverse in culture, where we value our traditions while welcoming innovation.

District Profile:
San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses, and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner associations.

School Mission Statement:
The mission of Lincoln High School is to provide an alternative educational setting where all students receive individualized support and experience success in a nurturing, comfortable environment that promotes our C.O.R.E. Values.

Philosophy:
We believe that everyone is capable of greatness and that it is our responsibility to do provide unique and personal pathways to ensure the academic, social and emotional success of each student.

SLUSD Graduate Profile:
Upon graduation from Lincoln High School, students will:

Be Critical Thinkers
- Anticipate, persevere and reflect
- Are open and curious
- Are flexible and creative

Have Healthy Mind and Body
- Pursue a passionate, joyful and vibrant life

Communicators and Collaborators
- Listen
- Deliver information effectively
- Collaborate

Ethical and Cultural Leaders
- Act with integrity and respect for self and others
- Initiate actions and are committed to shaping a better community and world

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 20, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

Lincoln High School was originally constructed in 1991 and is currently comprised of six portable classrooms, a mini-library, a staff lounge, and administrative offices. The old computer lab was converted to classroom space in 2017 to allow for increased enrollment. The school is connected to the city's fiber loop allowing for high-speed internet connection.

Cleaning Process

The principal works daily with the custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district has an online work order system to ensure efficient and timely service for all repairs and service requests.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
All families participate in an orientation workshop when their student enters Lincoln to understand the educational options available and help ensure that Lincoln is the right place for their student, at the start of the new school year or as their student enrolls during the course of the year.

At the end of the 1st and 3rd quarter, Lincoln host Back to School and Open House Nights for families to review transcripts and explore the learning in the classrooms. In addition, there are monthly Family Information nights in which families are engaged in the program at Lincoln and are encouraged to review and provide input into Lincoln's school plan. Lincoln High School also has a School Site Council (SSC) and English Learner Advisory Committee (ELAC) that meets at the Family Information Nights to review the site plan and to discuss pertinent issues, curriculum, and policies.

Contact Information
Parents who wish to participate in Lincoln High School's school committees, school activities, or become a volunteer may contact the main office at (510) 618-4460.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):
- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan
The safety of students and staff is a primary concern at Lincoln High School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake and fire standards. The School Site Safety plan is updated annually by teachers and classified staff, most recently in October 2019. The key elements of the School Site Safety Plan include how to handle various emergencies which includes: staffing in an emergency, emergency procedures, supplies and student/staff safety.

To ensure student safety, staff members supervise students at all times before and after school, and during breaks. Lincoln is a closed campus and visitors are not allowed on campus without prior permission from the principal. In addition, we collaborate with SLPD to maintain student safety both on and off-campus.

Professional Development provided for Teachers

Primary areas of focus for staff development include analyzing student performance data and implementing action steps to address areas of need, building strong relationships with students, common core state standards/NGSS, improving instructional strategies and equity. The areas of focus are determined through the WASC self-study, as well as input from staff, students and families and constant data analysis. In addition, support is given in implementing new curriculum resources. Lincoln utilizes the district's academic coaches to provide "on demand" professional development.

Teachers are given release time by the principal to observe other teachers and also to attend workshops and conferences. Staff development is supported for classroom implementation through district instructional coaches, specifically with PBL.

The district supports staff development through three Professional Growth Days each year.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description

Principal's Message

James Madison Elementary School, recognized in 2019 as a California Distinguished School, exemplifies the vision and mission of the San Leandro Unified School District (SLUSD). We strive to educate students to achieve academic excellence in order for each person to become confident, collaborative, and engaged citizens. We celebrate a community rich in heritage and diverse in culture. James Madison has embraced innovative instructional practices designed to support success in the 21st century. Our slogan is "Madison Works Hard, Plays Fair, and Takes Care", for Students, for Staff, and for the Community!" We are very proud of the school and the collective effort of students, staff and the community. Collaboratively we maintain a school culture and climate that harnesses our community to create success for all students. Our success was recognized in 2014, 2015 and 2016 as a "Star Honor Roll School" by the Educational Results Partnership and the Campaign for Business and Educational Excellence (CBEE).

James Madison School recognizes, celebrates and teaches to the cultural, linguistic and racial diversity of all learners. We nurture and develop parent leaders and family partners to work collaboratively with the school and district. We are thankful for the staff, families, and especially the children, who continue to learn with their hearts, minds, and bodies. Our school is also home to classes of amazingly-abled special education students. We are proud to support their needs in an inclusive and integrated environment.

School Vision

James Madison Elementary School is dedicated to inspiring all students with pure excitement for learning and a deep appreciation for the rich and diverse cultures in our community. We collaborate through a lens of equity across our school community to build trusting relationships, that will lead students to confidently pursue multiple colleges and career pathways.

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of their schools and have invested in the future success of students through the approval of facility bond and parcel taxes that stabilize and support the funding needed to maintain high-quality teaching and learning.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 20, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

James Madison Elementary was originally constructed in 1956 and is currently comprised of 18 permanent classrooms, four portable classrooms, a library, staff work and break room, a multiuse room, and a playground. James Madison Elementary was closed from 1982 to 1998. Recent renovations include the installation of new exterior fencing and exterior paint and connection to the city's fiber loop for high-speed internet access.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school is scheduled to receive new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs. The wing that previously housed the district office is being converted to classrooms spaces a STEM room and a library. Work is scheduled to begin in 2018-19.

B. Pupil Outcomes

State Priority: Pupil Achievement
The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
Our success is built on a foundation of strong family and community involvement. We have an active Parent Teacher Organization (PTO) that plans and funds school-wide events. This supports a climate that celebrates family, honors culture and respects a community of differences by harnessing the energy and resources to ensure student success. Creating a strong home to school partnership has created a trusting and nurturing learning environment that helps Madison work to support each student's potential. Our parent empowerment has helped bridge the language and cultural differences that often keeps parents from understanding standards, curriculum, instruction, and assessment. We support parents in their ability to advocate for their children now and throughout their careers in public education. In addition to our JM PTO, we develop parent leadership and empowerment in order to ensure alignment of support through the San Leandro Unified School District strategic plan. Our parents are active and involved in a wide variety of district committees and initiatives.

James Madison Elementary School actively develops partnerships with local businesses, community organizations, and the "SLED" San Leandro Education Foundation.

Contact Information
Parents who wish to participate in James Madison Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (510) 895-7944.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):
- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is always the first concern at James Madison Elementary School. The district supports our school with policies and regulations for compliance with all laws, rules, and regulations pertaining to safety, hazardous materials, and state earthquake standards. The Comprehensive School Site Safety Plan is updated annually by the principal and approved by the School Site Council. The Safety Plan is evaluated, revised and approved by the School Site Council each spring. The School Site Safety Plan outlines all emergency procedures. Lockdown, Shelter in place, Fire and Earthquake drills are conducted on a regular basis throughout the school year. The school principal actively seeks to improve all aspects of school safety both physical and emotional. Our district policies support a safe and productive working environment for staff.

To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. Any visitors to the campus are required to check-in at the school's office and wear the proper identification badge at all times. Our SLUSD leadership continues to focus on and support initiatives that create the safest school possible for all students.

Professional Development provided for Teachers

Professional development at James Madison is aligned with the SLUSD Strategic Plan and supports beginning and veteran teachers in all subjects and instructional practices. James Madison Elementary School staff is actively participating in the district initiatives and harnessing the district instructional coaches to help effectively transition to 21st century skills and Common Core Standards. Staff development for beginning teachers is enhanced through BTSA (Beginning Teachers Support and Assessment) Support Providers. We are most proud of our ongoing work with Project Based Learning Consultation and Positive Behavior Intervention and Support. District committees and action teams also allow for collaboration between teachers. Minimum days and release time assures ongoing personal and professional growth. Additional resources are earmarked for outside conferences and workshops to support teacher growth and innovation.

The district supports staff development through three Professional Growth Days each year. In addition our teachers are released to pursue ongoing growth and development to ensure they remain inspired and excited about teaching at James Madison Elementary School.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description

Principal's Message

McKinley Elementary School is a community of learners who share a committed focus on ensuring that every child who comes to our school receives an equitable education within a nurturing and safe environment. The strength of our school lies with the staff who are knowledgeable, thoughtful, conscientious, and who share the belief that all students can learn and embrace the skills that will make them lifelong learners. Our teaching faculty of highly qualified, fully credentialed teachers is dedicated to teaching rigorous core academic curriculum based on the Common Core State Standards and the Next Generation Science Standards that ensure access for all of our student subgroups. Educators at McKinley Elementary School collaborate and analyze data regularly to produce deeper learning opportunities for our students that include an analysis of academic performance and language development to determine English Learner program needs as well as other student subgroups needs. Our goal is to make continuous year to year growth for each individual student so that all are prepared for middle school, high school, college and career and beyond. Education requires collaboration. The McKinley staff, teachers, families, community members, and students will continue to communicate clearly and work effectively to enable our students to succeed academically and to achieve our school-wide site plan goals and objectives.

McKinley Elementary School is made up of a diverse student body. The school serves students in grades TK-5. Additional resources are allocated to serve students in need of math and reading intervention support services. Also support services are offered in Speech and Language, Special Education Resource Program, Adaptive Physical Education, Occupational Therapy, and Counseling. In addition, students receive instruction in Music, Art, and Physical Education.

The McKinley staff is committed to providing an educational program in which the school's resources and services are effectively coordinated to meet the needs of students. Our teachers strive to provide students with explicit direct instruction lessons and project-based learning (PBL) opportunities that are combined with blended learning opportunities in our 1:1 (1st-5th grades) and 2:1 (TK/Kindergarten) digital learning environments. It is always our goal to provide academic programs that are culturally responsive, rigorous, personalized and appropriately challenging for all students.

Instruction is focused on Common Core State Standards in English Language Arts and Mathematics, English Language Development Standards, and Next Generation Science Standards. Teachers at McKinley Elementary School differentiate their instruction by regularly assessing and grouping students within and/or outside of the classroom for instruction in a variety of core academic content areas. Through this process, teachers are able to work together to meet the needs of all students by sharing resources and best instructional practices.

School Mission Statement

At McKinley Elementary School, we have a unified focus: to nurture the unique strengths of each student so that she or he builds personal responsibility, reaches high levels of academic achievement and contributes positively to society. Supporting all students in meeting these aspirations takes all of us: students, parents, staff and community members. This requires our collective commitment to a common road-map, consistent follow-through, and a continuous improvement mindset.

