AERIES Software Pricing Proposal Ref# 05172011-San Leandro USD-1-.NET

The following is a price proposal summary for the San Leandro Unified School District's **AERIES** Administrative Student Information Software Aeries.net configuration services.

EAGLE SOFTWARE, 1065 N. PacifiCenter Drive, Suite 400, Anaheim, California, 92806 to provide Aeries Aeries.net Configuration Support Services with respect to EAGLE SOFTWARE's Aeries™ student administrative software package to San Leandro Unified School DISTRICT (hereinafter "DISTRICT") based upon the following price schedule:

QTY	DESCRIPTION	UNIT PRICE	AMOUNT
	TECHNICAL CONFIGURATION SERVICES Aeries.net configuration support services not to exceed 20 hours of support services. The Aeries.net configuration support services will include: • Remote Installation and Configuration Assistance • System Management Walk-through (through remote connection) • Migration Advice and Assistance • Implementation Advice and Assistance		$ 4,000.00
	MAINTENANCE & SUPPORT (*) The implementation of Aeries.net will increase the total Annual Aeries Software Maintenance and Support costs by 20% of the current Aeries support pricing (excluding any increase for Aeries Mobile) • SLUSD's current Aeries software maintenance/support for the 2010-2011 school year is $18,900.00 per year before the addition of Aeries.net • The additional annual Aeries software maintenance/support for Aeries.net based upon the current cost for the 2010-2011 school year would be $3,780.00		$ 3,780.00
	TRAINING Aeries.net Training of AERIES users. (Full days)	$ 1,100.00	$ 1,100.00
	EXPENSES Travel expenses (flight, car, motel and meals)	$ 250.00	$ 250.00

COST SUBTOTAL

Aeries.net Configuration Services	$ 4,000.00
First year additional Aeries support	$ 3,780.00
Training with expenses at district site	$ 1,350.00
TOTAL	$ **9,130.00**

EAGLE SOFTWARE hereby expressly represents to DISTRICT that this instant Sales Proposal is merely a proposal and is not binding upon either party unless and until Eagle Software has received a purchase

order and/or payment from the San Leandro Unified School District for the Aeries.net version configuration and software maintenance/support services proposed herein.

The instant Sales Proposal shall expire at 5:00 p.m. (P.S.T.) on August 17, 2011 without further notice from EAGLE SOFTWARE unless EAGLE SOFTWARE has received a purchase order and/or payment from the San Leandro Unified School District for the Aeries.net version configuration and software maintenance/support services proposed herein.

All EAGLE SOFTWARE Aeries.net version configuration and software maintenance/support services are performed remotely from the Anaheim office of Eagle Software via telephone, email and/or remote electronic access to the SLUSD computer systems.

Training of Aeries users is available for $1,100 per day plus expenses. (Full days at a lab within the District). The number of training days and expenses proposed in this quote is an estimate. Training and expenses will be invoiced based upon the actual number of training days and actual expenses that apply.

***The Aeries.net version configuration support services cost is a one-time cost. The Aeries.net version software maintenance/support services cost is an annually reoccurring cost.**
