Re: Document Cameras and accessories for classrooms

This proposal is for new high definition document cameras and related equipment. The proposed cameras are directly compatible with the district's Zoom and Google Meet platforms. Additional funding is proposed for microphones and accessories to help facilitate the use of these cameras to assist in recording and live participation in lessons.

Staff has obtained pricing - see attached.

The Technology Department is requesting the following amounts:

Document Cameras	$65,520.75
Cables, Microphones and other unforeseen accessories	$15,000.00
Total Amount Requested	**$80,520.75**
