SUPERINTENDENT'S CONTRACT

The Governing Board believes that the Superintendent's employment contract should outline the framework through which the Board and Superintendent will work together as a governance team to achieve district goals and objectives. When approving the Superintendent's employment contract, the Board shall consider the value of stability in district administration, the best use of district resources, and the Board's duty to ensure accountability to the public for the performance of the district's schools.

(cf. 4117.5/4217.5/4317.5 - Termination Agreements)

In such an event, the maximum cash settlement that the Superintendent may receive upon termination of the contract shall not exceed the Superintendent's monthly salary multiplied by the number of months left on the contract or the Superintendent's monthly salary multiplied by 12, whichever is less. (Government Code 53260)

However, when the termination of the Superintendent's contract is based upon the Board's belief and subsequent confirmation through an independent audit that the Superintendent has engaged in fraud, misappropriation of funds, or other illegal fiscal practices, no cash or noncash settlement of any amount shall be provided. (Government Code 53260)

SUPERINTENDENT'S CONTRACT (continued)

CONSULTANTS

The Governing Board authorizes the use of consultants and other independent contractors to provide expert professional advice or specialized technical or training services which are not needed on a continuing basis and which cannot be provided by district staff because of limitations of time, experience, or knowledge. Individuals, firms, or organizations employed as independent contractors may assist management with decisions and/or project development related to financial, economic, accounting, engineering, legal, administrative, instructional, or other matters.

(cf. 3551 - Food Service Operations/Cafeteria Fund)

As part of the contract process, the Superintendent or designee shall determine that the individual, firm, or organization is properly classified as an independent contractor. A person, firm, or organization shall be considered an employee rather than an independent contractor unless the district is able to demonstrate that all of the following conditions have been met: (Labor Code 2750.3)

1. The person or entity is free from the control and direction of the district in connection with the performance of the work.

2. The person or entity is performing work that is outside the usual course of the district providing educational services.

3. The person or entity is customarily engaged in an independently established trade, occupation, or business of the same nature as the work to be performed.

Specific statutory exceptions to this analysis for the determination of whether a person, firm, or organization is an independent contractor may apply. (Labor Code 2750.3)

All consultant contracts shall be brought to the Board for approval.

(cf. 3311 - Bids)
(cf. 3312 - Contracts)
(cf. 4132/4232/4332 - Publication or Creation of Materials)

All qualified independent contractors shall be accorded equal opportunity for contracts regardless of actual or perceived race, color, national origin, ancestry, age, religious creed, marital status, pregnancy, physical or mental disability, medical condition, genetic information, military and veteran status, sex, sexual orientation, gender, gender identity, gender expression, immigration status, or association with a person or group with one or more of these actual or perceived characteristics. (cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 0415 - Equity)
(cf. 4030 - Nondiscrimination in Employment)

CONSULTANTS (continued)

Independent contractors shall submit a written conflict of interest statement disclosing financial interests as determined necessary by the Superintendent or designee, depending on the range of duties to be performed by the consultant. The Superintendent or designee shall consider this statement when deciding whether to recommend approval of the contract.

Any consultant hired by the district who is subject to the filing requirements in the district's conflict of interest code shall file a Statement of Economic Interests within the time period required by law. (Government Code 87302)

(cf. 9270 - Conflict of Interest)

When employees of a public university, county office of education, or other public agency serve as consultants or independent contractors in other capacities for the district, they shall certify as part of the agreement that they will not receive salary or remuneration other than vacation pay from any other public agency for the specific days when they work for the district.

The Board prohibits the harassment of an independent contractor by any district employee or by any other person with whom the independent contractor comes in contact during the course of employment with the district. Additionally, the Board prohibits the harassment of a district employee by an independent contractor. Any complaint of harassment shall be investigated and resolved in accordance with applicable district complaint procedures. (Government Code 12940)

LACTATION ACCOMMODATION

The Governing Board recognizes the immediate and long-term health benefits of breastfeeding and desires to provide a supportive environment for any district employee to express milk for an infant child upon returning to work following the birth of the child. The Board prohibits discrimination, harassment, and/or retaliation against any district employee for seeking an accommodation to express breast milk for an infant child while at work.

(cf. 4030 - Nondiscrimination in Employment)

An employee shall notify the employee's supervisor or other appropriate personnel in advance of the intent to request an accommodation. The supervisor shall respond to the request and shall work with the employee to make arrangements. If needed, the supervisor shall address scheduling in order to ensure that the employee's essential job duties are covered during the break time.

Lactation accommodations shall be granted unless limited circumstances exist as specified in law. (Labor Code 1031, 1032; 29 USC 207)

Before a determination is made to deny lactation accommodations to an employee, the employee's supervisor shall consult with the Superintendent or designee. When lactation accommodations are denied, the Superintendent or designee shall document the options that were considered and the reasons for denying the accommodations.

The Superintendent or designee shall provide a written response to any employee who was denied the accommodation(s). (Labor Code 1034)

The district shall include this policy in its employee handbook or in any set of policies that the district makes available to employees. In addition, the Superintendent or designee shall distribute the policy to new employees upon hire and when an employee makes an inquiry about or requests parental leave. (Labor Code 1034)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Break Time and Location Requirements

The district shall provide a reasonable amount of break time to accommodate an employee each time the employee has a need to express breast milk for an infant child. (Labor Code 1030)

To the extent possible, any break time granted for lactation accommodation shall run concurrently with the break time already provided to the employee. Any additional break time used by a non-exempt employee for this purpose shall be unpaid. (Labor Code 1030; 29 USC 207)

LACTATION ACCOMMODATION (continued)

The employee shall be provided the use of a private room or location, other than a bathroom, which may be the employee's work area or another location that is in close proximity to the employee's work area. The room or location provided shall meet the following requirements: (Labor Code 1031; 29 USC 207)

1. Is shielded from view and free from intrusion while the employee is expressing milk

2. Is safe, clean, and free of hazardous materials, as defined in Labor Code 6382

3. Contains a place to sit and a surface to place a breast pump and personal items

4. Has access to electricity or alternative devices, including, but not limited to, extension cords or charging stations, needed to operate an electric or battery-powered breast pump

5. Has access to a sink with running water and a refrigerator or, if a refrigerator cannot be provided, another cooling device suitable for storing milk in close proximity to the employee's workspace

If a multipurpose room is used for lactation, among other uses, the use of the room for lactation shall take precedence over other uses for the time it is in use for lactation purposes. (Labor Code 1031)

Dispute Resolution

An employee may file a complaint with the Labor Commissioner at the California Department of Industrial Relations for any alleged violation of Labor Code 1030-1034. (Labor Code 1034)

INTRADISTRICT OPEN ENROLLMENT

The Governing Board desires to provide enrollment options that meet the diverse needs and interests of district students and parents/guardians, while also maximizing the efficient use of district facilities and resources. The Superintendent or designee shall establish procedures for the selection and transfer of students among district schools in accordance with law, Board policy, and administrative regulation.

(cf. 5116.2 - Involuntary Student Transfers)
(cf. 5117 - Interdistrict Attendance)

The parents/guardians of any student who resides within district boundaries may apply to enroll their child in any district school, regardless of the location of their residence within the district. (Education Code 35160.5)

(cf. 5111.1 - District Residency)

The Board shall annually review this policy. (Education Code 35160.5, 48980)

Enrollment Priorities

No student currently residing within a school's attendance area shall be displaced by another student transferring from outside the attendance area. (Education Code 35160.5)

(cf. 5116 - School Attendance Boundaries)

The Superintendent or designee shall grant priority for the enrollment of a student in a district school outside of the student's attendance area, if the student:

1. Is enrolled in a district school designated by the California Department of Education (CDE) as "persistently dangerous" (20 USC 7912; 5 CCR 11992)

(cf. 0450 - Comprehensive Safety Plan)

2. Is a victim of a violent crime while on school grounds (20 USC 7912)

3. Is a victim of an act of bullying committed by another district student, as determined through an investigation following the parent/guardian's submission of a written complaint with the school, district, or local law enforcement agency pursuant to Education Code 234.1 (Education Code 46600)

   If the district school requested by the student is at maximum capacity, the Superintendent or designee shall accept an intradistrict transfer request for another district school. (Education Code 46600)

(cf. 1312.3 - Uniform Complaint Procedures)
(cf. 5131.2 - Bullying)

INTRADISTRICT OPEN ENROLLMENT (continued)

4. Is currently enrolled in a district school identified by CDE for comprehensive support and improvement, with priority given to the lowest academically achieving students from low-income families as determined pursuant to 20 USC 6313(a)(3) (20 USC 6311)

(cf. 0520.1 - Comprehensive and Targeted Support and Improvement)

5. Is experiencing special circumstances that might be harmful or dangerous to the student in the current attendance area, including, but not limited to, threats of bodily harm or threats to the emotional stability of the student. Any such student may transfer to a district school that is at capacity and otherwise closed to transfers. To grant priority under these circumstances, the Superintendent or designee must have received either: (Education Code 35160.5)

   a. A written statement from a representative of an appropriate state or local agency, including, but not necessarily limited to, a law enforcement official or a social worker, or a properly licensed or registered professional, including, but not necessarily limited to, a psychiatrist, psychologist, marriage and family therapist, clinical social worker, or professional clinical counselor

   b. A court order, including a temporary restraining order and injunction

6. Is a sibling of another student already attending that school

7. Has a parent/guardian whose primary place of employment is that school

Application and Selection Process

In order to ensure that priorities for enrollment in district schools are implemented in accordance with law and Board policy, applications for intradistrict open enrollment shall be submitted between January 1 and March 15 of the school year preceding the school year for which the transfer is requested.

The Superintendent or designee shall calculate each school's capacity in a nonarbitrary manner using student enrollment and available space. (Education Code 35160.5)

Except for the enrollment priorities listed above, the Superintendent or designee shall use a random, unbiased selection process to determine which students shall be admitted whenever a district school receives admission requests that are in excess of the school's capacity. (Education Code 35160.5)

INTRADISTRICT OPEN ENROLLMENT (continued)

Enrollment decisions shall not be based on a student's academic or athletic performance. However, existing entrance criteria may be used for enrolling students in specialized schools or programs, provided that the criteria are uniformly applied to all applicants. In addition, academic performance may be used to determine eligibility for, or placement in, programs for gifted and talented students. (Education Code 35160.5)

(cf. 6172 - Gifted and Talented Student Program)

Transportation

In general, the district shall not be obligated to provide transportation for students who attend school outside their attendance area.

However, upon parent/guardian request, the district shall provide transportation assistance to any student who is eligible for free or reduced-price meals and whose enrollment in a district school outside the student's attendance area is a result of being a victim of bullying. (Education Code 46600)

INTRADISTRICT OPEN ENROLLMENT

Transfers for Victims of a Violent Criminal Offense

Within a reasonable amount of time, not to exceed 14 calendar days, after it has been determined that a student has been the victim of a violent criminal offense while on school grounds, the student's parents/guardians shall be offered an option to transfer their child to an eligible school identified by the Superintendent or designee. In making the determination that a student has been a victim of a violent criminal offense, the Superintendent or designee shall consider the specific circumstances of the incident and consult with local law enforcement as appropriate. Examples of violent criminal offenses include, but are not limited to, attempted murder, battery with serious bodily injury, assault with a deadly weapon, rape, sexual battery, robbery, extortion, or hate crimes.

The Superintendent or designee shall consider the needs and preferences of the affected student and parent/guardian in making the offer. If the parent/guardian elects to transfer the student, the transfer shall be completed as soon as practicable.

Transfers from a "Persistently Dangerous" School

Upon receipt of notification from the California Department of Education (CDE) that a district school has been designated as "persistently dangerous," intradistrict transfers shall be granted as follows:

1. Within 10 days of receipt of the notification from CDE, the Superintendent or designee shall provide parents/guardians of students attending the school with notice of the school's designation. Along with this notification, or at least 14 calendar days before the start of the school year, the Superintendent or designee shall provide a list of other district schools to which any student of the school that is designated as persistently dangerous may transfer.

(cf. 0450 - Comprehensive Safety Plan)

2. Parents/guardians who desire to transfer their child out of the school shall provide a written response to the Superintendent or designee and shall rank-order their preferences from among all schools identified by the Superintendent or designee as eligible to receive transfer students.

3. The Superintendent or designee shall consider the needs and preferences of students and parents/guardians before making an assignment, but is not obligated to accept the parent/guardian's preference if the assignment is not feasible due to space constraints or other considerations. The Superintendent or designee shall notify the parents/guardians of the assigned school.

INTRADISTRICT OPEN ENROLLMENT (continued)

4. For students whose parents/guardians accept the offer, the transfer shall be made as quickly as possible. If the parents/guardians decline the assigned school, the student may remain in the current school.

The transfer shall remain in effect as long as the student's school of origin is identified as "persistently dangerous." The Superintendent or designee may choose to make the transfer permanent based on the educational needs of the student, parent/guardian preferences, and other factors affecting the student's ability to succeed if returned to the school of origin.

The Superintendent or designee shall cooperate with neighboring districts to develop an interdistrict transfer program in the event that space is not available in a district school.

(cf. 5117 - Interdistrict Attendance)

Other Intradistrict Open Enrollment

Except for transfers for victims of a violent crime and from a "persistently dangerous school," the following procedures shall apply to intradistrict open enrollment:

1. The Superintendent or designee shall identify those schools which may have space available for additional students. A list of those schools and open enrollment applications shall be available at each school site, the district office, and on the district's web site.

2. After the enrollment priorities have been applied in accordance with Board policy, if there are more requests for a particular school than there are spaces available, a random drawing shall be held from the applicant pool. A waiting list shall be established to indicate the order in which applicants may be accepted if openings occur during the year. Late applicants shall not be added to the waiting list for the current year but shall instead wait for a subsequent lottery.

3. The Superintendent or designee shall provide written notification to applicants as to whether their applications have been approved, denied, or placed on a waiting list. If the application is denied, the reasons for denial shall be stated.

4. Approved applicants must confirm their enrollment within 10 school days.

Any student who is granted a transfer out of a school that had been identified by CDE for comprehensive support and improvement shall be allowed to remain in the school of enrollment until completing the highest grade offered at that school. (20 USC 6311)

(cf. 0520.1 - Comprehensive and Targeted Support and Improvement)

INTRADISTRICT OPEN ENROLLMENT (continued)

A student granted intradistrict enrollment under other circumstances shall not be required to reapply for readmission but may be subject to displacement due to excessive enrollment.

Any complaints regarding the open enrollment process shall be submitted in accordance with the applicable complaint procedure.

(cf. 1312.3 - Uniform Complaint Procedures)

Notifications

Notifications shall be sent to parents/guardians at the beginning of each school year describing all current statutory attendance options and local attendance options available in the district. Such notification shall include: (Education Code 35160.5, 48980)

1. All options for meeting residency requirements for school attendance

(cf. 5111.1 - District Residency)

2. Program options offered within local attendance areas

3. A description of any special program options available on both an interdistrict and intradistrict basis

4. A description of the procedure for application for alternative attendance areas or programs and the appeals process available, if any, when a change of attendance is denied

5. A district application form for requesting a change of attendance

6. The explanation of attendance options under California law as provided by CDE

(cf. 5145.6 - Parental Notifications)

INTERDISTRICT ATTENDANCE

The Governing Board recognizes that parents/guardians of students who reside within the geographic boundaries of one district may, for a variety of reasons, desire to enroll their children in a school in another district.

(cf. 5111.1 - District Residency)
(cf. 5116.1 - Intradistrict Open Enrollment)

OPTION 1: Interdistrict Attendance Agreements and Permits

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts. (Education Code 46600)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed upon by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement.

~~OPTION 2: School District of Choice Program~~

~~The Board has designated the district as a "school district of choice" and shall accept students who reside within other California school districts who wish to attend a district school.~~

~~The Board shall, by resolution, annually establish the number of students who will be accepted into the district through this program based on recommendations by the Superintendent or designee as to the number of transfer students the district will be able to accept and the schools, grades, and programs that will be able to accept the students. Once established, the district shall accept all students who apply to transfer into the district until the district is at maximum capacity, as required pursuant to Education Code 48301.~~

~~Students shall be admitted to district schools through an unbiased process that prohibits an inquiry into or evaluation or consideration of whether or not a student should be enrolled based upon the student's academic or athletic performance, physical condition, proficiency in English, any of the individual characteristics set forth in Education Code 200, or family income. (Education Code 48301)~~

~~If the number of transfer applications exceeds the number of transfers the Board has elected to accept, approval for transfer shall be determined by a random drawing held in public at a regularly scheduled Board meeting. (Education Code 48301)~~

INTERDISTRICT ATTENDANCE (continued)

Because the district admits students in accordance with the school district of choice program, the Superintendent or designee shall not admit students based on individual interdistrict attendance permits pursuant to Education Code 46600-46610 except under extraordinary circumstances.

