Re: Additional Document Cameras for classrooms

This purchase expands upon the original purchase of document cameras previously approved to cover all document cameras in the district rather than only the oldest models. The proposed cameras are directly compatible with the district's Zoom and Google Meet platforms.

Staff has obtained pricing - see attached.

The Technology Department is requesting the following amounts:

Document Cameras	$48,289.50
Total Amount Requested	**$48,289.50**