By working in partnership with parents and community, McKinley Elementary School will nurture confident, responsible and capable learners.

District Vision Statement

The mission of the San Leandro Unified School District is to educate students to achieve academic excellence in order to become confident, collaborative, and engaged citizens in a community rich in heritage and diverse in culture, where we value our traditions and embrace innovation.

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses, and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner associations.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 20, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

McKinley Elementary School was originally constructed in 1917 and is currently comprised of 23 permanent classrooms, twelve portable classrooms, a library, staff work and break room, a multipurpose room, and one playground. Recent renovations include the installation of new exterior fencing and exterior paint and connection to the city's fiber loop for high-speed internet access. The library was renovated in the 2017-18 school year.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school recently received new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs. Aging portables will be replaced with newer classroom structures.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):
- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan
The safety of students and staff is a priority at McKinley Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The McKinley School Site Safety plan was last updated on December 13, 2018, at which time the Safety Plan was reviewed, updated and discussed with our School Site Council and faculty. The key element of the School Site Safety Plan entails emergency evacuation procedures. Fire, earthquake, shelter in place and lockdown drills are conducted on a regular basis throughout the school year.

To ensure student safety, staff members supervise students from 7:45 to 3:10 pm. All gates are locked at 8:30 each morning and any visitors are required to sign in at the McKinley Office. All adults on campus are required to wear ID while on campus. Volunteers are required to complete and have an approved Volunteer Packet located in the McKinley Office, prior to providing volunteer services for our learning community.

Professional Development provided for Teachers

The McKinley staff love their school and continually work together to help our McKinley Eagles soar to success. This group of dedicated professionals believes in working together to continuously improve our ability to meet the varied academic and social-emotional needs of our students. The McKinley teachers have had focused professional development in the areas of the Common Core Standards, Next Generation Science Standards, Project Based Learning, Social Emotional Learning, Eureka Math, Social Justice Standards and Designated and Integrated ELD. This training has resulted in school-wide teaching and learning practices that have supported the transition to implementing the Common Core Standards that have allowed for deeper learning opportunities for students at each grade level. Grade level professional learning communities meet to plan instruction, analyze assessment results, and determine intervention and enrichment activities, and an instructional leadership team meets monthly to guide the school in a process of continual growth. There are weekly collaboration meetings where teachers meet in their collaborative groups and 13 after school staff meetings per year focused on school-wide instructional initiatives. Furthermore, teachers are provided with opportunities to observe each other and get additional hourly pay for planning, and learning. Coaching and individualized support are provided for teachers through District Coaches, Site-Based interventionists, and the New Teacher Induction. The principal engages in regular classroom visits and learning conversations around instruction.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description

Principal's Message

At James Monroe, our focus is on academic and social-emotional growth for all students regardless of race, ethnicity, religion, home/first language, socio-economic status, special education needs, and previous academic success or struggles. Our vision is to foster long term friendships that will create a lasting support system, through a connected community for our students and families. As principal, my goal is always to meet the needs of our students and families, creating a sense of belonging and accountability to the community, that fosters high levels of academic success with rigor, collaboration, and civic engagement.

James Monroe Elementary School is a Community of Learners—students, staff, families, neighbors, community-based organizations, and local San Leandro businesses—who work collaboratively to ensure students with a nurturing and safe environment while focusing on an interactive, relevant, and equitable education for all children. As a diverse learning community, Monroe strives towards academic excellence within an inclusive environment that brings all students and families together. Working collaboratively, we strive to close the racial, linguistic, and economic resource gap many of our families face, achieving high academic standards for all of our children. We provide many opportunities both within the school day as well as the extended day, which supports and enriches the lives of our students including targeted intervention, enrichment classes, after school library programming, and a comprehensive full-service low cost after school program. Daily access and use of technology to enhance learning, is an integral component of our instruction both during the school day and during after school hours. We focus on Project Based Learning to make education relevant, rigorous, and integrated; engaging all students in meaningful learning.

James Monroe has very active parent organizations. Our Parent Teacher Organization (PTO,) Dad's Club, English Learner Advisory Committee (ELAC,) School Site Council (SSC,) work together with our principal and parent facilitator, to ensure all students meet high standards and are included in all aspects of the school. We welcome our community to continue to get involved and become an active part of our school. Please visit our PTO/Dad's Club website at www.gojamesmonroe.org to see the enthusiasm and excitement of our parent community. You can also visit the James Monroe Facebook page to keep up to date on current events at our school.

District Mission Statement

The mission of the San Leandro Unified School District is to educate students to achieve academic excellence in order to become confident, collaborative, and engaged citizens in a community rich in heritage and diverse in culture, where we value our traditions and embrace innovation.

Our Monroe Vision:

"Our community is inclusive, engaged, and collaborative; providing a safe, equitable, and rigorous learning environment, promoting success and resiliency for all." (2013)

School Mission Statement

The mission of James Monroe Elementary School is to engage students in rigorous, meaningful learning, that is simultaneously student-centered and standards-based.

