Re: Membership of Citizens' Bond Oversight Committee (CBOC) for Measures J1 and N
And Citizens' Oversight Committee for Measure I

Per current bylaws adopted by the SLUSD Governing Board, the district's CBOC for Measures J1 and N also serves as the Citizens' Oversight Committee for Measure I (parcel tax).

Staff is requesting that the Trustees re-appoint Xouhoa Bowen and Richard Chennault to the district CBOC with two year terms through the 2021-22 school year.

Staff is also requesting that new member Laila Hui Wong be appointed with a two year term through the 2021-22 school year. Laila would take an At-Large position from a member whose term ended and who chose not to seek reappointment.

Below is the proposed Citizens' Bond Oversight Committee Membership for 2020-21:
