Re: Promethean boards for new Madison rooms

Background: 12 new rooms have been completed at Madison elementary (9 classrooms, Library, MakerSpace and STEAM lab) which are brand new to the site and do not have existing Promethean boards. The 10 boards purchased in January are being used to fill in rooms that were missed on the original deployment as well as new rooms being completed at other school sites. Items will be procured via the CMAS Contract 3-19-00-0515B.
