Re: Change funding source for technology purchases to Learning Loss Mitigation

Two items which directly support distance learning were previously purchased under bond funding. Staff recommends the board of education approve moving these purchases funding source to Learning Loss Mitigation Funding.

Amounts are as follows

2020 summer Chromebooks for distance learning	$934,477.00
Hotspots purchased at the beginning of July via CDE discount	$63,720.00

Funding Source: Learning Loss Mitigation Funding
