3. Payment Policies
   I. Credit Card Policy
      i. Study Smart Tutors offers a discount on all services for payment by cash or check (this includes ACH, wire, and e-check). All services, materials and incidental charges are invoiced at the discounted "cash" rate, the most common payment method.
      In order to enhance the convenience for partners who prefer to pay by credit card, Study Smart Tutors now offers a method to make payment via credit card over the phone, but at a non-discounted rate.

      Credit card transactions create additional costs in the form of bank fees charged for accepting credit cards as a payment method. This payment structure will offset the administrative overhead incurred for processing credit card payments. If a partner elects to pay all or a portion of the bill using American Express, Visa, MasterCard, or Discover, the non-discounted rate will be 2.25% higher than the cash discounted rate on the invoice.

4. Cancellation Policy
   II. Study Smart Tutors is committed to providing a high-quality educational experience during all of our workshops, courses, and trainings. To ensure the continued success of our partnerships, Study Smart Tutors requires 24-hours' notice in the event of unforeseen circumstances that lead Bancroft Middle School to cancel and/or postpone a workshop, course, or training, or tutoring session.

   All of Study Smart Tutors' service offerings can be postponed to fit the scheduling needs of our partner programs, but without the presence of sufficient notice (24 hours), a fee of 25% of the contract will be assessed. All cancellations and postponements can be made by reaching out to a Study Smart Tutors' representative via phone or email.
