San Leandro Unified School District Board of Education

Resolution No. 20-17

National Nurses' Week

May 6, 2020 – May 12, 2020

School Nurse Day

May 6, 2020

WHEREAS, the health and safety of our students is our primary concern; and

WHEREAS, the educational achievement of our students is directly affected by their health and well-being; and

WHEREAS, the number of students with unmet health needs is increasing and more students with multiple and severe health handicaps that can interfere with age appropriate developmental milestones and academic success are being identified and enrolled; and

WHEREAS, school nurses are charged with the responsibility of addressing these critical issues and providing diligent care for the health, health education, development and disease control of all students through the implementation of our health services program; and

WHEREAS, school nurses oversee and/or carry out health assessments, interventions, education and referrals, and the development, evaluation, and supervision of specialized health care plans for medically involved students, which includes networking with community agencies to better serve our students;

THEREFORE BE IT RESOLVED, hat the San Leandro Unified School District Board of Education and the Superintendent declare May 6, 2020 – May 12, 2020 as "National Nurses' Week" with May 6 as the official "School Nurse Day." They commend the registered nurses of the San Leandro Unified School District for their excellent care, health promotion, and commitment to the health of our students and the integrity of our health services program.

Adopted by the Board of Education of the San Leandro Unified School District this 10th day of March 2020.