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses, and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner associations.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 20, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

Monroe Elementary School was originally constructed in 1955 and is currently comprised of 20 permanent classrooms, five portables, a library, a staff lounge, a staff workroom, a multi-purpose room, and a playground. Recent renovations include the installation of new exterior fencing, exterior paint, and connection to the city's fiber loop for high-speed internet access. The library was renovated in 2015-16. We recently had new flooring, new siding on the walls installed. We also have a new security door to the Kindergarten wing of the school which allows us to secure the campus. We also put in a drop off loop in front of the school for parents to drop students off in the morning and pick them up in the afternoon.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance and Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility.

Measure J1 Bond Work:

The school received new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system was upgraded to accommodate future needs.

B. Pupil Outcomes

State Priority: Pupil Achievement
The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
Parents and guardians (and community members) are welcome at Monroe School. We have many opportunities for involvement. The opportunities vary from classroom support to planning and contributing to cultural celebrations, helping with the school events, running the book fair, fundraising, and countless other activities. Parents and the community are very supportive of and engaged with the educational program at Monroe Elementary School. There are many members of our school and local community who regularly volunteer at Monroe on a continuous basis.

Parents participate in the Parent Teacher Organization (PTO), Dad's Club, School Site Council (SSC,) and the English Learner Advisory Committee (ELAC.) Please see our website, www.gojamesmonroe.org to find out how to get involved or to see an updated calendar of meetings and events for James Monroe. You can also check our school website, www.slusd.us/Monroe for updated programming and opportunities. The community can also access current events on our Monroe Elementary School Facebook page.

All volunteers must provide necessary forms and documentation to volunteer at our school site. We follow the San Leandro Unified School District Volunteer Policy strictly to ensure the safety of our community.

At Monroe, we have a full-time Parent Facilitator who supports all members of our community and regularly supports and runs programs for parents and guardians including a parent education series called School Smarts.

Monroe Elementary School has several partnerships with local community organizations and businesses, including the Floresta Homeowners Association, and Papa Murphy's Pizza.

We also receive regular donations from community members who are dedicated to our school and give generously of their time and resources.

Contact Information:
Individuals or businesses who wish to participate, sponsor, volunteer, or provide donations to Monroe Elementary School may contact the main office at (510) 618-4340.

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan
The safety of students and staff is a primary concern at Monroe Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to our Safety Plan and emergency preparedness. The School Site Safety plan was reviewed, discussed and updated by the SSC and by Monroe Elementary School Staff. It was presented and approved by the SSC on November 14, 2019. The key elements of the School Site Safety Plan include anti-bullying policies and procedures, district discipline policies and documents, child abuse reporting procedures, sexual harassment policy, and a section devoted to emergency preparedness. Fire, earthquake, and intruder drills are conducted on a monthly basis throughout the school year. To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. All visitors to the campus are required to check-in at the school's office and wear the proper identification badge at all times. Visitors including family members are required to follow updated District Visitor Policies at all times as communicated by the principal and office staff. We have a button that connects us directly to the San Leandro Police Department in the event of an armed intruder. We have a District Administrator in charge of Safety and Security who works with the District and our school in our planning, training, and support.

Professional Development provided for Teachers

Teachers and staff at James Monroe are continually working to improve our practice. The District supports staff development through three Professional Growth Days each year. At the site level we are continuing to consistently implement English Language Development instruction and Academic Language Development, regrouping students based on their language level/needs. Teachers meet weekly for 50 minutes and monthly for 90 minutes to work on implementing district curriculum and initiatives, incorporating best practices in the classroom daily. Our main focuses this year are English Language Arts and Science, integrated with Project Based Learning.

Teachers regularly receive support from District coaches who work to improve daily teaching practices, provide support for teachers to reflect and stay current with technology, implement the best teaching strategies and District curriculum, as well as other areas of need. The principal visits classrooms regularly, providing feedback to support teachers as they are continuously reflecting and improving their practice. Teachers and staff are also supported by our Intervention Specialist who helps in the area of push in classroom intervention, and small pull out groups for remediation of curriculum.

First and second year teachers are additionally assisted by BTSA (Beginning Teachers Support and Assessment) support providers.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description

Principal's Message

Roosevelt is a community of learners who share a commitment to ensuring that every child who comes into our school receives a fair and equitable education within a nurturing and safe environment. Our staff and parent groups continually work to make Roosevelt a safe, respectful and responsible place to for all children to learn and grow.

We teach Common Core Standards which require our students to learn concepts deeply and be able to explain their thinking. Our classroom instruction is rich and engaging with a strong focus on Global Competency Skills: Collaboration, Critical Thinking, Creativity, and Communication. By ensuring that our students are proficient in the 4 C's, we move closer to closing the achievement gap and helping all students reach their full potential. We continue to engage in courageous conversations about race and its impact on students. Closing the achievement gap will take time, energy, and a commitment by all as we continually refine our instructional practice and realign resources to support success.

Our classrooms are equipped with Promethean Boards, Chrome Books at a 1:1 ratio (grades 1st - 5th) and 2:1 ratio (TK/K). Our blended learning model will help ensure that our children are college and career ready when they leave SLUSD. At Roosevelt, every child has a face and a name. At Roosevelt, every child has the potential to achieve, to learn, and to excel.

District Mission Statement

The mission of the San Leandro Unified School District is to educate students to achieve academic excellence in order to become confident, collaborative, and engaged citizens in a community rich in heritage and diverse in culture, where we value our traditions and embrace innovation.