The Superintendent or designee shall keep an accounting of all requests for admittance through the school district of choice program and a record of their disposition, including, but not limited to, all of the following: (Education Code 48313)

1. The number of requests granted, denied, or withdrawn and, for denied requests, the reason for the denial

2. The number of students transferred into and out of the district pursuant to this program

3. The race, ethnicity, gender, self-reported socioeconomic status, eligibility for free or reduced-price meals, and the district of residence for each student transferred into or out of the district pursuant to this program

4. The number of students transferred into or out of the district pursuant to this program who are classified as English learners or students with disabilities

5. As applicable, the number of students described in items #3 and 4 above who are provided transportation assistance to a district school or program, and the total number of students provided transportation assistance, pursuant to the school district of choice program

The Superintendent or designee shall report to the Board, at a regularly scheduled meeting, the information specified in items #1-5 above. No later than October 15 of each year, the Superintendent or designee shall provide the same information for the current school year, as well as information regarding the district's status as a school district of choice in the upcoming school year, to each geographically adjacent school district, the county office of education, and the Superintendent of Public Instruction. (Education Code 48313)

The district's compliance with specified program requirements shall be reviewed as part of the annual district audit conducted pursuant to Education Code 41020. (Education Code 48301)

(cf. 3460 - Financial Reports and Accountability)

Transportation

Upon parent/guardian request, the district shall provide transportation assistance to a student receiving an interdistrict transfer who is eligible for free and reduced-price meals and is the

INTERDISTRICT ATTENDANCE (continued)

child of an active duty military parent/guardian or a victim of bullying, as defined in Education Code 46600. (Education Code 46600)

(cf. 3553 - Free and Reduced Price Meals)

In addition, upon request of a student's parent/guardian, the Superintendent or designee may authorize transportation for any interdistrict transfer student to and from designated bus stops within the attendance area of the school that the student attends if space is available.

INTERDISTRICT ATTENDANCE

OPTION 1: Interdistrict Attendance Agreements and Permits

In accordance with an agreement between the Governing Board and the board of another district, a permit authorizing a student of either district to enroll in the other district may be issued upon approval of both districts.

The district shall post on its web site the procedures and timelines for requesting an interdistrict transfer permit, including a link to BP 5117 - Interdistrict Attendance. The posted information shall include, but is not limited to: (Education Code 46600.1, 46600.2)

1. The date upon which the district will begin accepting and processing interdistrict transfer requests for the following school year

2. The reasons for which the district may approve or deny a request, and any information or documents that must be submitted as supporting evidence

3. If applicable, the process and timelines by which a denial of a request may be appealed within the district before the district renders a final decision

4. A statement that failure of a parent/guardian to meet any timelines established by the district shall be deemed an abandonment of the request

5. Applicable timelines for processing a request, including the following statements:

    a. For an interdistrict transfer request received by the district 15 or fewer calendar days before the commencement of instruction in the school year for which the transfer is sought, the district will notify the parent/guardian of its final decision within 30 calendar days from the date the request was received.

    b. For an interdistrict transfer request received by the district more than 15 days before the commencement of instruction in the school year for which the interdistrict transfer is sought, the district will notify the parent/guardian of its final decision as soon as possible, but no later than 14 calendar days after the commencement of instruction in the school year for which transfer is sought.

6. The conditions under which an existing interdistrict transfer permit may be revoked or rescinded

Priority for interdistrict attendance shall be given to a student who has been determined, through an investigation by either the district of residence or district of proposed enrollment, to be a victim of an act of bullying, as defined in Education Code 48900(r), committed by a student of the district of residence. (Education Code 46600)

INTERDISTRICT ATTENDANCE (continued)

(cf. 1312.3 - Uniform Complaint Procedures)
(cf. 5131.2 - Bullying)

Until the district is at maximum capacity, the district shall accept any student whose interdistrict transfer application is based on being the victim of an act of bullying or a child of an active duty military parent/guardian. The district shall ensure that such students are admitted through an unbiased process that prohibits an inquiry into or evaluation or consideration of whether or not a student should be enrolled based on academic or athletic performance, physical condition, proficiency in English, family income, or any of the individual characteristics set forth in Education Code 220, including, but not limited to, race or ethnicity, gender, gender identity, gender expression, and immigration status. (Education Code 46600)

In addition, the Superintendent or designee may approve an interdistrict attendance permit for a student for any of the following reasons when stipulated in the agreement:

1. To meet the child care needs of the student, only as long as the student's child care provider remains within district boundaries

(cf. 5148 - Child Care and Development)

2. To meet the student's special mental or physical health needs as certified by a physician, school psychologist, or other appropriate school personnel

(cf. 6159 - Individualized Education Program)

3. When the student has a sibling attending school in the receiving district, to avoid splitting the family's attendance

4. To allow the student to complete a school year when the student's parents/guardians have moved out of the district during that year

5. To allow the student to remain with a class graduating that year from an elementary, middle, or senior high school

6. To allow a high school senior to attend the same school attended as a junior, even if the student's family moved out of the district during the junior year

7. When the parent/guardian provides written evidence that the family will be moving into the district in the immediate future and would like the student to start the school year in the district

8. When the student will be living out of the district for one year or less

INTERDISTRICT ATTENDANCE (continued)

9. When recommended by the school attendance review board or by county child welfare, probation, or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence

(cf. 5113.1 - Chronic Absence and Truancy)
(cf. 5113.12 - District School Attendance Review Board)

10. When there is valid interest in a particular educational program not offered in the district of residence

11. To provide a change in school environment for reasons of personal and social adjustment

The Superintendent or designee may deny initial requests for interdistrict attendance permits due to limited district resources, overcrowding of school facilities at the relevant grade level, or other considerations that are not arbitrary. However, once a student is admitted, the district shall not deny continued attendance because of overcrowded facilities at the relevant grade level.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

If the transfer request is for a school year that begins within 15 calendar days of the receipt of the request, the Superintendent or designee shall notify the parent/guardian of the final decision within 30 calendar days of receiving the request. If the transfer request is for a school year that begins more than 15 calendar days after the receipt of the request, the parent/guardian shall be notified of the final decision as soon as possible, but no later than 14 calendar days after the commencement of instruction during that school year. (Education Code 46600.2)

If a student's interdistrict transfer request is denied, the Superintendent or designee shall, in writing, notify the parents/guardians of their right to appeal to the County Board of Education within 30 calendar days from the date of the final denial. (Education Code 46600.2)

