Re: T-Mobile Phone Service

Background: Staff are looking to move 25 maintenance phones over to T-Mobile as the service provider (currently they are on AT&T). Monthly cost is lower than our current rate and service looks to be comparable for our purposes.

Staff have obtained pricing - see attached documents.

The Technology Department is requesting the following amounts:

25 plans at $34.95/month - annual cost	$10,455.00
Total Amount Requested	**$10,455.00**

Funding Source: General Fund