School Mission Statement

Roosevelt's mission is to provide a safe environment where high expectations, standards-based differentiated curriculum, and life-long learning are the norm for all students, as well as adults. We are working towards improving all students' scores on high-stakes assessments, as well as narrowing and eventually closing the achievement gap through culturally responsive teaching, a rigorous academic program, and equitable practices. We believe this can be accomplished through a practice of open and honest communication, high expectations for every child, courageous conversations around race, partnerships with our families, and a commitment by all that values each child's voice. We invite our families and community members to partner with us and join us on this exciting journey.

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses, and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner associations.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 20, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

Roosevelt Elementary School was originally constructed in 1928 and is currently comprised of 23 permanent classrooms, a library, a staff lounge, multi-purpose/cafeteria, two playgrounds, a preschool SDC room, a third through fifth-grade SDC room, a music room, an art room, a speech room, a RSP room, a counseling room, and an after-school enrichment room. Recent renovations include the installation of new exterior fencing, exterior paint, and connection to the city's fiber loop for high-speed internet access. The library was renovated in the 2017-18 school year.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school is scheduled to receive new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs. Aging portables will be replaced with newer classroom structures. The City of San Leandro is currently planning on remodeling the Farrelly Pool which is located on the Roosevelt campus.

B. Pupil Outcomes

State Priority: Pupil Achievement
The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
Parents and the community are very supportive of the educational program at Roosevelt Elementary School. Parents are invited to participate in a variety of groups such as the Parent-Teacher Association (PTA), Dad's Club, ELAC (English Language Advisory Committee), DELAC (District English Language Advisory Committee), SSC (School Site Council), LGBTQ Alliance, AAPAG (African American Parent Advisory Group), Voces Unidas, Special Families Group, and After School Enrichment (ACE) programming. Parents are invited to attend monthly Coffee and Conversation meetings with the principal, School Site Beautification days, and Parent Education Workshops covering topics including Common Core Instruction, Student Safety, Anti-Bullying, and Adolescent Development. Parents are also involved in volunteering in classrooms, for field trips and fundraisers, and within the school garden.

Contact Information
Parents who wish to participate in Roosevelt Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (510) 618-4350.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):
- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern at Roosevelt Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is updated biannually at the beginning and end of the school year by the School Site Council and staff. The plan is reviewed annually at an October staff meeting. The key element of the School Site Safety Plan encompasses student safety and evacuation procedures, if necessary. Fire, earthquake and lockdown drills are conducted on a monthly basis throughout the school year, and intruder drills are conducted twice a year.

To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. Any visitors to the campus are required to check-in at the school's office and wear the proper identification badge at all times. The designated areas for student drop off and pick up are at the front of the school and in the back of the school with a crossing guard. School Gates are locked on the Dutton side of campus in the morning after students arrive and are opened again at dismissal time. The front gates close from 8:30 - 1:30 and visitors are required to enter through the front door

Professional Development provided for Teachers

Staff development is focused on becoming a Professional Learning Community and building capacity around the use of technology in the classroom as well as helping teacher implement our new Math and English Language Arts Curriculum, as well as, Project Based Learning. Our teachers meet every Wednesday in PLCs to discuss curriculum and student work. The Instructional Leadership Team (ILT) meets once per month to assess the professional development needs of the school and plan future staff meeting agenda items. We continue to include equity as an ongoing staff development focus area.

Staff development is supported for classroom implementation through BTSA (Beginning Teachers Support and Assessment) Support Providers and District Instructional Coaches. Teachers participate in District Professional Development days 2 times per year where they can choose training courses to meet their individual development needs. Teachers also participate in professional development after-school at the district and site level.

Teachers are also released for full day collaboration with their grade level twice a year. These planning days allow teachers to continually improve their craft and calibrate their teaching techniques with their colleagues.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description

San Leandro High School's mission is to prepare students to understand, contribute to, and succeed in a rapidly changing world and society. San Leandro High School will ensure that our students develop both the skills that a rich, culturally relevant, and robust education provides and the competencies essential for success and leadership in a diverse and creative world. We will also lead to generating practical and theoretical knowledge that enables our scholars to better understand our world and improve conditions for local and global communities.

We will fulfill our mission by expanding San Leandro High as a learning community that is responsive to change and one that:

- -Focuses on and provides students with engaging, responsive and personalized learning experiences that emphasize academic excellence and global competencies (i.e. critical thinking, problem-solving, communication, collaboration, creativity, and civic engagement).
- -Prioritizes collaborative, project-based learning as part of each student's educational experience.
- -Prioritizes humanity and culture in designing systems and environments to improve the human condition, an approach that draws on personalized and real-world learning.

San Leandro High School will continue to challenge and motivate each student to achieve his or her full potential as a responsible member of our diverse community and society. We offer a positive safe learning environment that promotes intellectual growth, health, creativity, and respect for self and others. Our vision is to model excellence and encourage academic achievement and personal success for all our students. At San Leandro High School students are prepared to be productive members of society. Students will be pushed to access their highest level of success whether that be a 4-year college, community college to four-year college transfer, or vocational or trade school admittance. Each will develop a "ten-year" career plan which will outline a detailed pathway to help them transition to their next steps beyond high school.