(cf. 5145.6 - Parental Notifications)

All notices to parents/guardians regarding the district's decision on any request for interdistrict transfer shall conform to the translation requirements of Education Code 48985, and may be provided by regular mail, electronic format if the parent/guardian provides an email address, or by any other method normally used to communicate with parents/guardians in writing. (Education Code 46600.2)

INTERDISTRICT ATTENDANCE (continued)

Pending a decision by the two districts or by the County Board on appeal, the Superintendent or designee may provisionally admit a student who resides in another district for a period not to exceed two school months, provided the district is the district of proposed enrollment. If the decision has not been rendered by the conclusion of two school months and the districts or County Board is still operating within the prescribed timelines, the student shall not be allowed to continue attending the district school to which the student was provisionally admitted. (Education Code 46603)

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or rescissions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

(cf. 5119 - Students Expelled from Other Districts)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

Once a student is admitted to a school on the basis of an interdistrict attendance permit, the student shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school of enrollment, unless reapplication standards are otherwise specified in the interdistrict attendance agreement. Existing interdistrict attendance permits shall not be rescinded after June 30 following a student's completion of grade 10 or for any student entering grade 11 or 12 in the subsequent school year. (Education Code 46600)

~~**OPTION 2: School District of Choice Program**~~

~~The Superintendent or designee shall communicate with parents/guardians regarding transfer opportunities under the school district of choice program. Communications sent to parents/guardians shall be available in all languages for which translations are required pursuant to Education Code 48985, shall be factually accurate, and shall not target particular neighborhoods or individual parents/guardians on the basis of a child's actual or perceived academic or athletic skill or any other personal characteristic. (Education Code 48301, 48980)~~

~~The Superintendent or designee shall also make public announcements regarding district schools, programs, policies, and procedures, including transportation options if applicable, during the enrollment period. (Education Code 48312)~~

~~The Superintendent or designee may hold informational meetings on the district's current educational programs, so that parents/guardians can provide input to the district on methods to improve current programs and make informed decisions regarding their children's education. (Education Code 48302)~~

INTERDISTRICT ATTENDANCE (continued)

~~The process for student transfers into the district under the school district of choice program, including, but not limited to, any applicable form, the timeline for a transfer, and an explanation of the selection process, shall be posted on the district's web site. (Education Code 48301)~~

~~*(cf. 1113 - District and School Web Sites)*~~

~~Parents/guardians shall submit applications for interdistrict attendance to the district office before January 1 of the school year preceding the school year for which the student is requesting to be transferred. The application deadline may be waived upon agreement between the district and the student's district of residence. (Education Code 48308)~~

~~The application deadline shall not apply to an application requesting a transfer if the parent/guardian with whom the student resides is enlisted in the military and was relocated by the military within 90 days prior to submitting the application. (Education Code 48308)~~

~~*(cf. 6173.2 - Education of Children of Military Families)*~~

~~Any existing entrance criteria for specialized schools or programs shall be uniformly applied to all applicants. (Education Code 48305)~~

~~The district may deny a transfer into the district under the school district of choice program if the transfer would require the district to create a new program to serve that student, except that the district shall not reject the transfer of a student with disabilities or an English learner. (Education Code 48303)~~

~~Whenever the number of transfer applications exceeds the number of interdistrict transfers that may be accepted as annually determined by the Governing Board, students accepted for transfer shall be selected by a random drawing held in public at a regularly scheduled Board meeting before February 15 of the school year preceding the school year for which the transfer is sought. (Education Code 48301)~~

~~Priority for transfer under the school district of choice program shall be granted as follows: (Education Code 48306)~~

~~1. First priority shall be given to siblings of students already in attendance in the district.~~

~~2. Second priority shall be given to students eligible for free or reduced-price meals.~~

~~*(cf. 3553 - Free and Reduced Price Meals)*~~

~~3. Third priority shall be given to children of military personnel.~~

INTERDISTRICT ATTENDANCE (continued)

~~No later than February 15 of the school year preceding the school year for which the student is requesting to be transferred, the Superintendent or designee shall notify the parent/guardian in writing whether the application has been provisionally accepted or rejected or of the student's position on any waiting list. (Education Code 48308)~~

~~If a student's application for transfer is accepted, the Superintendent or designee shall so notify the student's district of residence no later than February 15 of the school year preceding the school year for which the student is requesting to be transferred. (Education Code 48308)~~

~~The number of students accepted for transfer into the district, by school and grade level, shall be reported to the district of residence on or before February 15. (Education Code 48308)~~

~~If a student's application is denied, the Superintendent or designee shall notify the student's parents/guardians that the number of students requesting to transfer exceeded the district's capacity and that the student was not selected during the random drawing. Such determination shall be accurately recorded in the minutes of the Board meeting at which the determination was made. (Education Code 48308)~~

~~*(cf. 9324 - Minutes and Recordings)*~~

~~For a student whose parent/guardian was relocated by the military less than 90 days prior to the submission of the application, the district shall make a final decision to accept or reject the application within 90 days of its receipt. If the student's application has been submitted less than 90 days prior to the beginning of the school year, then the district shall accept or deny the application before the school year begins. Upon acceptance, the student may immediately enroll in a district school. (Education Code 48308)~~

~~Vacancies may be filled from the waiting list until May 1 of the school year preceding the school year for which students are requesting to be transferred. (Education Code 48308)~~

~~The final number of students enrolled in the district through the school district of choice program, by school and grade level, along with the names of the students, shall be reported to the district of residence on or before May 2. (Education Code 48308)~~

~~Students admitted through the school district of choice program are deemed to have fulfilled district residency requirements pursuant to Education Code 48204. (Education Code 48301)~~

~~*(cf. 5111.1 - District Residency)*~~
~~*(cf. 5116.1 - Intradistrict Open Enrollment)*~~

INTERDISTRICT ATTENDANCE (continued)

~~Final acceptance of the transfer is applicable for one school year and shall be renewed automatically each year unless the Board, by adoption of a resolution, withdraws from participation in the program and no longer accepts transfer students from other districts. (Education Code 48308)~~

~~Even if the district withdraws from participation in the program, students who attended or received a notice of acceptance into the district before the Board's resolution of withdrawal shall be permitted to attend school in the district, and admitted high school students may continue attending school in the district until they graduate from high school. 3. Encouraging students to notify school staff when they are being bullied or when they suspect that another student is being bullied, and providing means by which students may report threats or incidents confidentially and anonymously

4. Conducting an assessment of bullying incidents at each school and, if necessary, increasing supervision and security in areas where bullying most often occurs, such as playgrounds, hallways, restrooms, and cafeterias

5. Annually notifying district employees that, pursuant to Education Code 234.1, any school staff who witnesses an act of bullying against a student has a responsibility to immediately intervene to stop the incident when it is safe to do so

Staff Development

The Superintendent or designee shall annually make available to all certificated staff and to other employees who have regular interaction with students the California Department of Education (CDE) online training module on the dynamics of bullying and cyberbullying, including the identification of bullying and cyberbullying and the implementation of strategies to address bullying. BULLYING (continued)

5. Report incidents to the appropriate authorities, including law enforcement in instances of criminal behavior

Students should be taught the difference between appropriate and inappropriate behaviors, how to advocate for themselves, how to help another student who is being bullied, and when to seek assistance from a trusted adult. As role models for students, staff shall be expected to demonstrate effective problem-solving and anger management skills.

To discourage cyberbullying, teachers may advise students to be cautious about sharing passwords, personal data, or private photos online and to consider the consequences of making negative comments about others online.

Reporting and Filing of Complaints

Any student, parent/guardian, or other individual who believes that a student has been subjected to bullying or who has witnessed bullying may report the incident to a teacher, the principal, a compliance officer, or any other available school employee.

For the administration of medication to other students during school or school-related activities, the Superintendent or designee shall develop protocols which shall include options for allowing parents/guardians to administer medication to their child at school, designate other individuals to do so on their behalf, and, with the student's authorized health care provider's approval, request the district's permission for the student to self-administer a medication or self-monitor and/or self-test for a medical condition. Such processes shall be implemented in a manner that preserves campus security, minimizes instructional interruptions, and promotes student safety and privacy.

HOMEWORK/MAKEUP WORK

The Governing Board recognizes that meaningful homework assignments can be a valuable extension of student learning time and assist students in developing good study habits. Homework shall be assigned when necessary to support classroom lessons, enable students to complete unfinished assignments, or review and apply academic content for better understanding.

The Superintendent or designee shall collaborate with school administrators and teachers to develop and regularly review guidelines for the assignment of homework and the related responsibilities of students, staff, and parents/guardians.

Homework assignments shall be reasonable in length and appropriate to the grade level and course. The Board expects that the number, frequency, and degree of difficulty of homework assignments will increase with the grade level and the maturity of students. Teachers shall assign homework only as necessary to fulfill academic goals and reinforce current instruction.

(cf. 6011 - Academic Standards)

As needed, teachers may receive training in designing relevant homework assignments that reinforce classroom learning objectives.

(cf. 4131 - Staff Development)

Although on-time completion of homework is important to maintain academic progress, the Board recognizes that students learn at different rates. Students shall receive credit for work that is completed late in order to encourage their continued learning.

Age-appropriate instruction may be given to help students allocate their time wisely, meet their deadlines, learn to work independently, and develop good personal study habits.

At the beginning of the school year, teachers shall communicate homework expectations to students and their parents/guardians. Homework guidelines shall also be included in student and/or parent/guardian handbooks. These communications shall include the manner in which homework relates to achievement of academic standards and course content, the impact of homework assignments on students' grades, any school resources and programs that are available to provide homework support, and ways in which parents/guardians may appropriately assist their children.

Although it is the student's responsibility to undertake assignments independently, parents/guardians may serve as a resource and are encouraged to ensure that their child's homework assignments are completed. When a student repeatedly fails to complete homework, the teacher shall notify the student's parents/guardians as soon as possible so that corrective action can be taken prior to the release of any final grades or report cards.

HOMEWORK/MAKEUP WORK (continued)

(cf. 5020 - Parent Rights and Responsibilities)
(cf. 6020 - Parent Involvement)

To further support students' homework efforts, the Superintendent or designee may establish and maintain electronic forums, provide access to school library media centers and technological resources, and/or provide before-school and after-school programs where students can receive homework assistance from teachers, volunteers, and/or student tutors. The Board encourages the Superintendent or designee to design class and transportation schedules that will enable students to make use of homework support services.

(cf. 1240 - Volunteer Assistance)
(cf. 1700 - Relations between Private Industry and the Schools)
(cf. 3541 - Transportation Routes and Services)
(cf. 5148 - Child Care and Development)
(cf. 5148.2 - Before/After School Programs)
(cf. 6112 - School Day)
(cf. 6142.4 - Service Learning/Community Service Classes)
(cf. 6163.1 - Library Media Centers)

Teachers shall review all completed homework to assess the student's understanding of academic content and shall provide timely feedback to the student.

Makeup Work

Students who are absent from school shall be given the opportunity to complete all assignments and tests that can be reasonably provided. As determined by the teacher, the assignments and tests shall be equivalent to, but not necessarily identical to, the assignments and tests missed during the absence. Students shall receive full credit for work satisfactorily completed within a reasonable period of time.

