Throughout their first term, Board members shall continue to participate in additional educational opportunities designed to assist them in understanding the principles of effective governance, including, but not limited to, information on school finance and budgets, student achievement and assessment, labor relations, community relations, program evaluation, open meeting laws (the Brown Act), conflict of interest laws, and other topics necessary to govern effectively and in compliance with law.

(cf. 9230 - Orientation)

In selecting appropriate activities, the Board and/or individual Board members shall consider activities that are aligned with the district's vision and goals and the needs of the Board or individual member to obtain specific knowledge and skills. The Board shall annually develop a board training calendar in order to schedule and track board training activities and to schedule opportunities for Board members to report on the activities in which they participated.

(cf. 3100 - Budget)
(cf. 9250 - Remuneration, Reimbursement, and Other Benefits)

Board members may attend a conference or similar public gathering with other Board members and/or with the Superintendent or designee in order to develop common knowledge and understanding of an issue or engage in team-building exercises. In such cases, a majority of the Board members shall not discuss among themselves, other than as part of the scheduled program, business of a specified nature that is within the district's jurisdiction, so as not to violate the Brown Act open meeting laws pursuant to Government Code 54952.2.