San Leandro High School is committed to building the capacity of staff, families, students and the community to establish partnerships that strengthen student learning and improve our school environment. We invite our families and community members to partner with us to ensure the success of all our students and the community at large. Additionally, San Leandro High focuses on infusing our school virtues throughout our student body and staff to help foster character development and positive school culture.

Our guiding community virtues are as follows:

We are lifelong learners.

We are leaders in training.

Don't be part of the problem. Be part of the solution.

Failure is not an option.

Discipline yourself so no one else has to.

Stay calm at all times.

If you have a goal nothing is impossible.

We come from greatness.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 20, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

San Leandro High School was originally constructed in 1947 and is currently comprised of 95 permanent classrooms, a library, a staff lounge, a multi-purpose/cafeteria room, three computer labs, a gymnasium, and an athletic field. The Fred T. Korematsu campus was completed in Fall 2010. A new Arts Education Center, with a 550 seat theater, was completed in Spring 2011. The school's Career Technical Education Center was completed in Summer 2012, which includes state-of-the-art industrial arts programs and equipment.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school is scheduled to receive new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs. Aging portables will be replaced with newer classroom structures.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
Parents and the community are very supportive of the education program at San Leandro High School. Parents may participate in the School Site Council (SSC), the English Language Advisory Committee (ELAC), the Boosters Club, Site Parent Volunteers, and the United Parents of San Leandro High School.

San Leandro High School has partnerships with the following community organizations and businesses: Eden Area ROP, the Chamber of Commerce, San Leandro Hospital, Chabot College, Kiwanis, Rotary, and Lion's Club.

Contact Information
Parents who wish to participate in San Leandro High School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (510) 618-4600.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):
- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern of San Leandro High School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed and updated every fall by the administration, evacuation procedures are updated and reviewed with the staff and practiced each fall and spring with the students. The safety plan is reviewed by the School Site Council in February and approved in March of each school year. The key elements of the School Site Safety Plan include disaster plans and drills. Fire, earthquake, and intruder drills are conducted on a regular basis throughout the school year.

To ensure student safety, staff members supervise students regularly and at all times. Any visitors to the campus are required to check-in at the principal's office.

Professional Development provided for Teachers

Teachers are provided multiple opportunities for staff development throughout the year. Every Wednesday morning, teachers participate in 55 minutes of collaboration time within their departments or interdepartmental groups to further the department or schoolwide goals. In addition, during this collaboration time, teachers voluntarily visit their colleague's classes to observe common and unique practices to improve instruction.
A team of teachers was trained in utilizing the Professional Learning Community format to support our efforts to improve the academic success of all of our students.
District-supported professional development includes preparing English and Math teachers to understand and begin implementing new Common Core Standards.

Career Technical Education Programs

San Leandro High School Career Technical Education programs provide a sequence of courses that furnish individuals with the academic, technical knowledge, and skills individuals need to prepare for further education and for careers in current or emerging employment sectors. The table displays questions and answers about student participation in San Leandro High School's Career Technical Education (CTE) programs.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description

Dear Families,

It is a true honor to be a part of the Washington community! It is a postcard beautiful school with classic and stately architecture surrounded by lush park grounds that draw families who walk from nearby apartments, bungalows and sprawling homes, all where cherry orchards once stood. The diversity in architecture reflects the myriad faces in this community. The culturally and linguistically rich backgrounds, the inviting neighborhood, and inspired staff are just some of the key elements that make Washington Elementary a coveted school in this district.

Our dedicated teachers provide a rigorous academic curriculum based on Common Core State Standards (CCSS) and Next Generation Science Standards (NGSS) to ensure access to all of our students. We incorporate Project Based Learning throughout the school day to help solidify the standards in a meaningful and memorable way. We collaborate and analyze data regularly to produce deeper and individualized learning pathways for every student.

We have worked especially hard to create a true home-school connection, where families are welcome to be on our campus before, during and after school. On any given day you will find our Parent Center and our classrooms bustling with volunteers. We have a dedicated parent facilitator who welcomes and guides parents in supporting their child's education.

Washington School has a robust Spanish Biliteracy Pathway program from first through fifth grade. We have a Dual Language Immersion(DLI) program that began with two Kindergarten classes (in 2017) and is growing each year (currently, we are in our 3rd year). We believe that these programs promote the benefits of learning two languages, lead to increased friendships among multiple language groups and affirm all of our students' heritage, leading to increased academic achievement for all students.

We also believe that our students must have access to enrichment opportunities to help maintain focus on their future aspirations and dreams. This belief was the basis for the development of a substantial after school program. In addition to traditional extended learning after school programs, we offer a variety of outside of school classes each year. Examples include classes such as Theater, Robotics, Coding, Ballet Folklórico, Jazz Band, Creative Arts, Hip Hop Dance, Science in the Garden, Drumline, and Girls' Running program. We also open our library before and after school to instill the love of reading and allow access to computers and technology.

There are so many unique and amazing opportunities available for Washington students and their families. It would take pages to capture them all here! We offer tours to prospective families on the first Monday of each month at 9:30 AM. I can be reached directly at (510) 618-4363 or via email at ealvarez@slusd.us.

With Warm Regards,
Elisa Alvarez
Principal

School Mission Statement

The Washington School Community is dedicated to providing equal access to learning for all students, where race, gender or socioeconomic status does not predict which students achieve at school. Through culturally responsive instructional practices we recognize the varied learning styles and intelligence of all students while maintaining high expectations. We strive to provide a nurturing, respectful, and safe learning environment that will empower children with skills and knowledge that will lead to their success in a changing world. Our commitment to the implementation of state standards through the use of board-adopted curricula will ensure that all students achieve high levels of proficiency as determined by grade level, school, district, and state measures.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 20, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

Washington Elementary School was originally constructed in 1917 and is currently comprised of 21 classrooms, an ELD room, an RSP room, a library, a staff room, a multi-purpose room, a kitchen/cafeteria, and two playgrounds. Recent renovations include the installation of new exterior fencing, exterior paint, and connection to the city's fiber loop for high-speed internet access.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school is scheduled to receive new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs. Aging portables will be replaced with newer classroom structures.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
Parent involvement is very important at Washington School. Our Parent Center serves as a gathering point for parents during the school day, before and after school. We host weekly Wednesday morning meetings for parents that include general coffee and conversation and workshops based on parent requests. We also have an active Parent Teacher Organization that meets in the evenings on the first Tuesday of the month at 6 PM. In addition to PTO, we also have a Dad's Club that meets off-site every other month. Our School Site Council meets every other month on a Thursday at 3:30 PM. This group has a profound impact on the school budget and all are welcome to attend. Washington has an English Language Advisory Committee that meets once a month in the mornings. This meeting covers various topics pertinent to the success of our English Learners. We have an African American Parent group that meets both during mornings and evenings. We use this time to ensure that we are meeting the needs of our African American students.

We have a multitude of events that take place during the year that parents, partnering with staff, provide for our students and our community. Any parents interested in participating are welcome to call Maria Ochoa, our Parent Facilitator, at (510) 618-4360 extension 3333.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):
- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan
The San Leandro Unified School District recognizes that students and staff have the right to a safe and secure campus where they are free from physical and psychological harm. The governing Board is fully committed to maximizing school safety and to creating a positive learning environment that includes strategies for violence prevention and high expectations for student conduct, responsible behavior, and respect for others.

The school site council at Washington School develops a comprehensive school safety plan relevant to the needs and resources of that particular school. A current copy of the school plan is required to be kept on file. Washington staff reviewed this at the October staff meeting.

Professional Development provided for Teachers

Our District is committed to excellent Professional Development. Several times a year our teachers receive training in the latest technology, curriculum, English Language Development, National Science Standards, ultimately refining the delivery of Common Core State Standards. In addition to the District PD, each Wednesday Washington teachers participate in optional mini PDs that strengthen their practice throughout each school year. Washington teachers are allotted three professional days to work collaboratively. This time is used to incorporate Project Based Learning into their daily teaching. All teachers also have the opportunity to work with Instructional coaches in the classroom and during collaboration time. New teachers participate in BTSA (Beginning Teachers Support and Assessment). Washington teachers were all trained at the Museum of Tolerance on the incorporation of Social Justice standards into their every day practice.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description

Principal's Message

Woodrow Wilson Elementary School is a community of learners who share a committed focus on ensuring that every child who comes to our school receives an equitable education within a nurturing and safe environment. The strength of our school lies with the staff who are knowledgable, thoughtful, conscientious, and who share the belief that all students can learn and embrace the skills that will make them lifelong learners. Our teaching faculty of highly qualified, fully credentialed teachers is dedicated to teaching rigorous core academic curriculum based on the Common Core State Standards and the Next Generation Science Standards that ensure access for all of our student subgroups. Educators at Woodrow Wilson Elementary School collaborate and analyze data regularly to produce deeper learning opportunities for our students that includes an analysis of academic performance and language development to determine EL student program needs as well as other student subgroups needs. We believe that focused practices lead to stronger results! Our goal is to make continuous year to year growth for each individual student, so that all are prepared for middle school, high school, and beyond for college and career. Education requires teamwork. The Wilson staff, teachers, families, community members, and students will continue to communicate clearly and work effectively to enable our students to meet the Common Core standards and to achieve our school-wide site plan goals and objectives.

Woodrow Wilson School is made up of a rich and diverse student body. The school serves students in grades TK-5. Additional resources are allocated to serve students in need of Math and Reading Intervention support services. Support services are also offered in English Language Development instruction, Speech and Language, Special Education Resource Program, Adaptive Physical Education, Occupational Therapy, and Counseling. Students also receive instruction in Music, Art, and Physical Education taught by Specialists.

The Woodrow Wilson staff is committed to providing an educational program in which the school's resources and services are effectively coordinated to meet the needs of students. Our teachers strive to provide students with explicit direct instruction lessons and project-based learning (PBL) opportunities that are combined with blended learning opportunities in our 1:1 (1st-5th Grade) and 2:1 (Kindergarten) digital learning environments. It is always our goal to provide academic programs that are culturally responsive, rigorous, personalized and appropriately challenging for all students.

Instruction is focused on English Language Arts and Mathematics Common Core State Standards and Next Generation Science Standards as all students make progress toward mastery. Teachers at Woodrow Wilson Elementary School differentiate their instruction by regularly assessing and grouping students within and/or outside of the classroom for instruction in a variety of core academic content areas. Through this process, teachers are able to work together to meet the needs of all students by sharing resources and best instructional practices. This has become a focus by aligning activities to achieve school goals through improving the academic performance of English learners students and students who require additional intervention to support their learning needs. Recognizing the need to focus on the whole child, our teachers also provide learning experiences that foster social/emotional growth as well as develop students' communication and collaboration skills.