(cf. 5113 - Absences and Excuses)

The Superintendent or designee shall notify parents/guardians that no student may have a grade reduced or lose academic credit for any excused absence when missed assignments and tests are satisfactorily completed within a reasonable period of time. Such notification shall include the full text of Education Code 48205. (Education Code 48980)

(cf. 5121 - Grades/Evaluation of Student Achievement)
(cf. 5145.6 - Parental Notifications)

Suspended Students

When a parent/guardian of a student who has been suspended for two or more school days requests homework that the student would otherwise have been assigned, the student's

HOMEWORK/MAKEUP WORK (continued)

teacher shall provide such homework. If a homework assignment is requested and is turned in to the teacher by the student either upon the student's return from suspension or within the timeframe originally prescribed by the teacher, whichever is later, and is not graded before the end of the academic term, the homework assignment shall not be included in the calculation of the student's overall grade in the class. (Education Code 48913.5)

The teacher of any class from which a student is suspended may require the student to complete any assignments and tests missed during the suspension. (Education Code 48913)

EDUCATION FOR ENGLISH LEARNERS

Definitions

English learner means a student who is age 3-21 years, who is enrolled or is preparing to enroll in an elementary or secondary school, and whose difficulties in speaking, reading, writing, or understanding the English language may be sufficient to deny the student the ability to meet state academic standards, the ability to successfully achieve in classrooms where the language of instruction is English, or the opportunity to participate fully in society. An English learner may include a student who was not born in the United States or whose native language is a language other than English; a student who is Native American or Alaska Native, or a native resident of the outlying areas, who comes from an environment where a language other than English has had a significant impact on the individual's level of English language proficiency; or a student who is migratory, whose native language is a language other than English, and who comes from an environment where a language other than English is dominant. (Education Code 306; 20 USC 7801)

Designated English language development means instruction provided during a time set aside in the regular school day for focused instruction on the state-adopted English language development standards to assist English learners to develop critical English language skills necessary for academic content learning in English. (5 CCR 11300)

Integrated English language development means instruction in which the state-adopted English language development standards are used in tandem with the state-adopted academic content standards. Integrated English language development includes specially designed academic instruction in English. (5 CCR 11300)

Native speaker of English means a student who has learned and used English at home from early childhood and English has been the primary means of concept formation and communication. (Education Code 306)

Identification and Assessments

Upon enrollment in the district, each student's primary language shall be determined through the use of a home language survey. (Education Code 52164.1; 5 CCR 11307, 11518.5)

Any student who is identified as having a primary language other than English as determined by the home language survey, and who has not previously been identified as an English learner by a California public school or for whom there is no record of results from an administration of an English language proficiency test, shall be initially assessed for English proficiency using the English Language Proficiency Assessments for California (ELPAC). Prior to administering the ELPAC, the Superintendent or designee shall notify the student's parent/guardian in writing that the student will be administered the initial ELPAC. (Education Code 313, 52164.1; 5 CCR 11518.5)

EDUCATION FOR ENGLISH LEARNERS (continued)

(cf. 6159 - Individualized Education Program)
(cf. 6162.51 - State Academic Achievement Tests)
(cf. 6164.6 - Identification and Education Under Section 504)

Based on the initial assessment, the student shall be classified either as initially fluent in English proficient or as an English learner. The Superintendent or designee shall notify the student's parent/guardian, in writing, of the results of the ELPAC initial assessment within 30 calendar days after the student's date of initial enrollment, or, if administered prior to the student's initial date of enrollment, up to 60 calendar days prior to such enrollment, but not before July 1 of the school year of the student's initial enrollment. The notice shall indicate whether the student met the ELPAC initial assessment criterion for proficiency and include the district's contact information for use if the parent/guardian has questions or concerns regarding the student's classification. (5 CCR 11518.5)

Each year after a student is identified as an English learner and until the student is redesignated as English proficient, the summative assessment of the ELPAC shall be administered to the student during a four-month period after January 1 as determined by the California Department of Education. (Education Code 313)

The Superintendent or designee shall notify parents/guardians of their child's results on the summative assessment of the ELPAC within 30 calendar days following receipt of the results from the test contractor or, if the results are received from the test contractor after the last day of instruction for the school year, within 15 working days of the start of the next school year. (Education Code 52164.1; 5 CCR 11518.15)

(cf. 5145.6 - Parental Notifications)

The parent/guardian of a student participating in, or identified for participation in, a language instruction program supported by federal Title I or Title III funds shall receive notification of the assessment of the student's English proficiency. Such notice shall be provided not later than 30 calendar days after the beginning of the school year or, if the student is identified for program participation during the school year, within two weeks of the student's placement in the program. The notice shall include all of the following: (Education Code 313.2, 440; 20 USC 6312)

Whenever parents/guardians of enrolled students, and those enrolled for attendance in the next school year, request that the district establish a specific language acquisition program in accordance with Education Code 310, such requests shall be addressed through the following process: (5 CCR 11311)

EDUCATION FOR ENGLISH LEARNERS (continued)

1. The school shall make a written record of each request, including any request submitted verbally, that includes the date of the request, the names of the parent/guardian and student making the request, a general description of the request, and the student's grade level on the date of the request. As needed, the school shall assist the parent/guardian in clarifying the request. All requests shall be maintained for at least three years from the date of the request.

2. The school shall monitor requests on a regular basis and notify the Superintendent or designee when the parents/guardians of at least 30 students enrolled in the school, or at least 20 students in the same grade level, request the same or a substantially similar type of language acquisition program. If the requests are for a multilingual program model, the district shall consider requests from parents/guardians of students enrolled in the school who are native English speakers in determining whether this threshold is reached.

3. If the number of parents/guardians described in item #2 is attained, the Superintendent or designee shall:

   a. Within 10 days of reaching the threshold, notify the parents/guardians of students attending the school, the school's teachers, administrators, and the district's English learner parent advisory committee and parent advisory committee, in writing, of the requests for a language acquisition program

Identify costs and resources necessary to implement any new language acquisition program, including, but not limited to, certificated teachers with the appropriate authorizations, necessary instructional materials, pertinent professional development for the proposed program, and opportunities for parent/guardian and community engagement to support the proposed program goals

   c. Within 60 calendar days of reaching the threshold number of parents/guardians described in item #2 above, determine whether it is possible to implement the requested language acquisition program and provide written notice of the determination to parents/guardians of students attending the school, the school's teachers, and administrators

   d. If a determination is made to implement the language acquisition program, create and publish a reasonable timeline of actions necessary to implement the program. If a determination is made that it is not possible to implement the program, provide a written explanation of the reason(s) the program cannot be provided.