District Vision Statement

The mission of the San Leandro Unified School District is to educate students to achieve and demonstrate academic excellence and become confident, collaborative and competitive in a global society, by utilizing state-of-the-art technologies and innovative teaching strategies within a well-maintained, secure learning environment, in a region rich in heritage and diverse in culture, where we value our traditions while welcoming change.

School Mission Statement

High standards, equity, and accountability are central to the vision for our community of learners at Woodrow Wilson Elementary School. We are determined to provide our students with life skills, tools, and knowledge to be successful life-long learners. We assure that our students can compete among the very brightest, best, and most creative individuals. In order for this to accomplish this, we are committed to building on our current successes, developing a collaborative pedagogy utilizing current, evidence-based practices that improve student achievement and recognizing the hard work and long road that is ahead of us with perseverance and motivation. We are optimistic in the simple truth that we know our students are capable, our teachers and staff are determined and our community is supportive.

Making our vision a reality means our continuing effort at creating a standards-based accountability system where every student is compared to a standard rather than each other, where every student is clear on what is expected of him or her, where every student is given multiple opportunities to learn and to show what they know in order to reach high rigorous standards, and where there is no achievement gap.

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses, and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner associations.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 20, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of August 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

Wilson Elementary School was originally constructed in 1947 and is currently comprised of 24 permanent classrooms, 14 portable classrooms, a library, a staff room, a multi-purpose room, a kitchen, and two playgrounds. Renovation of the library occurred during 2017.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school is scheduled to receive new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs. Aging portables will be replaced with newer classroom structures.

B. Pupil Outcomes

State Priority: Pupil Achievement
The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
Wilson is dedicated to engaging parents in a variety of ways. The Wilson staff believes in building engaging, collaborative partnerships with our families and community members. Staff members encourage parents/guardians to participate in and out of the classroom on an ongoing basis throughout the year. Kindergarten and TK teachers meet with parents prior to the start of the school year to welcome new families to our school. Staff communicates regularly with families through newsletters, phone calls, emails, auto-text programs, in-person meetings, and emails. Many staff utilizes teacher webpages and online outreach programs to connect with families. Parents/guardians receive multilingual school and classroom newsletters on a regular basis in addition to messages sent through the telephone system. Messages sent through the school's automated phone messaging system are multilingual. Parent volunteers are encouraged to work in classrooms around the school through our volunteer sign-up policies. Twice a month Coffee Chats with the Principal provide the open format to receive information and ask pertinent questions on an ongoing basis. Parents may participate in the Parent-Teacher Committee (PTC), English Learner Advisory Committee (ELAC), School Site Council (SSC), as well as a variety of volunteer activities. Parents and family members may volunteer to help with fundraising, school-wide events such as assemblies or Beautification Day, assistance within the classroom, support during recess and lunch, and other activities including working in our community garden.

Wilson Elementary School has several partnerships with local community organizations, including the Boys & Girls Club/ASES. Other partners include Kaiser Permanente, East Bay Agency for Children, Vision to Learn, Safe Routes to School, Safe Moves, Bike Mobile, and the Alameda County Office of Education Project Eat.

Family members who wish to participate in Wilson Elementary School's parent advisory committees, school activities, or become a volunteer may contact the main office at (510) 618-4370.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan
The safety of students and staff is a primary concern at Wilson Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is updated every winter by a committee of six individuals, including the principal, vice-principal, and SLTA representative. The key element of the School Site Safety Plan entails emergency evacuation procedures. Fire, earthquake, and intruder drills are conducted on a regular basis throughout the school year. The Wilson School Safety Plan was reviewed, discussed and updated during the 2018-2019 school year.

To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. All visitors to the campus are required to check-in at the school's office and wear the proper identification badge at all times.

Professional Development provided for Teachers

Staff development is delivered via a variety of means, including peer-to-peer mentoring, instructional coaching, teacher technology education consultants, site-based staff development opportunities, districtwide professional development, and off-site conferences at federal, state, and county levels. Peer-to-peer development opportunities include BTSA (Beginning Teachers Support and Assessment) Support Providers, instructional coaches, and Professional Learning Community Collaboration time and training. Administration at site and district level provide and deliver staff development based on student and site needs. Professional development is provided in content areas, technological integration, socio-emotional learning, alignment with Common Core State Standards, English Language Development, Project Based Learning, special education, and in other areas designed to increase and improve student access, engagement, and achievement. Staff is able to receive training that is individualized, job-embedded, after school, during district-wide professional development days, via online learning platforms, and during release time. The district supports staff development through Professional Growth Days as well as grade-level specific training, including math and ELA/ELD framework training. Teachers are released each semester to plan by grade level for the upcoming based on student assessment data, Common Core standards, and curriculum. In order to select areas for staff development, factors including state and district assessment data, curriculum-based assessment, teacher feedback, community and family needs and input, English Language Learners, needs of students with disabilities, and state/federal standards are considered, among other essential data. Staff development is ongoing, reflective, globally and culturally relevant, and responsive to the needs of the students, staff, and school-wide community.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