EDUCATION FOR ENGLISH LEARNERS (continued)

6. The process to request establishment of a language acquisition program not offered at the school

7. For any dual-language immersion program offered, the specific languages to be taught. The notice also may include the program goals, methodology used, and evidence of the proposed program's effectiveness.

The district shall provide additional and appropriate educational services to English learners for the purposes of overcoming language barriers and academic deficits in other areas of the core curriculum. (5 CCR 11302)

Reclassification/Redesignation

English learners shall be reclassified as fluent English proficient when they are able to comprehend, speak, read, and write English well enough to receive instruction in an English language mainstream classroom and make academic progress at a level substantially equivalent to that of students of the same age or grade whose primary language is English and who are in the regular course of study. (Education Code 52164.6)

The ELAC shall be responsible for assisting in the development of a schoolwide needs assessment, recommending ways to make parents/guardians aware of the importance of school attendance, and advising the principal and school staff in the development of a detailed master plan for English learners for the individual school and submitting the plan to the Governing Board for consideration for inclusion in the district master plan. (Education Code 52176)

When the district has more than 50 English learners, the Superintendent or designee shall establish a District English Learner Advisory Committee (DELAC), the majority of whose membership shall be composed of parents/guardians of English learners who are not employed by the district. (cf. 6146.1 - High School Graduation Requirements)

However, when a migrant student who has completed the second year of high school transfers into the district or transfers between high schools within the district, the student shall be exempted from all district-adopted coursework and other district-established graduation requirements, unless the district makes a finding that the student is reasonably able to complete the additional requirements in time to graduate from high school by the end of the fourth year of high school. Within 30 calendar days of the transfer, the Superintendent or designee shall notify the student and the student's parent/guardian of the availability of the exemption and whether the student qualifies for it. If the Superintendent or designee fails to provide this notification, the student shall be eligible for the exemption once notified, even if the notification occurs after the student no longer meets the definition of a migrant student. (Education Code 51225.1)

(cf. 5145.6 - Parental Notifications)

MIGRANT EDUCATION PROGRAM (continued)

To determine whether a migrant student is in the third or fourth year of high school, the district shall use either the number of credits the student has earned as of the date of the transfer or the length of school enrollment, whichever qualifies the student for the exemption. (Education Code 51225.1)

The Superintendent or designee shall notify any migrant student who is granted an exemption and the student's parent/guardian how any requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and shall provide information about transfer opportunities available through the California Community Colleges. (Education Code 51225.1)

The district shall not require or request a migrant student to transfer schools in order to qualify for an exemption, and no request for a transfer solely to qualify for an exemption shall be made by a migrant student or parent/guardian. (Education Code 51225.1)

If a migrant student is exempted from local graduation requirements, the exemption shall continue to apply after the student no longer meets the definition of a migrant student if the student is still enrolled in school or transfers to another school or district. (Education Code 51225.1)

Upon making a finding that a migrant student is reasonably able to complete district graduation requirements within a fifth year of high school, the Superintendent or designee shall: (Education Code 51225.1)

1. Inform the student and parent/guardian of the student's option to remain in school for a fifth year to complete the district's graduation requirements and how that will affect the student's ability to gain admission to a postsecondary educational institution

2. Provide information to the student about transfer opportunities available through the California Community Colleges

3. Upon agreement with the student or parent/guardian, permit the student to stay in school for a fifth year to complete the district's graduation requirements

Parent Advisory Council

The parent advisory council shall be comprised of members who are knowledgeable of the needs of migrant students and shall be elected by the parents/guardians of students enrolled in the district's migrant education program. The composition of the council shall be determined by the parents/guardians at a general meeting to which all parents/guardians of participating students shall be invited. The parents/guardians shall be informed, in a language they understand, that they have the sole authority to decide on the composition of the council. (Education Code 54444.2)

MIGRANT EDUCATION PROGRAM (continued)

At least two-thirds of the advisory council shall consist of parents/guardians of migrant students. (Education Code 54444.2)

All parent/guardian candidates for the council shall be nominated by parents/guardians. Nonparent candidates, such as teachers, administrators, other school personnel, or students, shall be nominated by the groups they represent. All other community candidates shall be nominated by the parents/guardians. (Education Code 54444.2)

The parent/guardian advisory council shall meet at least six times during the year and shall: (Education Code 54444.4)

1. Establish program goals, objectives, and priorities

2. Review annual needs assessments, program activities for each school, and individual learning plans

3. Advise on the selection, development, and reassignment of migrant education program staff

4. Participate actively in planning and negotiating program applications and service agreements

5. Perform all other responsibilities required under state and federal laws or regulations

The Superintendent or designee shall establish and implement a training program for advisory council members to enable them to carry out their responsibilities. The training program shall be developed in consultation with the council and shall include appropriate training materials in a language understandable to each member. (Education Code 54444.2)

The Superintendent or designee shall provide the council, without charge, a copy of all applicable state and federal migrant education statutes, rules, regulations, guidelines, audits, monitoring reports, and evaluations. Upon request, these materials also shall be provided without charge to each member of the council. (Education Code 54444.2)

Information regarding the educational rights of migrant students, as specified in Education Code 51225.1 and 51225.2, shall be included in the annual uniform complaint procedures notification distributed to students, parents/guardians, employees, and other interested parties pursuant to 5 CCR 4622. (Education Code 51225.1, 51225.2)

MIGRANT EDUCATION PROGRAM (continued)

Any complaint that the district has not complied with requirements regarding the education of migrant students, as specified in Education Code 51225.1 or 51225.2, may be filed in accordance with the district's procedures in AR 1312.3 - Uniform Complaint Procedures.
